## Message from the Chairman and Managing Director

**Bismillahir Rahmanir Rahim**

Dear Shareholders, Distinguished Guests, Honorable Members of the Board and dedicated Members of the Management Team and Staff of ICB Islamic Bank Limited (ICBIBL).

**AssalamuAlaikum Wa-Rahmatullah.**

I am honored to welcome you all to the 38<sup>th</sup> Annual General Meeting of ICB Islamic Bank Limited (ICBIBL). We have reunited for our annual event, a fundamental forum that allows us to be benefited from your valuable insights and guidance as key stakeholders in shaping our future course of action. On behalf of the Board of Directors and on my own behalf, I would like to express my sincere gratitude and appreciation to all of our patrons, shareholders and other stakeholders for their continued faith and unwavering support for the Bank in these years. I am very much pleased to share with you the Annual Report of the Bank for the year 2024 along with the Audited Financial Statements.

The global economy is recovering from COVID-19 but remains strained by geopolitical tensions, rapid technological shifts, and climate challenges, leading to uneven regional performance. Governments continue addressing humanitarian crises marked by displacement and refugee flows. In Bangladesh, significant political unrest in 2024 disrupted business activity, yet the central bank effectively managed the situation and prevented a potential banking crisis.

Bangladesh's real GDP grew by 4.22% in FY 2024, with the World Bank projecting a slight slowdown to 4.10% in FY 2025 before a recovery to 5.40% in FY 2026, dependent on political stability and successful financial and business reforms. Inflation remains a key challenge, reaching 10.89% in December 2024 due to currency depreciation, high input costs, structural supply constraints, and energy-related disruptions that affected industrial output. Despite these pressures, economic stabilization efforts are gaining traction. The foreign exchange market has improved, with better reserve management and rising remittances and exports, supporting a more stable exchange rate that is expected to ease inflationary risks and strengthen overall economic resilience.

At ICB Islamic Bank, we have always tried to focus on creating growth opportunities, playing our role to support the nation's development. We have prioritized service excellence by ensuring smooth banking services, providing our customers with an enhanced, secure and convenience driven experience.

ICB Islamic Bank Ltd. faced some challenges throughout the year 2024 due to liquidity crisis but still managed to pay the customers almost BDT 200 crore and made some good recoveries at the end of the year 2024. The Bank has managed to acquire 1,510 numbers of new customers in 2024 and they are doing banking with us fruitfully.

In this crisis moment Bangladesh Bank dissolve the Board of ICB Islamic Bank Ltd. dated 09 April, 2025 and appointed me as Chairman and Managing Director.

After my appointment, I organized a nationwide "Service Excellence Week 2025" to enhance customer service, relationship management, and satisfaction, while launching new deposit and investment campaigns to boost brand visibility. I led promotional initiatives, SME outreach, and customer acquisition drives, alongside strengthening our digital presence through social media branding. We recruited key positions in Risk Management, ICCD, and MIS and initiated capacity building programs on RBS, AML/CFT, and service quality. Additionally, we signed the E-GP agreement with CPTU, reinforcing our commitment to national digital transformation through efficient, transparent, and secure government procurement payments.

Bank performance in 2024 was not pleasing as well as the growth of the Bank. In 2025, we remain vigilant and responsive to emerging challenges. Simultaneously, we must continue to pursue excellence in our risk management, control frameworks and performances in different categories while delivering exceptional service to our clients. The Board remains committed along with the management to create an optimal balance between growth opportunities and effective risk controls.

I, on behalf of the Board of Directors of the Bank, express my sincere appreciation to the customers for giving us the opportunity to serve them and for the support they have given in difficult conditions and the Shareholders for their trust and confidence reposed in us. I wish to extend my gratitude to the Government of the People's Republic of Bangladesh, Ministry of Finance, Bangladesh Bank, Bangladesh Securities and Exchange Commission, Dhaka Stock Exchange and Registrar of Joint Stock Companies for their continuous support, guidance and cooperation.

My words of thanks go to all of our officials and staff members for their commitment, loyalty and sincerity along with continued support and co-operation.

May Almighty Allah help us all and shower eternal blessings upon all of us.

