Message from the Chairman

Dear shareholders, Distinguished Guests, Honorable Members of the Board and dedicated Members of the Management Team and Staff of ICB Islamic Bank Limited (ICBIBL)

Assalamu-Alaikum Wa-Rahmtullah.

It gives me immense pleasure and honor to welcome you to the 31st Annual General Meeting of ICBIBL. I sincerely express my gratitude to all of you for the trust, confidence, support and cooperation placed on us throughout the year. On behalf of the Board of Directors, I feel honored to present before you the Annual Report of ICB Islamic Bank Limited for the financial year ended 31st December 2017 (FY2017)

Bangladesh has attained a GDP growth of 7.28% for the FY 2017, highest ever in history of the country's economy and more than what was targeted. This is the third time in Bangladesh's history that GDP growth had exceeded 7%. Bangladesh's per capita Gross National Income (GNI) stood at USD 1,610 for FY17, which is USD 145 higher than the preceding year of FY16. Per capita GDP was USD 1,554 in FY17, up from previous level of USD 1,385 in FY16. Lower growth of GNI compared to GDP is attributed to the falling inflow of remittances along with marginal depreciation of BDT against USD.

The growth in the agricultural sector was 2.90 percent, manufacturing sector 10.22 percent and the services sector 6.69 percent. Bangladesh's exports in the financial year 2017 rose nearly 1.7 percent from a year earlier, but that was the slowest growth in 15 years, while pivotal garment sales posted only 0.2 percent growth. Remittances are Bangladesh's second-biggest source of foreign income, after garments, but they fell 14.5 percent in the last financial year, to \$13 billion, largely because of the impact of lower oil prices.

Many migrant workers are sending money through intermediaries who are taking advantage of mobile platforms and various software applications (apps) to transfer remittances through informal channels

The banking sector has grown over the years in terms of the number of banks, assets and contribution to the economy. Despite significant growth, the sector is currently faced with a number of serious challenges. Growth of domestic credit increased slightly compared to 2016. Inflationary pressure continued to soften but at the end of the year it started rising. Liquidity crunch in which situation the banks are raising interest rate on deposits.

ICBIBL has made endeavours to improve its personnel quality. It arranges seminars and training programs for its staff. ICBIBL organized 4 training programs for its staff during this period where 105 participants attended and total 88 participants attended in 60 different seminars/workshops/trainings organized by other institutions.

It's critical to form a close working relationship with a client that is why customer service is of vital importance. The important strategy of ICBIBL is to focus on providing high-quality service for the customers. For achieving excellence in customer service, the bank has issued 3313 Debit cards to its customers during this period. The bank was able to attract almost 8,260 new deposit customers and the net growth of regular deposit was more than 589.4 million. Our endeavor and major priority is to meet the clients' changing needs.

As a part of the government campaign on green economy, the bank has successfully participated at the “BIFFL Green Convention & Expo-2017” organized by Bangladesh Infrastructure Finance Fund Limited. BIFFL a Non-Bank Financial Institution owned by the Ministry of Finance, is the largest of its kind in Bangladesh mandated for financing infrastructure projects. It also promotes, among others, the use of green technologies across the country.

All over the world financial institutions face massive risk of non-performing investments. In Bangladesh, the lure of maximizing profitability has at times led to increased credit risk and NPLs. The NPLs negate profitability and defeat the very goals of financial institutions. The Bank puts in place a vibrant credit process that would encompass issues of proper customer selection, robust credit analysis and sanctioning process, proactive monitoring and follow up and clear recovery strategies for stressed investment.

The biggest challenge banks are facing right now is to stay engaged with the customer. We believe that our customer service with in tandem with products, efficient and productive management and corporate governance will bring sustainable growth in the coming years.

My heartiest thanks to my colleagues in the Board who have always been supportive and agile in our endeavor to navigate the institution in the right direction. My appreciation goes to the Management Team, committed work force and field level operations for their relentless efforts to succeed. I express sincere thanks to M/S. Nurul Faruk Hasan & Co, Chartered Accountants for carrying out External Audit professionally and advising the Bank on various compliance issues relating to International Accounting Standard (IAS) and Bangladesh Accounting Standard (BAS).

Finally I, on behalf of the Board of Directors of the Bank, express my sincere thanks to Mr. Abdul Hafiz Choudhury, for his valuable contribution during his tenure as a director of the Bank which ended on 31 December 2017. I also extend my appreciation to the customers for giving us the opportunity to serve them and the shareholders for their trust and confidence reposed on us. I also take the opportunity to express my thanks and gratitude to the Government of the People's Republic of Bangladesh, Ministry of Finance, Bangladesh Bank, Bangladesh Securities and Exchange Commission, Dhaka Stock Exchange and Registrar of Joint Stock Companies for their continuous support, guidance and co-operation.

Datuk Mohd. Nasir Bin Ali
Chairman

Message from the Managing Director & CEO

Dear shareholders, distinguished guests, respected members of the Board of Directors and my fellow colleagues at ICB Islamic Bank, Assalamu-Alaikum Wa-Rahmatullah.

Welcome to the 31st Annual General Meeting of ICB Islamic Bank Limited (ICBIBL).

For Bangladesh, 2017 has been a mixed year of achievements and challenges. Though some macro indicators reflect the positive trends, the overall strength of the economy is weakening due to a number of developments toward the second half of the year. One of the major achievements of the economy has been a 7.28 percent economic growth in FY 2016-17 breaking the six percent cycle that continued for a decade or so. Like previous years, major boost of growth has come from the industrial sector followed by the services sector. Though average inflation has been around 5.5 percent, food inflation is showing an increasing rate in recent months, mainly because of agricultural loss due to two rounds of flood.

Bangladesh's financial sector is dominated by the banking sector. The role of the banking sector in accelerating growth is contingent upon the soundness and depth of the sector. In Bangladesh the banking sector has travelled through a journey where the sector has experienced several ups and downs. Reforms measures have been undertaken in an attempt to improve upon the structural constraints of the sector.

Such measures have been driven by objectives such as increasing the capital adequacy of banks, streamlining guidelines for rescheduling of various types of loans, tightening provisions for non-performing loans, strengthening disclosure requirements and improving accounting system.

Despite facing various challenges in present market, ICBIBL is progressing with good name & fame ensuring that we are a trusted house of Banking. The bank emphasize on delivery of top quality service at the right time, 'Focusing on Clients' need imbibed with good governance at every echelon of management. ICBIBL focuses on strengthening and enhancing its management culture and render vigorous initiatives for excellent customer service. We are cautious in all areas of business including quality of investments, recovery process as well as overhead expenses. We are concentrating to make our human resources more capable and technologically developed so that they can cope with the changing environment and serve our valued clients efficiently and effectively. We strongly believe that we are on the right track for establishing and securing a sustainable growth of the Bank.

The bank set emphasized priority on foreign remittance mobilization and has taken number of initiative to provide better service to our foreign remitter. ICBIBL has established drawing arrangements with Ria Financial Services, MESA, IME (M) Sdn. Bhd. and Western Union and also trying to include Placid Express remittance house in this group for facilitating remittance by Bangladeshi nationals living abroad. Any beneficiaries can receive inward remittance payment from any of the ICBIBL branches country wide through these remittance houses.

ICBIBL is now issuing its Debit Card with five years validity for the customers' conveniences. The Bank has also initiated to collect all utility bills, visa fees, mobile bills through a common platform from our branches.

Islamic Banking refers to a system of banking or banking activity that is consistent with the principal of Shairah and its practical application through the development of Islamic economics. The Shari'ah Supervisory Committee of ICBI BL plays a vital role in framing and exerting policy for strict adherence of Shari'ah principles in the Bank. As per Islamic Banking Guideline circulated by Bangladesh Bank, The Shari'ah Supervisory Committee comprises of prominent Ulama having adequate knowledge in Fiqhul Moamalat and Islamic Scholars to furnish opinions and guidelines to implement and comply of Shari'ah principles in all activities of the Bank particularly in the modes of investment. ICBI BL is an active member of Central Shariah Board for Islamic Banks of Bangladesh and Islamic Banks Consultative Forum.

To conclude I wish to express my profound gratitude to our distinguished Chairman and honorable members of the Board of Directors who have all along extended their continuous support, patronage, guidance and encouragement through holding a good number of Board Meetings and Audit Committee Meetings in the year 2017.

I would also like to express my deepest appreciation and profound gratitude to the regulatory authorities especially Bangladesh Bank, Bangladesh Securities and Exchange Commission, Dhaka Stock Exchange and Registrar of Joint Stock Companies and Firms for their time-befitting policies, guidance, continuous support and cooperation. My hearty appreciation also goes to our valued customers who believed in us and remained loyal and withered with us through thick and thin. And finally thanks to all our employees for their dedication and commitment, which I believe, will improve our present position.

Muhammad Shafiq Bin Abdullah
Managing Director & CEO

2. Engaging in discussions with external auditors and management prior to the finalization of financial statement.
3. Attending and answering questions related to the accounts and audit at the AGM.

In respect of internal audit

1. Reviewing the activities and organizational structure of internal audit and ensuring that there is no barrier or limitation to the performance of an independent internal audit.
2. Assessing the efficiency and effectiveness of internal audit.
3. Assessing whether management is appropriately considering compliance of recommendations made by the internal auditors with regard to the observations identified by them.
4. Placing recommendations before the Board of directors in case of change of accounting policies.

In respect of external audit

1. Appraising the audit procedures and reviewing the management letter submitted by external auditors.
2. Assessing whether management has appropriately considered the observations and recommendations made by the external auditors.
3. Placing recommendations to the Board of Directors regarding appointment of external auditors.

In respect of compliance to existing regulations

Reviewing whether the rules and regulations set by regulatory authorities (Bangladesh Bank and other regulatory bodies) as well as internal policies and guidelines approved by the Board of directors are being complied with.

Miscellaneous

1. Placing quarterly reports before the Board of directors on rectification/correction status of errors, fraud, forgery and other irregularities if any, identified by internal auditors, external auditors and Bangladesh Bank inspection team.
2. Performing all other supervisory activities as assigned by the Board as well as evaluating its own efficiency on a regular basis.

Chairman of the Audit Committee and qualifications of the members

The Audit Committee is chaired by an Independent Director. All the members of the committee are 'financially literate' as defined by the revised Corporate Governance guideline.

The Audit Committee and Internal Control & Compliance

Internal Control & Compliance (ICC) Department is the department within ICBIBL that is tasked with reviewing the Company's system of internal controls, including the conduct of regular audits of all operational units. ICC is operationally independent in that its members are not involved in the Company's operational activities and in that the Head of ICC, in addition to his direct reporting line to the Managing Director & CEO, also has access to the Audit Committee. The Audit Committee is responsible for approving the annual audit plan of ICC and reviewing the plan's subsequent implementation. Internal audit reports and summaries thereof prepared by ICC are reviewed on a regular basis by the committee.

Access of Head of ICC to the Audit Committee

The Head of Internal Control & Compliance has direct access to the Audit Committee which in turn is directly accountable to the Board.

Meetings of the Audit Committee

The Audit Committee held five (5) meetings during the year 2017. The Committee met the Internal Audit Team, Finance & Accounts Division headed by CFO, Legal and Internal Control & Compliance Department of ICBIBL. The Committee also held a meeting with the External Auditors to discuss their findings and directed the Head of Accounts to resolve their observations which were not material.

The Audit Committee is a subcommittee of the Board of Directors and reports on its activities to the Board of Directors. The purpose of the Audit Committee is to assist the Board in fulfilling its oversight responsibilities, which includes but is not limited to implementation of the objectives, strategies, risk mitigation and overall business plans set by the Board for effective functioning of the Bank. The Committee also reviews the financial and operational risks through the Internal Control process.

The particulars of attendance of the members of the Audit Committee are given below:

Name of the Director	Position held during 2017	Total number of meetings	Total Attendance
Mr. Abdul Hafiz Choudhury (resigned on 01.01.2018)	Chairman	5	5
Ms. Hashimah Binti Ismail	Member	5	5
Mr. Sivagukan Thambirajah	Member	5	5
Mr. Muhammad Shafiq Bin Abdullah	MD & CEO	5	5

The Audit Committee during the year held five (5) meetings, discussed many issues and carried out its regular functions with particular emphasis on the followings:

- i) Reviewed Compliance Report on observation, recommendations and decision of the Audit Committee Meetings;
- ii) Reviewed Internal Audit Plan for the year 2018;
- iii) Reviewed existing Risk Management Procedures for ensuring an effective Internal Check and Control System;
- iv) Reviewed the highlights from Bangladesh Bank Comprehensive Inspection Reports on the Branches as well as various Divisions of Head Office of the Bank and suggest appropriate actions where needed;

- v) Reviewed Audit & Inspection Reports on the Branches as well as various Divisions of Head Office conducted by Internal Control & Compliance Department during the year 2017 and suggested appropriate actions, where needed;
- vi) Reviewed Quarterly Financial Report of the Bank and recommended its submission to the shareholders as a statutory requirement;

- viii) Placed Compliance Report/Minutes to the Board with the decisions/recommendations made by the Committee in the Meetings for information and concurrence of the Board on quarterly basis;
- ix) Reviewed the financial statements to ensure proper disclosure and presentation and compliance with Bangladesh Financial Reporting Standards;
- x) Assessment of running the affairs of the Bank by the Management in line with the policies set by the Board of Directors; and
- xi) Recommended strengthening of the Internal Control and Compliance Department in terms of Logistics and Manpower to increase their efficiency and capacity.

All minutes of the Audit Committee meeting are required to be submitted to Bangladesh Bank in accordance with the directives of the DOS Circular. Accordingly, all minutes of the meeting of the Audit Committee are being submitted to Bangladesh Bank.

Reporting of the Audit Committee

The Audit Committee reports directly to the Board of Directors and under certain circumstances can also report to the BSEC.

Immediate reporting to the Board of Directors

Audit Committee shall immediately report to the Board of Directors in the following cases:

- On conflict of interest;
- Suspected and presumed fraud or irregularity or material defect in the internal control system;
- Suspected infringement of laws, including securities related laws, rules and regulations; and
- Any other matter which should be disclosed to the Board of Directors immediately.

