01 The financial statements of the Bank has been prepared in accordance with International Financial Reporting Standards (IFRSs) and the requirements of the Banking Companies Act 1991, the rules and regulations issued by Bangladesh Bank, the Companies Act 1994, the Securities and Exchange Rules 1987. In case any requirement of the Banking Companies Act 1991, and provisions and circulars issued by Bangladesh Bank differ with those of IFRS, the requirements of the Banking Companies Act 1991, and provisions and circulars issued by Bangladesh Bank shall prevail. Material departures from the requirements of IFRS are as follows:

i) Investment in shares and securities

IFRS: As per requirements of IFRS 9, financial assets generally fall either under at amortized cost, or at fair value through profit and loss account, fair value through other comprehensive income where any change in the fair value at the year-end is taken to profit and loss account or other comprehensive income respectively.

ii) Revaluation gains/ losses on Government securities

IFRS: As per requirement of IFRS 9, an entity shall classify financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis both of the following criteria:

- a). the entity's business model for managing the financial assets and
- b). the contractual cash flow characteristics of the financial asset.

Bangladesh Bank: HFT securities are revalued on the basis of marked to market and at year end any gains on revaluation of securities which have not matured as at the balance sheet date are recognised in other reserves as a part of equity and any losses on revaluation of securities which have not matured as at the balance sheet date are charged in the profit and loss account. Interest on HFT securities including amortisation of discount are recognised in the profit and loss account. HTM securities which have not matured as at the balance sheet date are amortised at the year end and gains or losses on amortisation are recognised in other reserve as a part of equity.

iii) Provision on investments

IFRS: as per IFRS 9 an entity shall recognize a loss allowance for expected credit losses on a financial asset through amortised cost or fair value through other comprehensive income to which impairment requirements apply.

Bangladesh Bank: As per BRPD circular No.14 (23 September 2012), BRPD circular No. 19 (27 December 2012) and BRPD circular No. 05 (29 May 2013) a general provision @ 0.25% to 5% under different categories of unclassified investments (good and special mentioned accounts) has to be maintained regardless of objective evidence of impairment. Also provision for sub-standard loans, doubtful loans and bad losses has to be provided at 20%, 50% and 100% respectively for loans and advances depending on the duration of overdue. Again as per BRPD circular no. 10 dated 18 September 2007 and BRPD circular no. 14 dated 23 September 2012, a general provision at 1% is required to be provided for all off-balance sheet exposures. Such provision policies are not specifically in line with those prescribed by IFRS 9.

iv) Recognition of profit in suspense

Bangladesh Bank: As per BRPD circular no. 14 dated 23 September 2012, once an investment is classified, profit on such investments is not allowed to be recognised as income, rather the corresponding amount needs to be credited to an interest in suspense account, which is presented as liability in the balance sheet.

v) Other comprehensive income

IFRS: As per IAS 1 Other Comprehensive Income (OCI) is a component of financial statements or the elements of OCI are to be included in a single Other Comprehensive Income statement.

Bangladesh Bank: Bangladesh Bank has issued templates for financial statements through BRPD Circular no.14 dated 25 June 2003 which will strictly be followed by all banks. The templates of financial statements issued by Bangladesh Bank do not include Other Comprehensive Income nor are the elements of Other Comprehensive Income allowed to be included in a single Other Comprehensive Income (OCI) Statement. As such the Bank does not prepare the other comprehensive income statement. However, elements of OCI, if any, are shown in the statements of changes in equity.

vi) Financial instruments – presentation and disclosure

In several cases Bangladesh Bank guidelines categorise, recognise, measure and present financial instruments differently from those prescribed in IFRS 9. As such full disclosure and presentation requirements of IFRS 7 cannot be made in the financial statements.

vii) Financial guarantees

IFRS: Financial guarantees are contracts that require an entity to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payment when due in accordance with the terms of a debt instrument. Financial guarantee liabilities are recognised initially at their fair value minus the cost that are directly attributable to issue of the financial guarantee. After initial recognition, an issuer of such a guarantee shall subsequently measure it at higher of:

- i. the amount of the loss allowance and
- ii. the amount initially recognised less, when appropriate, the cumulative amount of the income recognised.

Bangladesh Bank: As per BRPD 14, dated 23 September 2012 financial guarantees such as letter of credit, letter of guarantees will be treated as off-balance sheet items. No liability is recognised for the guarantees except the cash margin.