Yours sincerely,

S/d

**Md. Mazibur Rahman**

Chairman and Managing Director

### Objective of the Audit Committee

The Audit Committee of the Board of ICB Islamic Bank Limited has been functioning as supervisory body on behalf of the Board of Directors and carrying out oversight responsibilities. The Board of Directors sets out the overall Business Plan and formulates Policies that the Management is responsible for implementation. The Audit Committee, therefore, as its key function, ensures that policies and guidelines as has been set out are implemented in the right earnest.

### Composition of the Audit Committee

In compliance with the BRPD Circular 02, dated February 11, 2024 of Bangladesh Bank and Corporate Guidelines of BSEC, the Audit Committee of ICB Islamic Bank Limited is comprised of 02 (two) members from the Board of Directors. The composition of the Audit Committee as on 31.12.2024 is as follows:

<b>Mr. Md. A. Salam Sikder, Independent Director</b>	<b>- Chairman</b>
<b>Mr. Tan Seng Chye, Director</b>	<b>- Member</b>

Besides these two members, Mr. Md. Rajab Ali, Director, EMD – 2 and Mr. Abu Saleh Mohammed Shahab Uddin, Director, Foreign Exchange Investment Department of Bangladesh Bank attended the meetings of Audit Committee as an observer in 2024.

The Company Secretary of ICBIBL is the Secretary of the Board of Audit Committee.

### Terms of Reference (ToR) of Audit Committee

This role is further expounded on and clarified in the Terms of Reference (ToR) of the Audit Committee which was revised in light of the directives contained in the BRPD Circular No-02, dated February 11, 2024 of Bangladesh Bank and Corporate Governance guideline of BSEC. According to the revised ToR of the Audit Committee, its principal duties and responsibilities are as follows:

#### In respect of internal control

- i) Evaluating whether the management:
  - a. Has an appropriate internal control and compliance culture with regard to risk management of the company;
  - b. Has clearly defined the duties and responsibilities of officials;
  - c. Has full control over the operations of the company.
- ii) Reviewing the appropriateness of Management Information System (MIS) including information technology system and its use.
- iii) Reviewing whether management is complying with recommendations made by the internal and external auditors.

#### In respect of financial statements

1. Reviewing whether the financial statements were prepared in compliance with all directives and guidelines prescribed by the Bangladesh Bank and are in accordance with Bangladesh Financial Reporting Standards and other laws and regulations.
2. Engaging in discussions with external auditors and management prior to the finalization of financial statement.
3. Attending and answering questions related to the accounts and audit at the AGM.

#### In respect of internal audit

1. Reviewing the activities and organizational structure of internal audit and ensuring that there is no barrier or limitation to the performance of an independent internal audit.
2. Assessing the efficiency and effectiveness of internal audit.
3. Assessing whether management is appropriately considering compliance of recommendations made by the internal auditors with regard to the observations identified by them.
4. Placing recommendations before the Board of directors in case of change of accounting policies.

#### In respect of external audit

1. Appraising the audit procedures and reviewing the management letter submitted by external auditors.
2. Assessing whether management has appropriately considered the observations and recommendations made by the external auditors.
3. Placing recommendations to the Board of Directors regarding appointment of external auditors.

### In respect of compliance to existing regulations

Reviewing whether the rules and regulations set by regulatory authorities (Bangladesh Bank and other regulatory bodies) as well as internal policies and guidelines approved by the Board of directors are being complied with.

### Miscellaneous

1. Placing quarterly reports before the Board of directors on rectification/correction status of errors, fraud, forgery and other irregularities if any, identified by internal auditors, external auditors and Bangladesh Bank inspection team.
2. Performing all other supervisory activities as assigned by the Board as well as evaluating its own efficiency on a regular basis.

### Chairman of the Audit Committee and qualifications of the members

The Audit Committee is chaired by an Independent Director. All the members of the committee are 'financially literate' as defined by the revised Corporate Governance guideline.

### The Audit Committee and Internal Control and Compliance

Internal Control and Compliance (ICC) Department is the department within ICBIBL that is tasked with reviewing the Company's system of internal controls, including the conduct of regular audits of all operational units. ICC is operationally independent in that its members are not involved in the Company's operational activities and in that the Head of ICC, in addition to his direct reporting line to the Managing Director and CEO, also has access to the Audit Committee. The Audit Committee is responsible for approving the annual audit plan of ICC and reviewing the plan's subsequent implementation. Internal audit reports and summaries thereof prepared by ICC are reviewed on a regular basis by the committee.