No such issues arose at ICIBL during the year ended December 31, 2017.

Immediate reporting to the Bangladesh Securities & Exchange Commission

If the Audit Committee has reported to the Board of Directors about anything which has material impact on the financial condition and results of operation of and where the Audit Committee finds that such rectification has been unreasonably ignored, the Audit Committee shall report such finding to the BSEC, upon reporting of such matters to the Board of Directors for three times or completion of a period of 9 (nine) months from the date of first reporting to the Board of Directors, whichever is earlier.

No such circumstances arose during the year ended December 31, 2017.

From our assessment of the various internal audit reports, it appears that ICB Islamic Bank Limited maintained effective Internal Control on its overall activities during the year 2017.

Review of Financial Statements

The Audit Committee reviewed and examined the Annual Financial Statements, 2017 prepared by the Management and audited by External Auditors M/s. Nurul Faruk Hasan & Co., Chartered Accountants in line with the Accounting Standards set by Regulatory Authorities. The Committee referred the Financial Statements for the consideration of the Board with necessary recommendations.

Acknowledgement

The Audit Committee expresses its sincere thanks to the Members of the Board and the Management of ICIBL for their excellent support while carrying out its duties and responsibilities as per regulatory directives.

On behalf of the Audit Committee of the Board of Directors of ICIBL.

Md. Fariduddin Ahmed
Chairman, Audit Committee

Report of the Shariah Supervisory Committee

All praise and thanks be to the Almighty Allah, the Omnipotent, the Lord of the worlds, the one to whom all Dignity and Glory are due. Peace and blessing of Allah be upon all the Prophets and Messengers of Allah, especially on Prophet Muhammad (SM), the last of the Prophets and all of his followers and companions.

To The Shareholders, Depositors, Customers & other Stakeholders:

Assalamu Alaikum Wa Rahmatullah.

In carrying out the roles and responsibilities of the Bank's Shariah Supervisory Committee this report and independent opinion are being submitted by the undersigned, on behalf of the Shariah Supervisory Committee of ICB Islamic Bank Limited, for all the stakeholders of the Bank based on our review of the activities of the Bank for the financial period ended on December 31, 2017.

1. The Committee during the financial period ended on December 31, 2017 reviewed various issues related to the Bank's products, transactions, processes and policies. Honourable members of the Committee reviewed the papers as presented in the Shariah Committee meetings and provided necessary guidelines and recommendations to the Management of the Bank with the intention that management would ensure the compliance of Shariah principles in functioning banking business as it is the responsibility of the Management of the Bank to ensure that the business of the Bank had been conducted in accordance with Shariah rules.
2. The Committee also reviewed various issues regarding Shariah Compliance status of the Bank and provided necessary recommendations for strengthening the Shariah governance of the Bank.
3. So far it is related to products and services; Shariah Supervisory Committee strongly recommended to the Management of the Bank to strictly adhere to the principles of Shariah.
4. Management was advised not to take any amount of doubtful income and the amount of compensation into income account. Compensation realized, after deduction of income tax, should be given to charity and utilized as per Shariah approved guidelines. Unrealized amount of compensation should be kept into 'Compensation Receivable' Account.
5. Zakat is not applicable for the Bank for the current situation of loss and running with negative net-worth.
6. Training programs on Shariah compliance were held during the year. Frequency of training and motivational programs should be increased to achieve the desired level of Shariah efficiencies.

The undersigned and all members of the Shariah Supervisory Committee wish you peace, prosperity, and blessing in this world and the world hereafter. May Allah accepts the efforts of the ICB Islamic Bank to conduct its business strictly as per Shariah principles.

Ma Assalam,

On behalf of the Shariah Supervisory Committee of ICB Islamic Bank Limited.

Md. Fariduddin Ahmed
Chairman
Shariah Supervisory Committee

Shariah Supervisory Committee

A competent Shariah Supervisory Committee consisting of scholars of high reputation with extensive experience in the relevant areas had been incorporated in the organizational structure of ICBIBL to ensure the proper implementation of Shariah Principles in banking business. Being appointed by the Board of Directors Shariah Supervisory Committee plays a very significant role for strict adherence to Shariah Principles in framing and exerting policies of the Bank. Shariah Supervisory Committee is authorized to issue ruling on matters presented to it by different business units of ICBIBL.

Among the roles and responsibilities of the Shariah Supervisory Committee is to advise the Management of ICBIBL regarding Shariah compliance issues in Islamic Banking business and oversee the application of different aspects of Shariah in ICBIBL. For the purpose, the Committee holds meetings periodically or whenever the need arises and provides opinions, recommendations and necessary guidelines on Shariah issues related to ICBIBL. In addition, the members of the Committee assist the management of ICBIBL by providing opinions on various issues referred to them from time to time.

Roles and responsibilities of Shariah Supervisory Committee

It is important to understand the pivotal role played by Shariah Supervisory Committee of an Islamic bank which has the dual role of ensuring first that all products and services tailored by Islamic banks are permissible from the Shariah point of view, and all of these products and services have intrinsic financial value. To be specific, the duties and responsibilities of Shariah Supervisory Committee are:

- Advising the Board of Directors and Management of the Bank on various Shariah related issues referred to it from time to time so that management of the Bank can ensure the compliance of Shariah.
- Reviewing, vetting and endorsing the products and services of the Bank from the Shariah point of view.
- Reviewing, vetting and endorsing various policies and guidelines of the Bank from the Shariah point of view.
- Vetting and endorsing products, guidelines, marketing advertisements, brochures related to ICBIBL's products, services and activities from the Shariah point of view.
- Reviewing and vetting the Financial Reports of ICBIBL from the Shariah point of view and submitting a report annually for all the stakeholders.
- Vetting and endorsing administrative issues and decisions that require the approval of the Committee.
- Auditing and Inspecting the overall banking operations and activities of the Bank from the Shariah point of view.

The Shariah Supervisory Committee of ICB Islamic Bank is represented by five prominent Shariah scholars and Islamic bankers of high reputation having familiarity with State-of-the-art knowledge. Following is the list of members of this committee with their respective status and educational qualifications:

Directors' Report – 2017

Bismillahir Rahmanir Rahim

All praise be to Allah SWT, the Lord of the Universe and peace and blessings of Allah be upon the Prophet Muhammad (SM.) and his Descendants and Companions.

Dear Respected Shareholders,

Assalamu-Alaikum Wa-Rahmatullah.

On behalf of the Board of Directors of ICB Islamic Bank Limited, I extend to you a hearty welcome to the Annual General Meeting of the Bank for the year 2017. I also take this opportunity to present before you the Annual Report of the Bank along with the Financial Statements and Auditor's Report thereon for the year ended December 31, 2017 for your kind perusal. A brief overview of global market trends with the performance of Bangladesh economy has also been provided in the Annual Report which would reveal continuous growth of the Bank in a stiff competitive environment.

The Directors, to the best of their knowledge and information, hereby confirm that the Annual Report 2017 together with the Directors' Report and the Financial Statements have been prepared in compliance with applicable BFRSs, Bank Companies Act 1991 (amended till 2013), Companies Act 1994, guidelines of Bangladesh Bank and Bangladesh Securities and Exchange Commission (BSEC), the Listing Regulation of Dhaka Stock Exchange (DSE) and other applicable laws and regulations. In addition, the Directors have endeavored to explain certain issues, which they deemed relevant and important to ensure transparency and good governance practices.

Global Economic Outlook for 2017 and Prospects in 2018

The global upswing in economic activity is strengthening, with global growth projected to rise to 3.7 percent in 2018. Broad-based upward revisions in the euro area, Japan, emerging Asia, emerging Europe, and Russia more than offset downward revisions for the United States and the United Kingdom. But the recovery is not complete: while the baseline outlook is strengthening, growth remains weak in many countries, and inflation is below target in most advanced economies. Commodity exporters are particularly hard hit as their adjustment to a sharp step-down in foreign earnings continues. And while short-term risks are broadly balanced, medium-term risks are still tilted to the downside. For policymakers, the welcome cyclical pickup in global activity provides an ideal window of opportunity to tackle key challenges—namely to boost potential output while ensuring its benefits are broadly shared, and to build resilience against downside risks.

The earlier projected increase in growth is strengthening. Notable pickups in investment, trade, and industrial production, coupled with stronger business and consumer confidence, are supporting the recovery. Upward revisions to projections are broad based, including for the Euro area, Japan, China, emerging Europe, and Russia, more than offsetting downward revisions for the United States, the United Kingdom, and India. After disappointing global growth over the past few years, this recent pickup provides an ideal window of opportunity for policymakers to undertake critical reforms to stave off downside risks, raise potential output, and improve living standards more broadly.

Global temperatures have increased at an unprecedented pace over the past 40 years, and significant further warming could occur, depending on our ability to restrain greenhouse gas emissions. This chapter finds that increases in temperature have uneven macroeconomic effects, with adverse consequences concentrated in countries with relatively hot climates, such as most low-income countries. In these countries, a rise in temperature lowers per capita output, in both the short and medium term. Sound domestic policies and development alongside investment in adaptation strategies could help to some extent, but given the constraints faced by low-income countries, the international community must play a key role in supporting these countries' efforts to cope with climate change.

The World Bank forecasts global economic growth to edge up to 3.1 percent in 2018 after a much stronger-than-expected 2017, as the recovery in investment, manufacturing, and trade continues. Growth in advanced economies is expected to moderate slightly to 2.2 percent in 2018, as central banks gradually remove their post-crisis accommodation and the upturn in investment growth stabilizes. Growth in emerging market and developing economies as a whole is projected to strengthen to 4.5 percent in 2018, as activity in commodity exporters continues to recover amid firming prices.

Global growth is expected to be sustained over the next couple of years—and even accelerate somewhat in emerging market and developing economies (EMDEs) thanks to a rebound in commodity exporters. Although near-term growth could surprise on the upside, the global outlook is still subject to substantial downside risks, including the possibility of financial stress, increased protectionism, and rising geopolitical tensions. With output gaps closing or closed in many countries, supporting aggregate demand with the use of cyclical policies is becoming less of a priority. Focus should now turn to the structural policies needed to boost longer-term productivity and living standards.

Growth in the Southeast Asia is forecast to accelerate to 6.9 percent in 2018. Consumption is expected to stay strong, exports are anticipated to recover, and investment is on track to revive as a result of policy reforms and infrastructure upgrades. Setbacks to reform efforts, natural disasters, or an upswing in global financial volatility could slow growth.

Bangladesh Economy

Bangladesh is projected to be among the fastest growing Countries in 2018 with the expected GDP growth of 7.1 percent, supported by vigorous domestic demand, according to a new report of the United Nations. The UN's World Economic Situation and Prospects 2018 Report says: "The Bangladesh economy is set to continue expanding at a rapid pace, underpinned by strong domestic demand, especially large infrastructure projects and new initiatives in the energy sector." In Bangladesh, the growth of gross domestic product is expected to remain above 7.1 percent in 2018 and 7.2 percent in 2019, according to the UN's flagship publication on expected trends in the global economy.

In 2017, inflation declined to record lows in India and Nepal, while it remained relatively muted in comparison to historical figures in Pakistan, Bangladesh and Iran. Inflation is expected to be 5.4 percent in 2018 and 5.5 percent in 2019 in Bangladesh. According to the report, fiscal deficit continues to be moderately high in Bangladesh, at about 5 percent of GDP. The report also said East and South Asia will remain the world's most dynamic and fastest-growing regions, supported by robust domestic demand and accommodative fiscal measures. In 2017, regional GDP expanded by 6 percent, outpacing the rest of the world. The economy is projected to remain relatively steady at 5.8 percent in 2018 and 5.9 percent in 2019.

Banking Industry Outlook 2018

The banking sector in Bangladesh comprises four categories of scheduled banks - State-Owned Commercial Banks (SCBs), State-Owned Development Financial Institutions (DFIs), Private Commercial Banks (PCBs) and Foreign Commercial Banks (FCBs). Therefore, the number of scheduled banks increased to 57 in 2016 from 56 in 2015 and the number of bank branches increased to 9654 in December 2016 from 9397 in December 2015. At the end of June 2017, total number of bank branches increased further to 9720.

Islamic banking system has been operating in Bangladesh since 1983. In FY17, out of 57 banks in Bangladesh, eight PCBs operated as full-fledged Islamic banks and 16 conventional banks (including three FCBs) were involved in Islamic banking through Islamic banking branches and windows. The Islamic banks have continued to show strong growth since its inception, as reflected by the increasing market share of the Islamic banking sector in terms of assets, financing and deposits compared to the total banking system.

Domestic credit growth within 16.4 percent and private sector credit growth within 16.5 percent by June 2017. These are indicative ceilings deemed sufficient to accommodate projected GDP growth target, even allowing for some unforeseen extra growth spurt. The monetary program framework for FY18 is based on the ceiling for broad money and reserve money growth of 13.9 and 12.0 percent, respectively.

In FY17, growth of export fell sharply from 8.9 percent to 1.7 percent, while import witnessed a significant growth of 9.0 percent from 5.9 percent in FY16 leading to wider trade deficit. Remittance also declined sharply by 14.5 percent during FY17. Thus current account balance became negative of USD 1.5 billion although overall balance witnessed a surplus of USD 3.2 billion, mainly supported by the surplus of capital and financial account.

Foreign exchange reserves stood at USD 33.4 billion in June 2017, around 8 months of prospective import. Bangladesh Bank continued efforts to smooth out any large fluctuations in the exchange rate. As a result nominal BDT-USD exchange rate remained broadly stable.

Investment relative to GDP increased marginally over the last few years. It increased to 30.51 percent in FY17 from 29.65 percent in FY16. Private investment increased slightly to 23.10 percent in FY17, from 22.99 percent in FY16, but public investment to GDP increased to 7.41 from 6.66 percent over the same period

The growth of total revenue collection was revised downward to 26.3 percent from the budget of 40.4 percent in FY17 and the actual revenue growth of 18.5 percent in FY16. The downward revision was mainly prompted by the weaker-than-expected tax revenue earnings by the NBR in the original budget of FY17. Total revenue-GDP ratio decreased from 14.0 percent in the original budget in FY17 to 12.6 percent in the revised budget but remained higher than the actual ratio of 10.0 percent of FY16.

Foreign Direct Investment (FDI) is recognized as one of the important components of Bangladesh's foreign reserves in recent years. It contributes as the 2nd largest component of financial account. As a potential source of foreign exchange reserves, FDI has been emphasized by the Government in its 7th five year plan assuming that USD 10.0 billion would be received and accordingly has undertaken various policies for adequate incentives in attracting foreign investors. For those initiatives, net FDI inflow increased significantly by 32.8 percent to USD 1706.0 million in FY17. Portfolio investment also increased significantly to USD 458 million in FY17 compared to the preceding year.

Bangladesh receives the lion's share of remittances from the Middle East countries. During FY17, the highest amount (17.8 percent) of remittance came from Saudi Arabia followed by the United Arab Emirates (UAE) (16.4 percent), United States of America (13.2 percent), Malaysia (8.6 percent), Kuwait (8.1 percent), Oman (7.0 percent) and United Kingdom (6.3 percent). All other countries contributed to 22.5 percent of total remittances over the same period.

The Challenges & Opportunities in Banking Sector in 2018

Growth in FY2017 was higher than expected as consumption picked up in response to rising income, and as public investment strengthened. Inflation was lower than projected, and the current account moved into deficit, as expected, with a wider trade deficit and lower remittances. For FY2018, this Update retains the Asian Development Outlook 2017 growth projection but anticipates slightly lower inflation and a larger current account deficit. Recent flooding is unlikely to affect growth, which could improve if infrastructure development accelerates. Mobilizing domestic revenue remains a priority.

By the support of higher domestic and foreign investments, buoyant trade, capital inflows and favorable inflationary environment, the near and medium-term outlook for Bangladesh economy looks positive in 2018

Rapid countrywide expansion of mobile phone networks and massive modernization of the country's payment systems and financial sector IT infrastructure have opened up opportunities for innovating cost efficient mobile phone based off -branch financial services delivery to the underserved population segments. Utilizing the opportunity, Mobile Financial Services, since inception in 2011, experienced a remarkable growth. MFS becomes a key driver of financial inclusion in transferring money from urban to rural, from privileged to under privileged to fuel the rural economy and in unblocking the advancement opportunities for the un-served and the underserved.

Capital Market Scenario 2017

Nine companies have collected new equity of BDT 0.4 billion from the capital market in FY17, which was lower than BDT 4.3 billion collected by 11 companies in FY16. Of which, BDT 0.1 billion collected through private placements and BDT 0.3 billion collected through public placements. In FY16, equity issued through private and public placements were BDT 0.8 billion and BDT 3.5 billion respectively.

The volume of public offerings was oversubscribed, more than 14 times in FY17, indicating a shortage of new securities in the primary market. Bonus shares worth BDT 19.0 billion were issued in FY17 by 117 companies against retained profits. This was lower than BDT 22.7 billion issued by 109 companies in FY16. On the other hand, right shares worth BDT 8.6 billion were issued in FY17 by four companies which were higher than BDT 2.2 billion issued by two companies in FY16.

As percentage of market capitalization, secondary market are dominated by the manufacturing sector with 38.7 percent share followed by services and miscellaneous sector (33.9 percent), financial sector (27.2 percent) and corporate bonds (0.18 percent) at the end of FY17. In the DSE, market capitalization inclusive of new issues increased by 19.3 percent to BDT 3801.0 billion at the end of FY17 from BDT 3185.7 billion at the end of FY16 which was 19.4 percent of GDP (at current market price). In case of the CSE, it was also increased by 24.2 percent to BDT 3113.2 billion at the end of FY17 which was 15.9 percent of GDP (at current market price). Besides, amount of turnovers in the secondary market at DSE and CSE has increased by 68.3 percent and 51.2 percent respectively in FY17 compared to that of FY16. DSE broad index (DSEX) and CSE all-share price index have increased by 25.5 percent and 12.9 percent to 5656.1 and 15580.4 respectively in FY17 as well

Risk in banking has been evolving over the past decade. The global financial crisis underlined the importance of sound and comprehensive risk governance. Managing high risk in banking operations, issue of effective internal control system, corporate governance, transparency, accountability have become major components to ensure smooth performance of the banking industry throughout the world. Internal control system ensures the effective control measures of the whole operations; the scope of internal control is not limited to audit work. It is an integral part of the daily activity of a bank, which on its own merit identifies the risks associated with the process and adopts a measure to mitigate the same. Besides, Internal Audit reinforces the control system through regular review.

With a view to establishing an independent Risk Management Unit, ICB Islamic Bank Limited formed a Committee with senior management team, called Audit Risk Management Committee (ARMC). This committee oversees reviews, assesses and recommends on the findings and lapses reported by Internal Control and Compliance Department (ICCD) to the Audit Committee of the Board.

The Board of Directors and Senior Management of the Bank try to develop a high ethical and moral standard to ensure strong compliance culture in the Bank. In this context, the Bank gives priority on the following issues:-

- (i) To encourage employees to comply with all the policies, procedures and regulations;
- (ii) To maintain continuous liaison with the regulators to obtain regular information on regulatory changes; and
- (iii) To establish an effective communication process to sensitize the officials of the concerned Divisions and Branches of the relevant regulations.

Internal Control and Compliance

Internal Control is a process effected by bank's Board of Directors and management team to provide reasonable assurance regarding the achievement of effective and efficient operations, reliable financial reporting and compliance with applicable laws, regulations and internal policies. The Internal Control Process of the bank reviews and updates the operation procedure in line with laws and regulations imposed by bank company act, Bangladesh Bank and other regulatory bodies round the year.

Internal Control and Compliance ensures that the bank employees are performing their duties according to the laws, regulations and internal policies for achieving goals of the bank. The Internal Control and Compliance Framework of the bank designed to mitigate risks of the bank. It also provides reasonable assurance of effectiveness against material misstatement of management and financial information or against financial losses and fraud and compliance with the applicable laws and regulations.

ICB Islamic Bank Limited has a strong Internal Control and Compliance Division comprised of three (3) departments; Audit and Inspection Department, ICC Compliance Unit and ICC Monitoring Unit as per ICC guidelines of Bangladesh Bank. The Audit and Inspection department is responsible for periodic and special inspection of all branches and Head Office departments. The Compliance Unit ensures the corrective measures taken by the branches and Head Office department. The Monitoring Unit confirms that the branches and departments are following the instructions for avoiding repetition of the same mistakes.

Information Technology

Technology plays a critical role in the performance of core functions of the bank. The rapid progress in information technology is transforming the way by adapting state-of-art technology platform. For ICB Islamic Bank Limited (ICBIBL), the key to success in such a demanding market situation is to be equipped with a proven and versatile IT solution, which has the capability of defining new products and services, coupled with the ability to access and manage information on a continuous real time basis.

Bangladesh government also has taken IT as a thrust sector. Several initiatives have been taken during last couple of years to make a "Digital Bangladesh". Like other areas, Banking Sector in Bangladesh has also adopted IT as the key business enabler.

In line with the Core Banking Solution (CBS), ICBIBL has successfully introduced various services like Bangladesh Automated Cheque Processing System (BACPS) as well as Bangladesh Electronic Fund Transfer Network (BEFTN), ICBIBL system is also connected with central banks' NPSB (National Payment System of Bangladesh), RTGS (Real Time Gross Settlement), Anti Money laundering transactions online reporting module (GoAML), Bulk Data Upload of IMP/EXP data, Updated Online CIB (credit Information Bureau) reporting, Automation of Bangladesh Bank ISS (Integrated Supervision System) reporting, Automation of Bangladesh Bank's Risk Management Report module as per Bangladesh Bank (Central Bank) guide line. For betterment of customers' services, Bank has expressed and deployed different channels like ATM, POS, Debit Cards, Document Repository, easy Pay, and Transactions Alert through SMS etc services. In order to secure financial transactions, customer data and prevent money laundering, ICBIBL has introduced Sanction Screening and a unique SMS and Mail notification system for SWIFT payment procedures which has reduced cyber attack risk significantly. To make the Banking faster, easier, more efficient and even more effective to serve the customers on 24 hours a day, 365 days a year, Bank will soon provide the Internet and Mobile Banking facilities.

A dependable Management Information System (MIS) is essential for efficient management of data and providing the quick information to the management as and when required basis which is used by the bank. Nowadays, in financial sector, especially in the banking sector security is the main concern, to protect from any kind of intrusion for both internal and external threats. In order to meet this objective, we have prepared an ICT Security Policy as per Central Bank guide line which is used by the bank to accelerate in terms of information generation, utilization and applications.

Anti-Money Laundering Department

In response to the growing concern about money laundering and terrorist activities, the international community has been acting on many fronts. The United Nations (UN) was the first international organization to undertake significant actions to fight against money laundering through adopting several conventions and resolutions.

In line with international efforts, Bangladesh has taken a number of initiatives to prevent money laundering and combat terrorist financing and proliferation of weapons of mass destruction.

In the wake of recent incidents of money laundering in the country, we have to be extra cautious about money laundering and financing of terrorists. It is high time for banks to prioritize unity against money laundering and terrorist financing activities to protect the integrity and stability of Bangladesh's financial system.

ICB Islamic Bank is committed to protect itself from laundering activities in line with global best practices. Bank's Money Laundering & Terrorist Financing Risk Assessment Guideline is prepared in line with Money Laundering Prevention Act, 2012 by the latest amendment and Anti-Terrorism Act, 2009 (revised 2012 & 2013) of Bangladesh Govt. Circulars and messages are issued recalling the importance of the issue. Training programs on prevention of money laundering are being conducted regularly.

Automation is one of the key tools for combating money laundering and terrorist financing. ICB Islamic bank has implemented goAML Software for online reporting of Cash Transaction Report (CTR) & Suspicious Transaction Report (STR). Bank has also implemented Automated Sanction Screening. Implementation of on-line verification of National ID is under process.

Anti Money Laundering Risk Management

ICBIBL has taken preventive measures against money laundering and terrorist financing by following the guidelines of Money Laundering Prevention Act (Amendment) 2012, Anti-Terrorism Act (Amendment) 2012 and circulars issued by Bangladesh Financial Intelligence Unit to mitigate the risk. As per the rules and regulation of BFIU, ICBIBL applies the sensitive Customer Due Diligence (CDD) measures. The activities of AML Department of ICBIBL are mentioned below:

- Update the Money Laundering and Terrorist Financing Risk Assessment guide line according to Bangladesh Financial Intelligence Unit regulations which is being approved by the Board of Directors;
- Implemented GoAML Software for CTR and STR reporting and now it is being reported online;
- Implemented Automated Sanction Screening in the branches and Head Office;
- Ensuring regular monitoring, compliance and accountability at Business points of ICBIBL through Chief Anti-Money Laundering Compliance Officer (CAMLCO), Deputy Chief Anti-Money Laundering Compliance Officer (D-CAMLCO) and Branch Anti-Money Laundering Compliance Officer (BAMLCO) of 33 Branches;
- Regularly conducting Training program for prevention of money laundering and terrorist financing in all the branches of ICBIBL;
- Holding the meetings periodically both at Head Office and Branches to ensure compliance with BFIU instruction.

Consumer Banking Performance

Continued Surplus liquidity of 2016 took its toll on retail loan margins in 2017 with price wars on home loans and massive portfolio acquisition by liquid banks with a retail focus. ICBIBL has diligently used the market circumstances to manage the irregular clients, reduce non performing portfolio, increase portfolio profitability and minimize attrition of good clients through timely interventions. Although portfolio has not grown significantly portfolio health has improved and ICBIBL has also used the opportunity to gear up for more competitive price offering in 2017 through deposit mobilization campaigns to bring down cost of funds and improve competitiveness of the Bank's pricing strategy. More than BDT.51.31 crore has already been raised in the campaigns alone and a strong pipeline continues to build and flow in.

Here at ICBIBL, we believe that increase in knowledge and experience of our staff directly correlates to service quality both in terms of ability to address client needs as well as provide effective and efficient after sales support. With this in mind, Consumer banking initiated a number of training sessions across all the branches to improve the product and service knowledge of branch staff.

**Corporate Banking**

We have used 2017 to inculcate corporate banking into our portfolio. A new head office based team has been put in place and will deliver results for us in 2018.

Strategies and initiatives:

In 2017, we have successfully initiated deposit and investment campaigns where both staff and existing clients had the opportunity to participate. This inclusive approach was deliberate and provided an opportunity for us to intensify our client relationships for the customers as well as the employees of the Bank. We have a running "Frozen Deposit Campaign" to encourage the frozen depositors to retain their deposits at a higher profit rate as well as an instant gift (Hiba).

The business channel has been strengthened with several recruitments on the business end and back office along with the recruitment of "Head of Business" to assist the branches for achieving the branch target, proper borrower selection at the initial stage, faster preparation of business proposal and negotiate with IRM to create SME sustainable portfolio of branches as well as increase the business portfolio.

The trainings were ongoing throughout the year 2017 for increasing knowledge base of the staffs and to overcome the hurdles in the business. We intend to continue the trainings and campaigns throughout the year 2018.

SME Banking Wing:

SMEs are the greatest contributors to the Bangladesh economy and ICIBL is committed to facilitating their growth and development through providing a portfolio of products and services that address their needs for working capital, procurement of machinery and equipment and a full spectrum of trade finance services.

A comprehensive suite of products are on shelf and Relationship Managers are trained in the identification of the right product combination to tailor need based solutions for individual clients.

Cash Management Wing:

In today's competitive financial environment, effective cash management has become a critical success factor. For corporate & institutional type customers it is the right time to have an integrated cash management solution. Corporations presently find themselves in an increasingly competitive local, regional and global marketplace. Businesses have to focus on staying profitable while managing heightened credit risk and narrowing margins. Keeping in view the challenges of our business environment, ICB Islamic Bank is putting its efforts for developing a range of Cash Management products and solutions that accelerate inflows, maximize liquidity, reduce credit risks, automate payments and strengthen reconciliation. At ICIBL we strive for proposing the target market with value added products & services and attempt for offering end to end solutions that optimize cash flows, reduce operating costs and lead towards an enhanced interest income.