### Access of Head of ICC to the Audit Committee

The Head of Internal Control and Compliance has direct access to the Audit Committee which in turn is directly accountable to the Board.

### Meetings of the Audit Committee

The Audit Committee held 4 (four) meetings during the year 2024. The Committee met the Internal Audit Team, Finance and Accounts Division headed by CFO, Legal and Internal Control and Compliance Department of ICBIBL. The Committee also held a meeting with the External Auditors to discuss their findings and directed the Head of Accounts to resolve their observations which were not material.

The Audit Committee is a subcommittee of the Board of Directors and reports on its activities to the Board of Directors. The purpose of the Audit Committee is to assist the Board in fulfilling its oversight responsibilities, which includes but is not limited to implementation of the objectives, strategies, risk mitigation and overall business plans set by the Board for effective functioning of the Bank. The Committee also reviews the financial and operational risks through the Internal Control process.

The particulars of attendance of the members of the Audit Committee are given below:

Name of the Director	Position	Total number of meetings held during 2024	Total Attendance	Remarks
Mr. Md. Fariduddin Ah-med	Chairman	4	1	Retired on 22.03.2024

Mr. Tan Seng Chye	Member	4	4	
Mr. Md. Rajab Ali	Observer	4	3	
Mr. Abu Saleh Mohammed Shahab Uddin	Observer	4	1	

The Audit Committee during the year held 4 (four) meetings, discussed many issues and carried out its regular functions with particular emphasis on the followings:

- i) Reviewed Compliance Report on observation, recommendations and decision of the Audit Committee Meetings;
- ii) Reviewed Internal Audit Plan for the year 2024;
- iii) Reviewed existing Risk Management Procedures for ensuring an effective Internal Check and Control System;
- iv) Reviewed the highlights from Bangladesh Bank Comprehensive Inspection Reports on the Branches as well as various Divisions of Head Office of the Bank and suggest appropriate actions where needed;
- v) Reviewed Audit and Inspection Reports on the Branches as well as various Divisions of Head Office conducted by Internal Control and Compliance Department during the year 2024 and suggested appropriate actions, where needed;
- vi) Reviewed Quarterly Financial Report of the Bank and recommended its submission to the shareholders as a statutory requirement;
- vii) Placed Compliance Report/Minutes to the Board with the decisions/recommendations made by the Committee in the Meetings for information and concurrence of the Board on quarterly basis;
- viii) Reviewed the financial statements to ensure proper disclosure and presentation and compliance with Bangladesh Financial Reporting Standards;
- ix) Assessment of running the affairs of the Bank by the Management in line with the policies set by the Board of Directors; and
- x) Recommended strengthening of the Internal Control and Compliance Department in terms of Logistics and Manpower to increase their efficiency and capacity.

All minutes of the Audit Committee meeting are required to be submitted to Bangladesh Bank in accordance with the directives of the DOS Circular. Accordingly,

all minutes of the meeting of the Audit Committee are being submitted to Bangladesh Bank.

### **Reporting of the Audit Committee**

The Audit Committee reports directly to the Board of Directors and under certain circumstances can also report to the BSEC.

### **Immediate reporting to the Board of Directors**

Audit Committee shall immediately report to the Board of Directors in the following cases:

- On conflict of interest;
- Suspected and presumed fraud or irregularity or material defect in the internal control system;
- Suspected infringement of laws, including securities related laws, rules and regulations; and
- Any other matter which should be disclosed to the Board of Directors immediately.

No such issues arose at ICIBL during the year ended 2024.

### **Immediate reporting to the Bangladesh Securities and Exchange Commission**

If the Audit Committee has reported to the Board of Directors about anything which has material impact on the financial condition and results of operation of and where the Audit Committee finds that such rectification has been unreasonably ignored, the Audit Committee shall report such finding to the BSEC, upon reporting of such matters to the Board of Directors for three times or completion of a period of 9 (nine) months from the date of first reporting to the Board of Directors, whichever is earlier.

No such circumstances arose during the year 2024.

From our assessment of the various internal audit reports, it appears that ICB Islamic Bank Limited maintained effective Internal Control on its overall activities during the year 2024.

### **Review of Financial Statements**

The Audit Committee reviewed and examined the Annual Financial Statements 2024 prepared by the Management and audited by External Auditors M/s. Shafiq Basak and Co., Chartered Accountants in line with the Accounting Standards set by Regulatory Authorities. The Committee referred the Financial Statements for the consideration of the Board with necessary recommendations.