We endeavor for offering industry competitive solutions in keeping with the Bank's strategic vision. Our Cash Management services include local payments, collections, information management, account services, liquidity management and investment services for both corporate and institutional clients.

Through the process of transformation we are gaining the core knowledge and expertise in understanding customers' needs, problems and a quick resolution formula, enabling us to become the 'right partner' to our valued clients.

Appraisal of the Managing Director & CEO

At the beginning of each year the Board discusses with the Managing Director & CEO and sets financial and non financial goals. The annual financial budget and job objectives are discussed, reviewed and finalized by the Board at the start of the financial year. The business and financial targets are evaluated in each quarter with actual achievements by the Board. The non financial achievements are also reviewed by the Board in each quarter. Moreover, a yearly assessment and evaluation of the achievements of pre agreed targets are made at the close of the year along with the deviations, and reasons of deviations.

Delegation of power

The Board has delegated appropriate finance and business power to the Management as per guidelines of the Bangladesh Bank. In order to have proper functioning and quick disposal of credit proposal, the Board has delegated authority to the Executive Committee of the Board to approve proposal within certain limit. The delegation has supported the operation in positive manner.

Committees of the Board

The Board has three (3) standing committees; Executive Committee, Audit Committee and Risk Management Committee. These Committees are functioning within the clear Terms of Reference (TOR). The Company Secretary act as the Secretary to each Committee.

Executive Committee

As approved by Bangladesh Bank, the Board has Executive Committee (EXCO) and the number of members of the Committee are three (3). The Executive Committee reviews the policies and guidelines issued by Bangladesh Bank regarding credit and other operations of the banking industry. The Executive Committee of the Board approves the credit proposals as per approved policy of the Board. It ensures the implementation of the policies and guidelines through the management. The Management ensures due diligence of the credit policy and risk management at the time of submitting the credit proposals. The establishment of the EXCO is provided for under clauses 72 & 73 of the Bank's Memorandum and Articles of Association. In compliance with the BRPD circular No 11 dated 27 October 2013, the Board of Directors of ICB Islamic Bank Limited has reconstituted its Executive Committee with the following members:

SI No.	Name of Members	Positions in the EXCO
1.	Datuk Mohd. Nasir Bin Ali	Chairman
2.	Ms. Lee Ooi Kim	Member
3.	Mr. Muhammad Shafiq Bin Abdullah	Managing Director & CEO

Since the current size of the Board of ICB Islamic Bank Limited (five members) is slim enough to hold meetings on a regular basis, there were not so many urgent issues for Executive Committee to deal with during 2017. Therefore, there was no Executive Committee meeting held during the period of 2017.

Audit Committee

In compliance with the directive of BRPD Circular No-11 dated October 27, 2013 of Bangladesh Bank and the Notification of Bangladesh Securities and Exchange Commission No. SEC/CMRRCD/2006-158/134/Admin/44 dated August 7, 2012 the Board constituted an Audit Committee. The Audit Committee examines the status of implementation of the Bank's policies and manuals, Bangladesh Bank's guidelines. The Internal Audit team of the Bank undertakes various special audits as per advice of the Audit Committee. The Audit Committee meets with the External Auditors to discuss audit plan, the risk management processes of the Bank. They also discuss the preparation of the financial statements of the Bank as per Bangladesh Accounting Standards (BAS) and International Accounting Standards (IAS).

- The members of the Board are always encouraged to attend seminar and symposium regarding corporate governance and corporate social responsibility;
- The Board encourages active participation of the shareholders in the Annual General Meeting. The suggestions of the shareholders are given due recognition;
- Review and approve proposals on compromised Settlement/ Re-schedulement in respect of classified investment within the limits defined by the Board;

Bangladesh Securities and Exchange Commission issued Corporate Governance Guidelines vide Notification dated 7th August 2012 for the companies listed with Stock Exchanges. Bangladesh Bank also issued a guideline for Corporate Governance in Bank Management vides BRPD circular no. 11 dated 27 October 2013.

Benefit provided to Directors and Managing Director & CEO

As per Bangladesh Bank BRPD Circular No.18 dated 27 October 2013, banks in Bangladesh can provide only the following facilities to the Directors:

- The Chairman of the Board of Directors may be provided car, telephone, office chamber and private secretary;
- In addition to the above, Directors including the 'Independent Director' are entitled to fees and other benefits for attending the Board, Executive Committee, Audit Committee, Risk Management Committee and Shari'ah Supervisory Committee Meetings;
- Managing Director & CEO is paid salaries and allowances as per approval of the Board and the Bangladesh Bank;

The bank has fully complied with the Bangladesh Bank Circular and Instruction.

Management

The Management team of ICB Islamic Bank Limited is headed by the Managing Director & CEO, Mr. Muhammad Shafiq Bin Abdullah. Several management committees have been formed to handle the banking operation and identify and manage risk. The committees are MANCOM, ALCO and Local Investment Committee. The Managing Director & CEO leads the Committees. As per Bangladesh Bank's instruction, 'Basel-II Implementation Committee' has been formed which is responsible for proper implementation of Basel-II capital adequacy guidelines in the Bank.

Regulation and Supervision

ICB Islamic Bank Limited is governed by Bangladesh Bank's rules and regulation on various issues of banking operation. The Bank Company Act 1991 (amended till 2018) and various circulars issued by Bangladesh Bank forms the basis of supervision. Various requirements and controls are imposed covering inter-alia capital adequacy, depositors' protection, risk management, market and liquidity, anti money laundering compliance, prudential guidelines on financing, reporting standard etc. They also undertake comprehensive and special audit of the Bank. Bangladesh Bank regularly meets with senior executives of the Bank, discusses issues regarding adherence to the standards and guidelines by the Bank.

Audit by Bangladesh Bank

Bangladesh Bank also conducted comprehensive inspection of Head Office and branches of the Bank during 2017. They have also audited our Treasury Operation and IT Risk Management processes. The reports are reviewed by the Board and its Audit Committee. The Bank gives utmost importance to the inspection report and corrective actions are taken regarding the inadequacies or lapses mentioned in the report.

IT Audit and Security

Information system is the means of support of any large business. Computer systems do not merely record business transactions, but actually drive the key business processes of the enterprise. In such a scenario, senior management and business managers do have concerns about information systems; primary concern is Information security. Information Security protects information from a wide range of threats in order to ensure business continuity, minimize business damage, and maximize return on investment. Information security system is built on the following needs:

- Accessibility** : The system should be able to provide accurate data and information on time and whenever required. The system should be protected against all type of losses and disasters;
- Confidentiality** : To maintain adequate control on the users and uses of the data to maintain secrecy;
- Reliability** : Information provided by the system should be always accurate, reliable and timely. There should be check and balances for stopping any unauthorized modification to the data or software.

Information Systems audit is a part of the overall audit process, which is one of the facilitators for good corporate governance. IT audit is basically the process of collecting and evaluating evidence to determine whether a computer system safeguards assets, maintains data integrity, achieves organizational goals effectively and consumes resources efficiently.

ICB Islamic Bank Limited is fully dependent on information technology for its smooth operation and to provide customer services. Information and information system controls in an IT driven environment suffer from significant inherent risks such as data loss, corruption of data, risk of unauthorized access to and modification to data in electronic form, risk of logical access to instruction sets, data files and critical systems settings etc.

Internal IT Audit provides an objective means of reviewing the risks faced by the bank in relation to use of information technology and assess whether they are being controlled/mitigated in an effective and efficient manner; provide an assessment of the Bank's IT control against "Guideline on ICT for Scheduled Banks and Financial Institutions" of Bangladesh Bank.

Internal Control and Compliance

Internal Control contains self-monitoring mechanisms, and actions are taken to correct deficiencies as they are identified. Effective internal control, no matter how well designed, has intrinsic precincts including the possibility of the circumvention or overriding of controls and therefore can provide only reasonable assurance with respect to financial statement preparation. Further, because of changes in conditions, internal control effectiveness may vary over the time.

Modern bank management and supervision mainly focus on risk factors in banking. ICB Islamic Bank Limited has taken all efforts to mitigate all sorts of risk as per guidelines issued by Bangladesh Bank. As a part of robust risk management process, the Bank has formulated a comprehensive Credit Risk Management Policy to address credit risk. To mitigate operational risk, money laundering and terrorist financing risk, circumvention or overriding the internal control procedure Internal Control & Compliance Departments are carrying out regular audit and inspection of the functions of the branches. Deficiencies/lapses/irregularities detected by these audit and inspection are rectified/regularized by the concerned branches at the earliest and compliance reports are being submitted to Head Office. The Bank prepared the Risk Assessment Matrix of various banking functions and incorporated the same in Departmental Control Function Checklist (DCFCL). The branches and divisions of Head Office are following the DCFCL attaching due importance to high risk and medium risk functions. The Bank also prepared Internal Control and Compliance Manual to strengthen internal control function.

Corporate Social Responsibility

There is increasing recognition by the Corporate that 'Corporate Social Responsibility' (CSR) can be a key differential element and means for achieving greater sustainability, delivering sustainable profit growth for long-term benefits of our shareholders, building sustainable customer relationships and demonstrating to stakeholders that our business contributes to the environment, social and economic well being of the world at large. ICB Islamic Bank Limited supports the concept of "Triple Bottom Line" which focuses on:

- Better economic performance
- Superior social live out
- Excellent ecological practice

In respect of CSR, ICB Islamic Bank Limited has focused on following specific key areas of:

- Nation building
- Augmentation of market position
- Sponsorship of the work place
- Prop up to the community
- Fortification of environment

Nation Building

The finest way to shore up the country is to do something better in the area of operation. ICIBL constantly showed sturdy performance which has helped the control of the banking sector. The local and international recognition of the published accounts has helped to establish integrity of the country's financial system. ICIBL will continue to play the key role in this regard. Retail and SME financing have become keys to economic growth of the country and without opening up of the financial sector to semi urban and rural areas, the projected growth of 7.0 percent will not be achievable. ICIBL has given strong focus in these areas which are evident from the growth rate achieved during the year. Public service has still to achieve a desirable level and as such emphasis is also given on infrastructure development which includes financing for communication, telecommunication, bridge, road & highways etc. This will have positive impact in national growth.

Supplier payment policy

ICIBL always adheres to well set payment policies for all suppliers and explains them in details about the payment method and system and reviews process before providing work order. Bills are paid according to the payment terms and VAT and other withholding taxes are deducted from bills as per law. As of date there is no legal case filed by the Bank or filed against the Bank by any supplier.

Contribution to National Exchequer

ICIBL has contributed significantly to the government effort in collection of revenue. As per law, the Bank deducts at sources income taxes, VAT and excise duty from various payments and services and deposits the same to government exchequer. Besides, the Bank also pays income tax on its earnings.

Capacity Development in the Banking and Financial Sector

ICIBL believes that professional development of the people working in the banking and financial sector will greatly help to mitigate various risk elements involved in banking transactions. With that aim in view, the Bank took some exclusive initiatives which were appreciated by the participants.

During the year 2017, the Head Office of ICIBL arranged discussion meetings and held formal and informal discussions on various Shariah issues. Members of Shariah Supervisory Committee, prominent thinkers on Islamic principles and customers participated in the discussion meeting.

ICIBL encourages the participation of graduates in the business processes of the Bank through its internship program. This program of the Bank allows fresh and meritorious graduates from Business Schools and Universities to get practical experience about the different processes in banking. These experiences help them to plan their career path more successfully.

Sponsorship of Environment

ICIBL is always committed in discharging its due social obligation and is particularly concerned about the impact of Bank's financed projects on environment. A policy on Green Banking is formulated in accordance with guidelines issued by the Bangladesh Bank. As per the policy, ecological impact will be considered at the time of credit and lending risks analysis.

The Bank participated in many socially dependable and desirable projects/ventures during the year 2017. The Bank continued its support for establishment and operation of effluent treatment plants for ready-made garments and dyeing projects/companies and assisted conversion of vehicles of the Bank transportation pool and those of employees to run on CNG.

Annual disclosure under Pillar-III of Basel-III as of December 31, 2017

Scope and purpose

The purpose of disclosures in pursuance of the Market Discipline as required by the Revised Capital adequacy Framework under Basel III is to complement the minimum capital requirements and the supervisory review process. The aim of such disclosure is to establish more transparent and more disciplined financial market so that stakeholders can assess the position of the Bank regarding holding of assets and to identify the risks relating to the assets and capital adequacy to meet plausible loss of assets. For the said purpose, the Bank developed the set of disclosure containing the key pieces of information on the assets, risk exposures, risk assessment processes, and hence the capital adequacy to meet the risks.

The Bank is in process of obtaining approval by the Board of Directors of a formal disclosure framework which will include the validation and frequency of such disclosure.

Relations with accounting disclosures

a) The disclosure framework does not conflict with requirements under accounting standards as set by Bangladesh Bank from time to time. Moreover, Bank's disclosures are consistent with how senior management and the Board of Directors make assessment and manage the risks of the Bank.

b) Under Minimum Capital Requirement, Bank used specified approaches/ methodologies for measuring the various risks they face and the resulting capital requirements. It is believed that providing disclosures that are based on a common/ harmonized framework is an effective means of informing the stakeholders about the Bank's exposure to those risks and provides a consistent and comprehensive disclosure framework of risks and its management that enhances comparability

c) The disclosure has adequate validation and is consistent with the audited Financial Statements.

Materiality of disclosure

The Bank discloses all relevant and material Information individually or in aggregate whose omission or misstatement could change or influence the assessment or decision of an user relying on such information for the purpose of making economic decision.

Frequency of disclosure

a) The Bank provided all required disclosures in both qualitative and quantitative forms annually, as at end of March every year along with the annual financial statements. The Bank also submits a copy of the disclosures to the Department of Off-site Supervision of Bangladesh Bank. The Bank made the annual disclosures in the official website of the Bank: www.icbislamic-bd.com. Qualitative disclosures provide a general summary of the Bank's risk management objectives and policies, reporting system and definitions.

b) The disclosure on the websites is made in a web page titled "Disclosures on Risk Based Capital (Basel III)" and the link to this page is prominently provided on the home page of the bank's website. Each of these disclosures pertaining to a financial year is available on the websites until disclosure of the 4th subsequent annual (as on March 31) disclosure is made.