### **Miscellaneous**

1. Placing quarterly reports before the Board of directors on rectification/correction status of errors, fraud, forgery and other irregularities if any, identified by internal auditors, external auditors and Bangladesh Bank inspection team.
2. Performing all other supervisory activities as assigned by the Board as well as evaluating its own efficiency on a regular basis.

### **Acknowledgement**

The Audit Committee expresses its sincere thanks to the Members of the Board and the Management of ICIBL for their excellent support while carrying out its duties and responsibilities as per regulatory directives.

On behalf of the Audit Committee of the Board of Directors of ICIBL.

- Earnings per share (EPS) has decreased over the years since 2020 by BDT 3.78 per share and on average by BDT 0.75 per share each year and stood at BDT 1.42 per share for the year ended 31 December, 2024.
- Net asset value (NAV) per share has decreased over the years since 2020 by 3.67% and on average by 0.73% each year and stood at BDT 20.78 per share for the year ended 31 December, 2024.

**(d) Comparative analysis of financial performance and financial position as well as cash flows with peer industry scenario:**

Again as presented in the financial highlights, the comparative analysis of financial performance, financial position and cash flows with other relevant financial ratio and other industry performance parameter are described as following:

- The assets base of the Bank is of BDT 9243.04 million compare to the industry total BDT 19.87 trillion.
- As listed Bank, the current P/E ratio is nil far below of industry average 6.30%

**(e) Financial and economic scenario of the country and the globe:**

In 2024, Bangladesh's economy faced slower growth due to persistent inflation, foreign exchange pressures, and a tight monetary policy environment. Inflation stayed elevated above 9% affecting household purchasing power and increasing the cost of living. Foreign exchange reserves declined but gradually stabilized through import controls and policy adjustments. The garment sector continued to drive exports, though global demand fluctuations limited stronger performance. Remittances rose, helping ease external sector stress. The banking sector grappled with rising non-performing loans and structural weaknesses. Fiscal pressures increased due to lower revenue mobilization and higher subsidy requirements. Investment slowed as businesses faced higher financing costs. Climate-related disruptions further strained economic productivity. Overall, 2024 was a challenging year marked by macroeconomic stress, cautious policy measures, and a need for deeper structural reforms.

In 2024, the global economy experienced slower growth as high interest rates, persistent inflation, and geopolitical tensions weighed on trade and investment. Inflation gradually eased from its 2023 peaks but remained above pre-pandemic levels in many regions. Advanced economies faced weak consumer demand and tighter financial conditions, while developing countries struggled with debt burdens and limited fiscal space. Supply chain disruptions continued, especially in energy and food markets, due to ongoing conflicts and climate-related shocks. Global trade volumes expanded only modestly amid rising protectionism. Commodity prices fluctuated, adding uncertainty to production costs worldwide. Financial markets remained volatile, influenced by policy shifts from major central banks. Capital flows to emerging markets stayed constrained. Overall, 2024 was marked by subdued global growth, cautious monetary policies, and heightened economic vulnerability across regions.

**(f) Risks and concerns issues related to the financial statements:**

Within the context of changes in global economy and financial market including the expansion of emerging markets, the financial and economic practices have shifted in a radical pace. Changes in contractual concept in world business, expansion of more and more cross-border business urge world accounting bodies and forums to set new accounting standards and practices to address business requirement by providing more reliable and relevant information to the economic decision makers. Hence, in summary, the risks and concerns issues related to Banks' financial statements are as following:

- To understand, identify and recognize cross border transactions, other events or conditions properly;
- To understand, identify and recognize foreign currency based transactions, other events or conditions including its timely currency valuation

effects properly;

- Recent development in world financial market has boosted the interest rate volatility; thus Bank has contracted for Interest Rate Swap (IRS) to reduce interest rate risk. The accounting for IRS is much challenging because of reliable measurement of IRS fair value and accounting for the same;
- Recognition and presentation of property, plant and equipment including classification of spare parts are nowadays very challenging job to reflect the effect reliably;
- Identification and recognition of deferred tax issue on property, plant and equipment is now a days challenging due to its effect in the financial statements correctly and reliably;
- Recognition of revenue and trade receivables in line with contractual provisions including the receivable management have become concern in preparation and presentation of reliable financial statements.