Disclosure framework

According to the revised Risk Based Capital Adequacy Guidelines the Bank requires general qualitative disclosure for each separate risk area (e.g. Investment, market, operational, banking book interest rate risk, equity). The Bank must describe their risk management objectives and policies, including:

- Strategies and processes;
- The structure and organization of the relevant risk management function;
- The scope and nature of risk reporting and/or measurement systems;
- Policies for hedging and/or mitigating risk and strategies and processes for monitoring the continuing effectiveness of hedges/mitigations.

The following components set out in tabular form are the disclosure requirements:

- a) Scope of application
- b) Capital structure
- c) Capital adequacy
- d) Investment Risk
- e) Equities: disclosures for banking book positions
- f) Interest rate risk in the banking book (IRRBB)
- g) Market risk
- h) Operational risk

(a) Definition of Past Due and Impaired Investments: ICBIBL is following the Bangladesh Bank guidelines and definition of past due and impaired investments for accounting purposes as below:	
(1) Past Due/Over Due: (i) Any Continuous Investment if not repaid/renewed within the fixed expiry date for repayment bank will be treated as past due/overdue from the following day of the expiry date. (ii) Any Demand Investment if not repaid/rescheduled within the fixed expiry date for repayment will be treated as past due/overdue from the following day of the expiry date. (iii) In case of any installment(s) or part of installment(s) of a Fixed Term Investment is not repaid within the fixed expiry date, the amount of unpaid installment(s) will be treated as past due/overdue from the following day of the expiry date. (iv) The Short-term Agricultural and Micro-Credit if not repaid within the fixed expiry date for repayment will be considered past due/overdue after six months of the expiry date.	
(2) All unclassified Investment other than Special Mention Account (SMA) will be treated as Standard.	
(3) A Continuous Investment, Demand Investment or a Term Investment which will remain overdue for a period of 02 (two) months or more, will be put into the "Special Mention Account (SMA)". This will help banks to look at accounts with potential problems in a focused manner and it will capture early warning signals for accounts showing first sign of weakness. Investments in the "Special Mention Account (SMA)" will have to be reported to the Credit Information Bureau (CIB) of Bangladesh Bank.	
(4) Investment except Short-term Agricultural & Micro-Credit in the "Special Mention Account" and "Sub-Standard" will not be treated as defaulted Investment for the purpose of section 27KaKa(3) [read with section 5(GaGa)] of the Banking Companies Act, 1991.	
(5) Any continuous Investment will be classified as: i. 'Sub-standard' if it is past due/overdue for 03 (three) months or beyond but less than 06 (six) months. ii. 'Doubtful' if it is past due/overdue for 06 (six) months or beyond but less than 09 (nine) months iii. 'Bad/Loss' if it is past due/overdue for 09 (nine) months or beyond.	
(6) Any Demand Investment will be classified as: i. 'Sub-standard' if it remains past due/overdue for 03 (three) months or beyond but not over 06 (six) months from the date of expiry or claim by the bank or from the date of creation of forced investment. ii. 'Doubtful' if it remains past due/overdue for 06 (six) months or beyond but not over 09 (nine) months from the date of expiry or claim by the bank or from the date of creation of forced investment. iii. 'Bad/Loss' if it remains past due/overdue for 09 (nine) months or beyond from the date of expiry or claim by the bank or from the date of creation of forced investment.	
(7) In case of any installment(s) or part of installment(s) of a Fixed Term Investment is not repaid within the due date, the amount of unpaid installment(s) will be termed as "past due or overdue installment". In case of Fixed Term Investments: - i. If the amount of past due installment is equal to or more than the amount of installment(s) due within 03 (three) months, the entire Investment will be classified as "Sub-standard". ii. If the amount of past due installment is equal to or more than the amount of installment(s) due within 06 (six) months, the entire Investment will be classified as "Doubtful". iii. If the amount of 'past due installment is equal to or more than the amount of installment(s) due within 09 (nine) months, the entire Investment will be classified as "Bad/Loss". Explanation: If any Fixed Term Investment is repayable on monthly installment basis, the amount of installment(s) due within 06 (six) months to the sum of 06 monthly installments. Similarly, if the Investment is repayable on quarterly installment basis, the will be equal amount of installment(s) due within 06 (six) months will be equal to the sum of 2 quarterly installments.	
(8) The Short-term Agricultural and Micro-Credit will be considered irregular if not repaid within the due date as stipulated in the investment agreement. If the said irregular status continues, the credit will be classified as 'Substandard' after a period of 12 months, as 'Doubtful' after a period of 36 months and as 'Bad/Loss' after a period of 60 months from the stipulated due date as per the Investment agreement.	
Description of approaches followed for specific and general allowances and statistical methods: ICBIBL is following the general and specific provision requirement as prescribed by Bangladesh Bank time to time.	

Investment Risk Management Policies :

The Bank has put in place a well-structured Investment Risk Management Policy known as Investment Policy Manual (IPM) approved by the Board in 2008. The Policy document defines organization structure, role and responsibilities and, the processes whereby the Investment Risks carried by the Bank can be identified, quantified and managed within the framework that the Bank considers consistent with its mandate and risk tolerance.

Besides the IPM, ICIBL also frames Product Program Guidelines (PPG) as and when necessary to address any regulatory issues or establish control points. Bank also has a system of identifying and monitoring problem accounts at the early stages of their delinquency through implementation of Sales Routine so that timely corrective measures are initiated.

The Bank manages its Investment risk through continuous measuring and monitoring of risks at each obligor (client) and portfolio level. The Bank is following the Bangladesh Bank prescribed Credit Risk Grading modules (CRGM) and has internally developed well-established Investment appraisal/approval processes. The CRGM capture quantitative and qualitative issues relating to management risk, business risk, industry risk, financial risk and project risk. Besides, such ratings consider transaction specific Investment features while assessing the overall rating of a client. ICIBL is also considering credit ratings of the client assessed by ECAs while initiating any Investment decision. A well structured Delegation and Sub-delegation of Investment Approval Authority is prevailing at ICIBL for ensuring good governance and better control in Investment approval and monitoring

Table as per Disclosure Framework – 7	Market risk
Qualitative Disclosures	
Market Risk is defined as the possibility of loss to a Bank caused by changes in the market variables such as interest rates, foreign currency exchange rates, equity prices and commodity prices. Bank's exposure to market risk arises from investments (interest related instruments and equities) in trading book [HFT categories] and the Foreign Exchange positions. The objective of the market risk management is to minimize the impact of losses on earnings and equity. The Bank has put in place Board approved Asset Liability Management Policy for effective management of Market Risk in the Bank. In order to assess impact on capital due to adverse movement in trading book, ICIBL calculated Stress Testing in accordance with the requirements of the Bangladesh Bank Guidelines. The Bank is going to finalize comprehensive Investment policy and also policy. The policies set various risk limits for effective management of Market Risk and ensuring that the operations are in line with Bank's expectation of return to market risk through proper Asset Liability Management. The policies also deal with the reporting framework for effective monitoring of Market Risk. The ALM Policy specifically deals with liquidity risk management and interest rate risk management framework. As envisaged in the policy, Liquidity Risk is managed through GAP & Duration analysis, based on residual maturity/behavioral pattern of assets and liabilities, on a daily basis based on best available data coverage, as prescribed by the Bangladesh Bank. Liquidity profile of the Bank is evaluated through various liquidity ratios. The Asset Liability Management Committee (ALCO)/Board monitors adherence of prudential limits fixed by the Bank and determines the strategy in light of market conditions (current and expected) as articulated in the ALM policy. The Mid Office at the Treasury also monitors adherence of prudential limits on a continuous basis.

Table as per Disclosure Framework – 8	Operational risk
Qualitative Disclosures	
Operational Risk is the risk of loss resulting from inadequate or failed internal processes, people and systems or from external events. Operational risk includes legal risk but excludes strategic and reputation risks.	
Bank is still at the initiation stage of required policies and procedures for all areas of its operations. Bank strictly follows KYC norms for its customer dealings and other banking operations. The Bank is going to frame Operational Risk Management Policy to be approved by the Board. Supporting policies already been adopted by the bank which deal with management of various areas of operational risk are (a) Operational Manual for General Banking (b) Compliance Risk Management Policy, (c) FX Risk Management Policy (d) Policy Document on Know Your Customers (KYC) and Anti Money Laundering (AML) Procedures (e) IT Business Continuity and Disaster Recovery Policy etc. The newly established Risk Management Unit and Risk Management Department are working on preparing risk inventory for Bank to introduce Risk Log as well as Risk Register.	
For the current year Bank has adopted Basic Indicator approach to assess the capital under operational risk. In terms of new capital adequacy norms, Banks' operational risk capital charge has been assessed at 15% of positive annual average Gross Income over the previous three years as defined by BB.

Table as per Disclosure Framework – 9	Liquidity Risk
---------------------------------------	----------------

As per Bangladesh Bank BRPD circular No. 18 dated December 21, 2014, Bangladesh Bank has strengthened the liquidity framework by developing two minimum standards for funding liquidity; one is Liquidity Coverage Ratio (LCR) and another is Net Stable Funding Ratio (NSFR).

Qualitative disclosure	a) i) Views of BOD on system to reduce	Liquidity risk arises when the Bank cannot maintain or generate sufficient funds to meet its payment Liquidity Risk obligations as they fall due or can only do so at a material loss. This can arise when counterparties who provide funding to the Bank withdraw or do not roll over a line of funding or as a result of a general disruption in financial markets which lead to normal liquid assets becoming illiquid. The main sources of the Bank's funding are capital, core deposits from retail and commercial clients, wholesale deposits and access to borrowed funds from the interbank money market. ICB Islamic Bank manages liquidity risk in accordance with regulatory guidelines internal benchmarks. A Board approved Liquidity Policy to manage liquidity on a day-to-day basis and a Contingency Funding Plan to deal with crisis situations are in place.
------------------------	--	---

	ii) Methods used to measure Liquidity risk.	Measurement Methodology: The equation: Liquidity Coverage Ratio (LCR):- $\text{LCR} = \frac{\text{Stock of high quality liquid assets}}{\text{Total net cash outflows over the next 30 calendar days}} \geq 100\%$ 95.28 crore LCR = $\frac{95.28}{137.13}$ 137.13 crore LCR = 69.48% Net Stable Funding Ratio(NSFR): The equation: Available amount of stable funding NSFR= $\frac{\text{Available amount of stable funding}}{\text{Required amount of stable funding}} \geq 100\%$ 906.34 crore NSFR = $\frac{906.34}{1088.42}$ 1088.42 crore NSFR = 83.27%
	iii) Liquidity Risk Management system.	Treasury Division manages the liquidity risk and ALCO monitors the activities of Treasury Division in managing such risk.
	iv) Policies and processes for mitigating liquidity risk.	To mitigate the several liquidity risks, the Bank formed Asset Liability Management Committee (ALCO) who monitors the Treasury Division's activities to minimize the liquidity risk. ALCO is primarily responsible for establishing the liquidity risk management and asset liability management of the Bank, procedures thereof, implementing core risk management framework issued by the regulator, best risk management practices followed by globally and ensuring that internal parameters, procedures, practices / policies and risk management prudential limits are adhere to.

Leverage Ratio

As per Bangladesh Bank BRPD circular No. 18 dated December 21, 2014, leverage ratio has been introduced.

Qualitative disclosure	a) i) Views of BOD on system to reduce excessive leverage	In order to avoid building-up excessive on- and off-balance sheet leverage in the banking system, a simple, transparent, non-risk based leverage ratio has been introduced. The leverage ratio is calibrated to act as a credible supplementary measure to the risk based capital requirements. The leverage ratio is intended to achieve the following objectives: a) constrain the build-up of leverage in the banking sector which can damage the broader financial system and the economy; and b) introduce additional safeguards against model risk and measurement error by supplementing the risk-based measure with a simple, transparent, independent measure of risk.
	ii) Policies and processes for mitigating market risk.	To mitigate excessive on and off-balance sheet leverage, the Bank formed Basel Unit who monitors the implementing status of Basel –III within the Bank as per the guidelines on risk based capital adequacy issued by Bangladesh Bank.
	iii) Approach for calculating leverage ratio	A minimum Tier 1 leverage ratio of 3% is being prescribed both at solo and consolidated level. The banks will maintain leverage ratio on quarterly basis. The calculation at the end of each calendar quarter will be submitted to BB showing the average of the month end leverage ratios based on the following definition of capital and total exposure. Tier 1 Capital (after related deductions) Leverage Ratio = ----- Total Exposure (after related deductions) (1109.52) Crore Leverage Ratio = ----- 1124.37 Crore Leverage Ratio = (-98.68)%

The Chairman, Directors and Managing Director & CEO and representatives guests and shareholders attended the meeting.

Independent Auditors' Report

to the shareholders of ICB Islamic Bank Limited

We have audited the accompanying financial statements of ICB Islamic Bank Limited ("the Bank"), which comprise the balance sheet as at 31 December 2017 and the profit and loss account, Cash flow statement and statement of changes in equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements and Internal Controls

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with Bangladesh Financial Reporting Standards as explained in note 2 and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. The Banking Companies Act 1991 and the Bangladesh Bank Regulations require the Management to ensure effective internal audit, internal control and risk management functions of the Bank. The Management is also required to make a self-assessment on the effectiveness of anti-fraud internal controls and report to Bangladesh Bank on instances of fraud and forgeries.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements of the Bank based on our audit. We conducted our audit in accordance with Bangladesh Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain a reasonable assurance about whether the financial statements of the Bank are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud and error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management as well as evaluating the overall presentation of the financial statements of the Bank.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

- i) As referred in note 3.19.1.2 to the financial statements, a short provision was made against employees gratuity to the extent of Taka 12,310,828 as at 31 December 2017. Had the gratuity provision been properly provided, the net loss for the year 2017 would have been increased by Tk. 12,310,828.
- ii) As referred in note 26.1.1 to the financial statements, total penalty realized from different customers amounting to Taka 11,952,518 had been considered as other operating income of the Bank during the year 2017. Had the bank accounted for this penalty as per Shariah guideline under section 2(2) of BRPD Circular no. 15/2009 dated 09/11/2009, the net loss of the bank would have been increased by Taka 11,952,518 for the year 2017.

Qualified Opinion

In our opinion, except for the effects of the matters described in the basis for qualified opinion paragraphs, the financial statements have been prepared in the format prescribed by Bangladesh Bank vide circular no. 14 dated 25 June 2003 and in accordance with relevant Bangladesh Financial Reporting Standards give a true and fair view of the state of affairs of the Bank as at 31 December 2017 and results of its operations and its cash flows for the year then ended and comply with the Companies Act 1994, the Banking Companies Act 1991, Bangladesh Securities and Exchange Rules 1987, rules and regulations issued by Bangladesh Bank and other applicable Laws and regulations.

Independent Auditors' Report

to the shareholders of ICB Islamic Bank Limited

Report on Other Legal and Regulatory Requirements

In accordance with the Companies Act 1994, Bangladesh Securities and Exchange Rules 1987, the Banking Companies Act 1991 and the rules and regulations issued by Bangladesh Bank, we also report the following:

- (a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof;
- (b) to the extent noted during the course of our audit work performed on the basis stated under the auditors' responsibility section in forming the above opinion on the financial statements of the Bank and considering the reports of the management to Bangladesh Bank on anti-fraud internal controls and instances of fraud and forgeries as stated under the management's responsibility for the financial statements and internal control:
 - (i) internal audit, internal control and risk management arrangements of the Bank appeared to be materially adequate;
 - (ii) nothing has come to our attention regarding material instances of forgery or irregularity or administrative error and exception or anything detrimental committed by employees of the Bank and its related entities;
- (c) in our opinion, proper books of account as required by law have been kept by the Bank so far as it appeared from our examination of those books;
- (d) the records and statements submitted by the branches have been properly maintained and consolidated in the financial statements;
- (e) the balance sheet and profit and loss account of the Bank dealt with by the report are in agreement with the books of account;
- (f) the expenditures incurred during the year were for the purposes of the business of the Bank;
- (g) the financial statements of the Bank have been drawn up in conformity with prevailing rules, regulations and accounting standards as well as with related guidelines issued by Bangladesh Bank;
- (h) As referred in note 15.7 to the financial statements, capital adequacy ratio as on 31 December 2017 was negative (115.67%) as against of 11.25% including 1.25% for capital conservation buffer as required by law. Besides, as per the Oriental Bank Limited (former name of ICB Islamic Bank) Reconstruction scheme 2007, the paid up capital of the Bank should have been raised to Taka 7,000 million as against of actual paid up capital stood at Taka 6,647 million as on 31 December 2017.
- (i) adequate provisions have been made for loans and advance, and other assets following the guidelines of Bangladesh Bank;

ICB ISLAMIC BANK LIMITED

Notes to financial statements

For the year ended 31 December 2017

1. The Bank and its activities

1.1 Corporate information

ICB Islamic Bank Limited (the Bank) is the new legal name of former "The Oriental Bank Limited" which was incorporated on 30 April 1987 as a Public Limited Company titled "Al-Baraka Bank Bangladesh Limited" under the Companies Act, 1913. Certificate for commencement of business was issued to the Bank on 30 April 1987. Bangladesh Bank (country's central bank) authorised the Bank to carry on the banking business in Bangladesh with effect from 04 May 1987 and to undertake and carry out all kinds of banking, financial and business activities, transactions and operations in strict compliance with the principles of Islamic Law (Shariah) relating to business activities in particular avoiding usury in credit and sales transactions and any practice which accounts to usury and actual banking operations commenced on 20 May 1987. Registrar of Joint Stock Companies & Firms approved the revised name (The Oriental Bank Limited) on 31 December 2002 and Bangladesh Bank's approval was accorded on 13 April 2003.

Bangladesh Bank took control of the management of the Bank on 19th June 2006 and appointed Chairman and Managing Director to carry out the functions of day to day affairs of the Bank. Steps were taken by the Government of Bangladesh and Bangladesh Bank to protect the interest of depositors. Measures were taken to restructure and recapitalise the Bank to keep the Bank functioning so that interest of all stakeholders of the Bank could be protected. The Government imposed a moratorium on the business of the Bank and Bangladesh Bank issued "The Oriental Bank Limited (Reconstruction) Scheme 2007" (The "Scheme").

Switzerland-based ICB Financial Group Holdings AG has become the new majority owner of former Oriental Bank, a Bangladeshi Shariah-compliant bank as on 28 February 2008. Emphasis has been placed on improving the technology and infrastructure of the Bank, as well as retaining employees, with a view to provide an improved range of competitive products to customers.

1.2 Nature of business and principal activities

All kinds of commercial banking services are provided by the Bank to the customers following the principles of Islamic Shariah, the provisions of the Banking Companies Act 1991 and Bangladesh Bank's directives.

The Bank renders commercial banking services to all types of customers. The range of services offered by the Bank includes accepting deposits, making investments, discounting bills, conducting domestic and international money transfers, carrying out foreign exchange transactions in addition to international money transfers, and offering other customer services such as locker service, collections and issuing letters of credit, guarantees and acceptances. Core business of the Bank includes deposit mobilisation and investing activities comprising short-term, long-term, import and export financing. Financing activities are extended to different sectors of the economy that could be grouped into several sectors including Rural and Agriculture, Garments and Textiles, Jute, Cement and Bricks, Tannery, Steel and Engineering, Food and Beverage, Chemical and Pharmaceuticals, Printing and Packaging, Glass and Ceramics and Miscellaneous.

At a glance, the principal activities of the Bank are to:

- a) facilitate and handle all kinds of commercial banking services to its customers authorised by Bangladesh Bank;
- b) handle the export and import trade; and
- c) take part in international banking, etc.

2. Internal audit, internal control and risk management

The Banking Companies Act, 1991 and the Bangladesh Bank Regulations require the Management to ensure effective internal audit, internal control and risk management functions of the Bank. The Management is also required to make a self-assessment on the effectiveness of anti-fraud internal controls and report to Bangladesh Bank on instances of fraud and forgeries.

Bangladesh Bank Department of Off-site Supervision (DOS) has issued Circular No.-02 dated 15 February 2012 on Risk Management Guidelines for Banks and instructed all scheduled banks operating in Bangladesh to follow this Guidelines for managing various risks which have been complied by the Bank.

ICB ISLAMIC BANK LIMITED

Notes to financial statements

For the year ended 31 December 2017

Risk Management is the key element for sound corporate governance of the Bank. With a recent addition in regulatory mandates and increasingly active participation of shareholders, the Bank has become increasingly concerned to identify areas of risks in the business, whether it is financial, operational, ICT or reputation risk. The Bank identifies, measures, monitors and manages all risks of the Bank. Sophisticated risk management framework is going to be implemented to carry out efficient risk management exercises of the Bank including documenting and assessing risks, defining controls, managing assessments and audit, identifying issues, implementing recommendations and corrective plans. In accordance with Bangladesh Bank Guidance, the Bank has established a risk framework that consists of six core factors, i.e. (i) Credit/Investment Risk (ii) Asset and Liability/Balance Sheet Risk (iii) Foreign Exchange Risk (iv) Internal Control and Compliance Risk (v) Money Laundering Risk and (vi) Information and Communication Technology Risk.

In addition, the Bank is also following relevant Bangladesh Bank guidelines on risk based capital adequacy, stress testing and managing the banking risks in other core risk areas.

The Bank has established an independent Risk Management Unit (RMU). The RMU conducts stress testing for examining the Bank's capacity of handling future shocks, as well as deals with all potential risks that might occur in future.

The Bank has also identified the following four key infrastructure components for effective risk management programs:

- a) Proactive Board of Directors and Senior Management's Supervision;
- b) Adequate Policies and Procedures;
- c) Proper Risk-Measurement, Monitoring and Management Information Systems; and
- d) Comprehensive Internal Controls.

2.1 Investment/Credit risk

Investment/Credit risk is simply defined as the failure of a bank borrower or counterparty to meet its obligations in accordance with agreed terms. Financial institutions have been facing difficulties over the years for a multitude of reasons. The major causes of serious banking problems continue to be directly related to lax Investment/Credit standards for borrowers and counterparties, poor portfolio risk management, or a lack of attention to changes in economic or other circumstances that can lead to deterioration in the Investment standing of a bank's counterparties. The goal of Investment/Credit risk management is to maximise a bank's risk-adjusted rate of return by maintaining Investment/Credit risk exposure within acceptable levels. The effective management of Investment/Credit risk is a critical component of a comprehensive approach to risk management and essential to the long-term success of any banking organization. The Basel Committee is encouraging Banks to promote sound practices for managing Investment/Credit risk. The sound Investment/Credit risk management practices include the following areas:

- i. Establishing an appropriate Investment/Credit risk environment;
- ii. Operating under a sound Investment/Credit-granting process;
- iii. Maintaining an appropriate Investment administration, measurement and monitoring process; and
- iv. Ensuring adequate controls over Investment risk.

ICB Islamic Bank Limited is keenly aware of the need to identify, measure, monitor and control Investment/Credit risk as well as to hold adequate capital against these risks for adequate compensation of risks incurred since exposure to Investment/Credit risk continues to be the leading source of problems in Banks world-wide. In this line Bank is following the system as per Guidelines of Bangladesh Bank. Bank has also adopted a policy to review the whole system, from time to time to cope with the multifarious situations.

To comply with the Directive of Bangladesh Bank (DOBB), the Bank has also taken steps for strengthening the function of Investment/Credit Administration i.e. Disbursement, Custodial Duties, Compliance, Investment/credit Monitoring and Recovery to maintain Investment/Credit Risk at the minimum level. In order to achieve this goal, Investment Administration and Supervision Department (IASD) is exerting all out efforts for completion of Security Documentation before disbursement, ensuring adequate Insurance Coverage to cover unforeseen risks, monitoring and follow up after disbursement of Investment/Credit to maintain the investment standard.

Recovery and Monitoring Department is engaged in monitoring the total Investment/Credit Classification position of the Bank vigilantly, managing all Classified and Special Mention Accounts to regularise for maximisation of recovery and ensuring appropriate investment loss provision timely.

ICB ISLAMIC BANK LIMITED

Notes to financial statements

For the year ended 31 December 2017

2.2 Asset liability risk management

Asset Liability Management (ALM) is one of the key areas of risk management which mainly focuses on liquidity and profit rate risk of the bank. Decisions taken in the ALCO meetings were duly recorded and action plans were implemented by the branches/departments to optimize Bank's financial performances. As a part of regulatory requirement, the Board of Directors also reviewed the ALM manual and its components regularly.

2.3 Foreign exchange risk management

Foreign exchange risk is defined as the potential change in earnings due to unfavourable movement in exchange rates. Generally, the bank is less exposed to foreign exchange risk as all the transactions are carried out on behalf of the customers against L/C commitments and other remittance requirements. The bank has undertaken policy guidelines to minimize the foreign exchange risk for exposure in currency movement. Treasury department has separate front office. Its back office desks are responsible for currency transactions, deal verification and limit monitoring and settlement of transactions separately. The bank continuously revalued all foreign exchange positions at market rate as per the guidelines of Bangladesh Bank. All Nostro Accounts are timely reconciled and all outstanding entries are reviewed on a regular basis.

2.4 Anti-Money laundering risk management

The financial aspects of crime have become more complex due to rapid advancement in technology and the globalize character of the financial services industry. Money-Launderers often use their front companies which co-mingle the proceeds of illicit activity with legitimate funds in order to hide the ill-gotten gains. Therefore, prevention of laundering the proceeds of crime has become a major priority from all jurisdictions from which financial activities are carried out. The policy of the bank includes establishing adequate procedures of customer due diligence, reporting, record keeping, internal control, risk management and communication in order to forestall and prevent operations related to money laundering or financing of terrorism. Central Compliance Unit (CCU) of the Bank is performing supervisory and monitorial activities for the bank's internal procedures on anti-money laundering and anti-terrorism financing. It also ensures that bank complies with the anti-money laundering and anti-terrorism financing legislation, including the Know Your Customer rules.

2.5 Internal control and compliance risk management

Adequate Internal Controls contribute significantly to the improvement of the performance of the banks through enforcing efficient managerial guards. Such control culture is duly reflected in the Policy Guidelines and Structural Changes of the Bank. Now the bank is considering sophisticated organisational structure to exercise strong control culture within the organisation by implementing policy guidelines of internal controls appropriately and strengthening internal controls system.

Internal Control and Compliance Division (ICCD) of the Bank comprises three units, namely (i) Compliance Unit, (ii) Monitoring Unit and (iii) Audit and Inspection Unit. The Division reviews and monitors Bank's Internal Control and Compliance Risk to help the Bank perform better through the use of its resources. The units of the Division are performing their functional activities in accordance with the Bank's own policies as well as guidance notes issued by Bangladesh Bank from time to time for mitigating the Internal Control and Compliance Risks of the Bank.

During the year 2015, Inspection teams of ICCD of the Bank and Bangladesh Bank carried out inspections on different Branches of the Bank and submitted reports thereof. Necessary remedial measures/corrective steps have been taken on the suggestions/observations made in the said reports. The summary of key points of the reports were also placed and discussed in the meeting of the Audit Committee of the Board of Directors. Appropriate actions have also been taken as per the decisions of the said Committee for protecting the Bank's assets.

Compliance: The bank has complied with the regulatory requirements including, the directives of Bangladesh Bank (primary regulator), National Board of Revenue, Securities and Exchange Commission, Registrar of Joint Stock Companies and Finance Ministry etc. having significant impact on the Bank's business.

ICB ISLAMIC BANK LIMITED

Notes to financial statements

For the year ended 31 December 2017

Compliance is not a one-time event rather it is a continuous process. For this purpose, the bank's Internal Controls have been designed in such a manner so that the compliance with all the relevant regulatory requirements is carried out in each activity of the bank.

Now the Board of Directors and Senior Management of the bank has developed a high ethical and moral standard to ensure strong compliance culture in the bank. In this context, the bank gives priority on the following issues:-

- i. To encourage employees to comply with all the policies, procedures and regulations;
- ii. To maintain continuous liaison with the regulators at all level to obtain regular information on regulatory changes; and
- iii. To establish an effective communication process to distribute smoothly the relevant regulations among the officials of the concerned divisions and branches.

2.6 Information and communication technology risk management

The bank has adequately addressed ICT Risk Management. It is an in-depth exercise and continual process. The ICT Risk Management exercise mainly includes minimising financial loss to the institution in all events such as natural disaster, technological failure, human error etc.

In line with Central Bank directives, the Bank has redrawn its own Information and Communication Technology (ICT) Policies for operations and Services. Under these policy guidelines, a security policy has going to be worked out and implemented in the server system through Active Directory Services (ADS). It has also been trying to implement through Password Policy, Kerberos Policy, Audit Policy, Group Policy, User Rights, and Permission Policy etc. to abide by and adhere to what is laid down in the policy. It tries to centralize the administrative control to access the Network, Mailing System and access to Internet under this policy.

2.7 Internal audit

Our internal auditors have conducted periodic audits to provide reasonable assurance that the established policies and procedures of the Bank are consistently followed. However, there are inherent limitations that should be recognised in weighing the assurances provided by any system of internal controls and accounting.

The Audit Committee of the Bank meets periodically with the internal audit team to review their audit plans, assess the manner in which these auditors are performing their responsibilities and to discuss their reports on, internal controls and financial reporting issues. To ensure complete independence, the internal auditors have full and free access to the members of the Audit Committee to discuss any matter of substance

A robust Risk Based Internal Audit (RBIA) has been implemented. Risk assessment by Internal Control focuses on compliance with the Bank's policies together with regulatory requirements, social, ethical and environmental risks for risk minimisation and to determine the future growth of the Bank.

Internal audit activities

- i. To review and approve "Internal Audit Charter";
- ii. To guide and approve "Internal Audit Plan";
- iii. To guide and review "Internal Audit Process and Procedure";
- iv. To guide bank management body for ensuring compliance on audit recommendation(s) and scope of development;
- v. To review compliance status of audit recommendation;
- vi. To review annual assessment of the performance of audit and inspection activity; and
- vii. To recommend audit findings to be placed to the Board of Directors.

ICB ISLAMIC BANK LIMITED

Notes to financial statements

For the year ended 31 December 2017

2.8 Fraud and Forgeries

Bank fraud is the use of potentially illegal means to obtain money, assets, or other property owned or held by a financial institution, or to obtain money from depositors by fraudulently posing as a bank or other financial institution.

To mitigate the fraud the Bank has taken following initiatives:

- a) To review the corrective measures taken by the management with regard to reports relating to fraud-forgery, deficiencies in internal control and external auditors and inspectors of the regulatory authority and inform the Board on a regular basis;
- b) Significantly improving the compliance culture and introducing stricter controls to eliminate fraud exposures; and
- c) To the best of our knowledge and belief, no transactions entered into by the company during the year which are fraudulent, illegal or in violation of the company's code of conduct.

3. Summary of significant accounting policies and basis for preparation of financial statements

3.1 Statement of compliance

The financial statements of the Bank are prepared in accordance with Bangladesh Financial Reporting Standards (BFRSs) and the requirements of the Banking Companies Act 1991, the rules and regulations issued by Bangladesh Bank, the Companies Act 1994, the Securities and Exchange Rules 1987. In case any requirement of the Banking Companies Act 1991, and provisions and circulars issued by Bangladesh Bank differ with those of BFRS, the requirements of the Banking Companies Act 1991, and provisions and circulars issued by Bangladesh Bank shall prevail. Material departures from the requirements of BFRS are as follows:

i) Investment in shares and securities

BFRS: As per requirements of BAS 39 investment in shares and securities generally falls either under "at fair value through profit and loss account" or under "available for sale" where any change in the fair value (as measured in accordance with BFRS 13) at the year-end is taken to profit and loss account or revaluation reserve respectively.

ii) Revaluation gains/ losses on Government securities

BFRS: As per requirement of BAS 39 where securities will fall under the category of Held for Trading (HFT), any change in the fair value of held for trading assets is recognised through profit and loss account. Securities designated as Held to Maturity (HTM) are measured at amortised cost method and interest income is recognised through the profit and loss account.

Bangladesh Bank: HFT securities are revalued on the basis of marked to market and at year end any gains on revaluation of securities which have not matured as at the balance sheet date are recognised in other reserves as a part of equity and any losses on revaluation of securities which have not matured as at the balance sheet date are charged in the profit and loss account. Interest on HFT securities including amortisation of discount are recognised in the profit and loss account. HTM securities which have not matured as at the balance sheet date are amortised at the year end and gains or losses on amortisation are recognised in other reserve as a part of equity.

iii) Provision on investments

BFRS: As per BAS 39 an entity should start the impairment assessment by considering whether objective evidence of impairment exists for financial assets that are individually significant. For financial assets that are not individually significant, the assessment can be performed on an individual or collective (portfolio) basis

Bangladesh Bank: As per BRPD circular No.14 (23 September 2012), BRPD circular No. 19 (27 December 2012) and BRPD circular No. 05 (29 May 2013) a general provision @ 0.25% to 5% under different categories of unclassified investments (good and special mentioned accounts) has to be maintained regardless of objective evidence of impairment. Also provision for sub-standard loans, doubtful loans and bad losses has to be provided at 20%, 50% and 100% respectively for loans and advances depending on the duration of overdue. Again as per BRPD circular no. 10 dated 18 September 2007 and BRPD circular no. 14 dated 23 September 2012, a general provision at 1% is required to be provided for all off-balance sheet exposures. Such provision policies are not specifically in line with those prescribed by BAS 39.

iv) Recognition of profit in suspense

BFRS: Loans and advances to customers are generally classified as 'loans and receivables' as per BAS 39 and interest income is recognised through effective interest rate method over the term of the loan. Once a loan is impaired, interest income is recognised in profit and loss account on the same basis based on revised carrying amount.

Bangladesh Bank: As per BRPD circular no. 14 dated 23 September 2012, once an investment is classified, profit on such investments is not allowed to be recognised as income, rather the corresponding amount needs to be credited to an interest in suspense account, which is presented as liability in the balance sheet.

v) Other comprehensive income

BFRS: As per BAS 1 Other Comprehensive Income (OCI) is a component of financial statements or the elements of OCI are to be included in a single Other Comprehensive Income statement.

Bangladesh Bank: Bangladesh Bank has issued templates for financial statements which will strictly be followed by all banks. The templates of financial statements issued by Bangladesh Bank do not include Other Comprehensive Income nor are the elements of Other Comprehensive Income allowed to be included in a single Other Comprehensive Income (OCI) Statement. As such the Bank does not prepare the other comprehensive income statement. However, elements of OCI, if any, are shown in the statements of changes in equity.

vi) Financial instruments – presentation and disclosure

In several cases Bangladesh Bank guidelines categorise, recognise, measure and present financial instruments differently from those prescribed in BAS 39. As such full disclosure and presentation requirements of BFRS 7 and BAS 32 cannot be made in the financial statements.

vii) Financial guarantees

BFRS: As per BAS 39, financial guarantees are contracts that require an entity to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payment when due in accordance with the terms of a debt instrument. Financial guarantee liabilities are recognised initially at their fair value, and the initial fair value is amortised over the life of the financial guarantee. The financial guarantee liability is subsequently carried at the higher of this amortised amount and the present value of any expected payment when a payment under the guarantee has become probable. Financial guarantees are included within other liabilities.

Bangladesh Bank: As per BRPD 14, dated 23 September 2012 financial guarantees such as letter of credit, letter of guarantees will be treated as off-balance sheet items. No liability is recognised for the guarantees except the cash margin.

viii) Cash and cash equivalent

BFRS: Cash and cash equivalent items should be reported as cash item as per BAS 7.

Bangladesh Bank: Some cash and cash equivalent items such as 'money at call and on short notice', treasury bills, Bangladesh Bank bills and prize bonds are not shown as cash and cash equivalents. Money at call and on short notice presented on the face of the balance sheet, and treasury bills, prize bonds are shown in investments.

ix) Non-banking asset

BFRS: No indication of Non-banking asset is found in any BFRS.

Bangladesh Bank: As per BRPD 14, dated 25 June 2003 there must exist a face item named Non-banking asset.

ICB ISLAMIC BANK LIMITED

For the year ended 31 December 2017

x) Cash flow statement

Cash flow statement has been prepared in accordance with BAS-7, "Statement of Cash Flows" and under the guidelines of Bangladesh Bank BRPD Circular No.14 dated June 25, 2003. The cash flow statement shows the structure of changes in cash and cash equivalents during the financial year. It is segregated into operating activities, investing activities and financial activities.

xi) Balance with Bangladesh Bank: (Cash Reserve Requirement)

BFRS: Balance with Bangladesh Bank should be treated as other asset as it is not available for use in day to day operations as per BAS 7.

Bangladesh Bank: Balance with Bangladesh Bank is treated as cash and cash equivalents.

xii) Presentation of intangible asset

BFRS: An intangible asset must be identified and recognised, and the disclosure must be given as per BAS 38.

Bangladesh Bank: There is no regulation for intangible assets in BRPD 14.

xiii) Off-balance sheet items

BFRS: There is no concept of off-balance sheet items in any BFRS; hence there is no requirement for disclosure of off-balance sheet items on the face of the balance sheet.

Bangladesh Bank: As per BRPD 14, off balance sheet items (e.g. Letter of credit, Letter of guarantee, etc.) must be disclosed separately on the face of the balance sheet.

xiv) Investments net of provision

BFRS: Investments should be presented net off provision.

Bangladesh Bank: As per BRPD 14, provision on investments is presented separately as a liability and can not be netted off against loans and advances.

3.2 Consolidation

Separate set of records for consolidation of the statement of affairs and income and expense statement of the branches was maintained at the Head Office of the bank based on which these financial statements have been prepared. All significant inter-branch transactions are eliminated on consolidation.

3.3 Going concern assumption

The management of the Bank feels that the going concern assumption will remain effective. There are 6 cases pending before the Supreme Court Appellate Division regarding sponsor shareholders who hold substantial shares of the Bank whereby they have major influence over the decision making process of the Bank where Bangladesh Bank is appealing against the High Court decision. The management is optimistic about the cases that the final ruling of the court will be in favour of the Bank which will pave the path for injecting fresh capital.

Furthermore, the Bank is trying to sell the three properties acquired against settlement of Investments, namely, Tobacco Industries Ltd., Kushal Centre and Bishal centre which will fetch approximately BDT 200 crores. This amount will be absorbed in the Bank's retained earnings as well as help in upgrading the Bank's present capital base.

The initiatives taken by the Bank are cost optimisation, profit maximisation through increasing loans and advances, launching new products, etc. The Bank is considering various options and plans to address the issue of working capital deficiency.

3.4 Accruals and deferrals

Deferrals and accruals have been made as per the guidance of BASB Framework: BAS # 1: Presentation of Financial Statements. In order to meet their objectives, financial statements except for Statement of Cash Flows and related information are prepared on accrual basis of accounting. Under this basis, the effects of transactions and other events are recognised when they occur (and not when cash or its equivalent is received or paid) and they are recorded in accounts and reported in the financial statements of the periods to which they relate.

3.5 Revenue recognition

The revenues during the year are recognised on an accrual basis, which comply with the conditions of revenue recognition as provided in BAS # 18: Revenue.

3.5.1 Profit and expenses

Profit income and expenses for all profit-bearing financial instruments except for those classified as held-for-trading or designated at fair value are recognised in the income statement using the effective Profit rates of the financial assets or financial liabilities to which they relate. The effective Profit rate is the rate that exactly discounts estimated future cash receipts or payments earned or paid on a financial asset or financial liability through its expected life or, where appropriate, a shorter period, to the net carrying amount of the financial asset or financial liability. When calculating the effective profit rate, the Group estimates cash flows considering all contractual terms of the financial instrument but not future credit losses. The calculation includes all amounts paid or received by the ICB Islamic Bank that are an integral part of the effective Profit rate, including transaction costs and all other premiums or discounts. Profit on impaired financial assets is calculated by applying the original effective Profit rate of the financial asset to the carrying amount as reduced by any allowance for impairment.

3.5.2 Non-profit Income

3.5.2.1 Fees and commissions

Fees and commissions are accounted for as follows:

- i. Income earned on the execution of an act is recognised as revenue when the act is completed;
- ii. Income earned from providing services over a period of time is recognised over the service period during which the related service is provided or credit risk is undertaken; and
- iii. Income which forms an integral part of the effective profit rate of a financial instrument is recognised and recorded as profit income.

3.5.2.2 Dividend income

Dividend income is recognised when the right to receive the payment is established.

3.5.2.3 Investments in securities

Income on investments in securities has been accounted for on accrual basis.

3.5.2.4 Letters of credit, letters of guarantee and others

Commission charged to customers on letters of credit and letters of guarantee is credited to income at the time of effecting the transactions.

3.5.2.5 Profit paid and other expenses

In terms of the provision of BAS # 1: Presentation of Financial Statements, profit paid and other expenses are recognised on accrual basis.

Contingent liabilities / commitments for letters of credit and letters of guarantee denominated in foreign currencies are expressed in Taka terms at the rates of exchange ruling on the balance sheet date.

3.6.3 Translation gains and losses (BAS # 21)

As per provision of BAS # 21: The Effects of Changes in Foreign Exchange Rates, foreign currency transactions are translated into Taka at rates prevailing on the dates of such transactions and exchange gains or losses arising out of the said transactions are recognised as income or expense for the year in which the exchange account is dealt with.

3.7 Exchange equalisation account

This represents the amount arose from exchange gain due to de-valuation of Bangladesh Taka with foreign currencies up to 30 March 2003 and the system has been discontinued from 31 March 2003. The amount is accounted for as per instruction issued by the Central Bank (Bangladesh Bank) from time to time.

3.8 Assets and their basis of valuation

3.8.1 Cash and cash equivalents

As per provision of BAS # 7: Statement of Cash Flows, for the purpose of the Statement of Cash Flows of the Bank, cash and cash equivalents comprise balances with less than 90 days maturity from the date of acquisition including: cash and balances with central bank, treasury bills, and other eligible bills, amounts due from other banks and dealing securities other than those which are not available to finance the ICB- Islamic Bank's day to day operations.

3.8.2 Investments

Investments are stated at gross amount. Provision and Profit suspense against investments are shown separately as liability. Profit income is accounted for on accrual basis until the investments are defined as Special Mentioned Account (SMA) or classified accounts as per Bangladesh Bank guidelines.

As per BRPD circular no. 14 dated 23 September 2012, Profit on classified Investments (other than bad/loss investments) is required to be credited to profit suspense account instead of income account. Such profit kept in suspense account should be reversed to income account only when respective investment accounts become regular and / or realised in cash.

3.8.2.2 Security against Investments:

- Project investment-land and building, FDR and other movable assets have been taken as a security in the form of mortgage.
- Working capital and trading investment-Goods are taken as security in the form of pledge and also goods are taken as security in the form of hypothecation along with land and building, FDR and other movable assets as a mortgage.
- House building investment-Lands and buildings are taken as security in the form of mortgage.

3.8.2.3 Bills purchased and discounted

Bills purchased and discounted do not include Government Treasury bills and have been classified into two sub-heads viz.

- Payable in Bangladesh and
 - Payable outside Bangladesh.
- The bills purchased and discounted have been analysed in the form/terms as per the maturity grouping.

3.9 Investment in shares and securities

The Group determines the classification of its investments at initial recognition and classifies its financial assets as follows:

3.9.1 Financial assets at fair value through profit or loss

This category has two sub-categories: financial assets held for trading, and those designated at fair value through profit or loss at inception. A financial asset is classified in this category if acquired principally for the purpose of selling in the short term if so designated by management.

3.9.2 Investment and receivables

Investment and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They arise when the Bank provides money, goods or services directly to a debtor with no intention of trading the receivables.

3.9.3 Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets with fixed or determinable payments and fixed maturities that the Bank's management has the positive intention and ability to hold to maturity. If the Group sells other than an insignificant amount of held-to-maturity assets, the entire category would be tainted and reclassified as available-for-sale.

3.9.4 Available-for-sale investment

Available-for-sale investments are those intended to be held for an indefinite period of time, which may be sold in response to needs for liquidity or changes in profit rates, exchange rates or equity prices.

ICB ISLAMIC BANK LIMITED

Notes to financial statements

For the year ended 31 December 2017

Purchases and sales of financial assets at fair value through profit or loss, held-to-maturity and available-for-sale are recognized on trade-date (the date on which the ICB Islamic Bank commits to purchase or sell the asset). Investment is recognized when cash is advanced to the borrowers. Financial assets are initially recognized at fair value plus transaction costs for all financial assets not carried at fair value through profit or loss. Financial assets are derecognized when the rights to receive cash flows from the financial assets have expired or where the Group has transferred substantially all risks and rewards of ownership. Available-for-sale financial assets and financial assets at fair value through profit or loss are subsequently carried at fair value. Investment and receivables and held-to-maturity investments are carried at amortized cost using the effective Profit method. Gains and losses arising from changes in the fair value of the 'financial assets at fair value through profit or loss' category are included in the income statement in the period in which they arise.

Gains and losses arising from changes in the fair value of available-for-sale financial assets are recognized directly in equity, until the financial asset is derecognized or impaired at which time the cumulative gain or loss previously recognized in equity is recognized in profit or loss. However, Profit calculated using the effective Profit method is recognized in the income statement. Dividends from available-for sale equity instruments are recognized in the income statement when the entity's right to receive payment is established. The fair values of quoted investments in active markets are based on current bid prices. If the market for a financial asset is not active (and for unlisted securities), the ICB Islamic Bank establishes fair value by using valuation techniques. These include the use of recent arm's length transactions, discounted cash flow analysis, option pricing models and other valuation techniques commonly used by market participants.

3.9.5 Valuation Method

Investments have been shown under two broad categories viz Government Securities and Other Investments.

Investments have been considered as follows:

Particulars	Valuation Method
Government Securities:	
Government Treasury Bills	Market Value
Other Investments:	
Shares of CDBL	Cost Price
Bangladesh Commerce Bank Limited	Cost Price

3.10 Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis, or realise the asset and settle the liability simultaneously.

3.11 Acceptance receivables and payables

Acceptance receivables and payables are stated at the value of the Letter of Credit or realised value of the Letter of Credit accepted by accepting banks. The acceptance receivables are presented net of allowance for possible losses.

3.12 Foreclosed properties

Foreclosed properties are recorded at the lower of its fair value (less costs to sell) and the carrying amount of the investment (net of impairment allowance) at the date of foreclosure. No depreciation is provided in respect of foreclosed properties. Any subsequent write down of foreclosed properties to fair value (less cost to sell) is recorded as a fair value change and included in the income statement. Any subsequent increase of the fair value (less cost to sell), to the extent this does not exceed the cumulative fair value change, is recognised in the income statement.

3.13 Prepaid lease payments

Leasehold land that normally has an indefinite economic life and title is not expected to pass to the lessee by the end of the lease term is treated as an operating lease. The payment made on entering into or acquiring a leasehold land is accounted as prepaid lease payments that are amortised over the lease term in accordance with the pattern of benefits provided.

Notes to financial statements

For the year ended 31 December 2017

3.14 Software

Acquired computer software licenses are capitalised on the basis of the costs incurred to acquire and bring to use the specific software. These costs are amortised on straight-line basis over the expected useful lives of three to five years. Costs associated with developing or maintaining computer software programmers are recognised as an expense as incurred. Costs that are directly associated with the production of identifiable and unique software products controlled by the Bank and that will probably generate economic benefits exceeding costs beyond one year are recognised as Core Banking Software.

3.15 Property and equipment

Buildings comprise mainly of bank branches and offices. All property and equipment are stated at historical cost/revaluation less any impairment losses and depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or are recognised as a separate asset as appropriate, only when it is probable that future economic benefits associated with the items will flow to the Bank and the cost of the items can be measured reliably. All other repairs and maintenance are charged to the Profit and Loss Account during the financial period in which they are incurred.

Depreciation on fixed assets is calculated using the straight-line method to allocate their cost to their residual values over their estimated useful lives, as follows:

	Name of the assets	Depreciation rate
i.	"Buildings	5%
ii.	Furniture and fittings	10%
iii.	Motor vehicles	20%
iv.	Computer hardware	20%
v.	Renovation	20%
vi.	Intangible assets	20%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date. Property and Equipment is subject to an impairment review if there are events or changes in circumstances which indicate that the carrying amount may not be recoverable. Up to 31 December 2007 bank charged depreciation on fixed assets using the reducing balance method which changed in 2008 and adjustment are incorporated with current year depreciation.

3.15.1 Non banking assets

This represents assets acquired by the Bank upon the agreement with the client and Honourable Court's order against investment. Bank has taken the ownership of the non-banking assets on the basis of power of attorney of Bishal Centre on 8 March 2005 and Kushal Centre on 13 June 2000, against settlement of Investments. Bank is now trying to transfer the ownership related document in its name by obtaining mutation. First acquisition amount against three properties i.e. Bishal Centre BDT 220,000,000; Kushol Centre BDT 75,000,000 and Tobacco Industries Ltd. BDT 100,000,000; total amounting BDT 395,000,000. Subsequently M/s Huda Vasi Chowdhury & Co. revaluated the Properties on 31 December 2009 Bishal Centre at BDT 607,776,130; Kushol Centre at BDT 142,500,000 and Tobacco Industries Limited at BDT 199,668,673; total amounting BDT 949,944,803.

3.16 Taxation

Tax expenses represent the sum of the tax currently payable and deferred tax.

3.16.1 Current tax

Income tax on the profit or loss for the year comprises current tax and deferred tax. Income tax is recognised in the income statement except to the extent that it relates to items recognized directly in shareholder's equity in which case it is recognized in shareholder's equity.

As per requirement of BAS # 12: Income Taxes, the Bank has a policy to measure current tax liability at the amount expected to be paid to the taxation authorities, using the tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Notes to financial statements

For the year ended 31 December 2017

Tax rate is 42.5% as prescribed in Finance Act 2017 on taxable profits of the banks and financial institutions. The Bank was not required to provide income tax as it has previous assessed loss which will offset the taxable income. But as per requirement of Income Tax Ordinance 1984, minimum tax @ 0.60% of gross receipts has been provided in accounts.

3.16.2 Deferred Tax

As per provision of BAS # 12: Income Taxes, deferred tax assets and deferred tax liabilities shall be measured and shall be reflected the tax consequence of the entity at the balance sheet date.

Deferred tax is recognised, using the liability method on temporary differences between the carrying amount of assets and liabilities in the balance sheet and the amount attributed to such assets and liabilities for tax purposes. Deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent it is probable that future taxable profits will be available against which deductible temporary differences; unused tax loss and unused tax credit can be utilised. The tax rate (42.5%) prevailing at the balance sheet date is used to determine deferred tax.

The Bank did not recognise any deferred tax during the year as there would have arisen deferred tax income if deferred tax was recognised due to huge loss of the Bank at balance sheet the date which is adjustable against future profits.

3.17 Functional and presentation currency

The financial statements are presented in Bangladesh Taka (BDT). All values are rounded to the nearest Taka.

3.18 Critical accounting estimates and judgments in applying accounting policies

As per provision of BAS # 1 : Presentation of Financial Statements, the preparation of financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

The Bank makes estimates and assumptions that affect the reported amounts of assets and liabilities within the next financial year. Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

3.18.1 Valuation of financial instruments

The Bank's accounting policy for valuation of financial instruments is included in Note 7. As required in BAS # 19: Employee Benefit, provident fund and gratuity benefits are given to eligible staff of the Bank in accordance with the locally registered rules and the entity shall disclose the amount recognized as an expense for defined contribution plan.

3.19 Liabilities and provision

3.19.1 Retirement benefits of employees

3.19.1.1 Provident fund

Provident fund benefits are given to the staff of the Bank in accordance with the registered Provident fund rules. The commissioner of Income Tax, Large Tax Payers Unit, Dhaka has approved the Provident Fund as a recognised fund within the meaning of section 2(52) read with the provisions of Part - B of the First Schedule of Income Tax Ordinance 1984. The fund is operated by a Board of Trustees consisting of 06 (six) members of the Bank. All confirmed employees of the Bank are contributing 10% of their basic salary as subscription of the fund. The Bank also contributes equal amount to the fund. Contributions made by the bank are charged as an expense. Profit earned from the investments is credited to the members' account on half yearly basis.

Notes to financial statements

For the year ended 31 December 2017

3.19.1.2 Gratuity

As per service rules of the Bank, every permanent employee is entitled to 50% of basic salary for 5 to 10 years, 75% of basic salary for 10 to 15 years and 100% of basic salary for more than 15 years for every completed year of services with the Bank. But sufficient provision was not created for gratuity in the financial statements as at 31 December 2017.

On 121st Board of the Directors meeting held on 21 July, 2014, it is resolved that provision is to be made on monthly basis.

Estimated liability as at 31 December 2017 on accrual basis is Taka 73,270,162 against which an amount of Taka 60,959,334 is provided as provision for gratuity. Management of the Bank is, however, fully committed to cover the shortfall of gratuity provision in the year 2018.

3.19.2 Provisions and accrued expenses

"Provisions and accrued expenses are recognised in the financial statements when the bank has a legal or constructive obligation as a result of past event, it is probable that an outflow of economic benefit will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

3.20 Deposits and other accounts

As per requirement of paragraph 39 of BFRS # 7: Financial Instruments: Disclosures, deposits and other accounts including bills payable of the Bank have been analysed in terms of the maturity grouping showing separately other deposits and inter-bank deposits.

3.21 Contingent liabilities, commitments and other off-balance sheet items

As required in BAS # 37, Contingent Liabilities, commitments and other off-balance sheet items are presented in details in the financial statements.

3.22 Nostro reconciliation position:

The Bank maintains 04 Nostro accounts with various banks outside the country. Reconciliation of nostro accounts has been completed up to 31 December 2017.

3.23 Statement of cash flows

BAS # 1: Presentation of Financial Statements, requires that a statement of cash flows is to be prepared as it provides information about cash flows of the enterprise which is useful in providing users of financial statements with a basis to assess the ability of the enterprise to generate cash and cash equivalents and the needs of the enterprise to utilize those cash flows. Statement of Cash Flow has been prepared under the direct method for the period, classified by operating, investing and financing activities as prescribed in BAS # 7, statement of cash flows.

3.24 Comparative Information

As per requirement of BAS # 1: Presentation of Financial Statements, comparative information in respect of the previous year have been presented in all numerical information in the financial statements and the narrative and descriptive information where, it is relevant for understanding of the current year's financial statements.

3.25 Earnings per share (EPS)

Earnings per share has been calculated in accordance with BAS # 33: Earnings per share (EPS) which has been shown on the face of profit and loss account and the computation of EPS has been stated in Note 42.

3.25.1 Basic earnings

This represents earnings for the year attributable to ordinary shareholders. As there was no preference dividend, minority or extra ordinary items, the net profit after tax for the year has been considered as fully attributable to the ordinary shareholders.

Notes to financial statements

For the year ended 31 December 2017

3.25.2 Weighted average number of ordinary shares outstanding during the year

This represents the number of ordinary shares outstanding at the beginning of the year plus the number of shares issued during the year multiplied by a time-weighted factor. The time-weighted factor is the numbers of days the specific shares are outstanding as a proportion of the total number of days in the year.

3.26 General

- a) Wherever considered necessary, previous year's figures have been rearranged for the purpose of comparison; and
- b) "Figures appearing in these Financial Statements have been rounded off to the nearest Taka.