To mitigate the above risk concerns and challenges, the Bank has a well set of internal control system including the Internal Audit team under the guidance of Audit Committee and under the direct consultation with competent external auditors. Talented pool of employees are well aware of the risk concerns and they are nominated for training and workshop program for skill development in the challenging areas so that they can identify, measure, recognize and condition relevantly and reliably.

**(g) Future plan for Banks' operation, performance and financial position:**

The Bank is planning to operate Internet banking, Agent banking as well as Mobile banking system.

The Shari'ah Supervisory Committee of ICB Islamic Bank Limited consists of Shari'ah Scholars and renowned Islamic Bankers. The Shari'ah Supervisory Committee meeting is usually held quarterly to provide opinions on various Shariah-related issues referred to it by the Bank's management.

We have reviewed the principles and contracts related to the transactions and applications introduced by ICB Islamic Bank during the period from 01 January, 2024 to 31 December, 2024. We have conducted our review based on the Shari'ah inspection reports of the Muraqib (Shari'ah Auditor) to form our opinion on whether the Bank has complied with Shariah rules and principles, as well as with specific Fatwas, rulings, and guidelines issued by us. In addition to our fatwas, the Muraqib also followed the internal Control and Compliance guidelines on Islamic Banking issued by Bangladesh Bank.

The ICB Islamic Bank Management is responsible for ensuring that it conducts its banking business by Shari'ah rules and Principles. It is our responsibility to form an independent opinion, based on our review of the Banking Operations and to report to you.

We conducted our review, which included, on a test basis, of each type of transaction, the relevant documentation and procedures adopted by the Bank. We planned and performed the review so as to obtain the information and explanation that we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that ICB Islamic Bank has not violated Shari'ah rules and principles.

### In our opinion:

- The contracts, transactions, and dealings entered into by the ICB Islamic Bank during the year ended on 31<sup>st</sup> December 2024 that we have reviewed comply with Shari'ah rules and principles.
- Distribution of profit to the Murabaha Depositors conforms to the basis that had been approved by us following Shari'ah rules and principles.
- All earnings that have been realized from sources or by means prohibited by Shariah rules and principles have been disposed of to charitable causes.
- Zakah is not applicable as the equity of the Bank is Negative.

### During the year under report, the Shari'ah Supervisory Committee has advised the Bank of the following Issues:

- To take effective steps aiming at gradual development of the employees and customers awareness about Shari'ah compliance in Islamic Banking.
- To strengthen audit and inspection programs for hundred percent Shari'ah compliance.
- To continue close monitoring of non-performing investment for improvement of asset quality.
- To introduce gradually Murabaha and Musharakah modes of investment.

We beg the almighty to grant us all the success and straightforwardness.

**Wassalamu Alaikum Wa Rahmatullah Wa Barakatuh.**

## Directors' Report – 2024

**Bismillahir Rahmanir Rahim**

All praise be to Allah SWT, the Lord of the Universe and peace and blessings of Allah be upon the Prophet Muhammad (SM.) and his Descendants and Companions.

**Dear Respected Shareholders,**

**Assalamu Alaikum Warahmatullah.**

With immense pleasure, we take the privilege of welcoming you to the 38th Annual General Meeting (AGM) of ICB Islamic Bank Limited. We convey our heartfelt thanks and gratitude to all of you for the continued support and patronization in carrying out the business of our beloved Bank in 2024. We present herewith the Audited Financial Statements and the Auditor's Report for the year ended 31 December 2024 for your perusal and consideration. A brief overview of global market trends with the performance of Bangladesh economy has also been provided in the Annual Report which would reveal continuous growth of the Bank in a stiff competitive environment.

The Directors, to the best of their knowledge and information, hereby confirm that the Annual Report 2024 together with the Directors' Report and the Financial Statements have been prepared in compliance with applicable BFRSs, Bank Companies Act 1991 (amended till 2023), Companies Act 1994, guidelines of Bangladesh Bank and Bangladesh Securities and Exchange Commission (BSEC), the Listing Regulation of Dhaka Stock Exchange (DSE) and other applicable laws and regulations. In addition, the Directors have endeavored to explain certain issues, which they deemed relevant and important to ensure transparency and good governance practices.

### Global Economic Outlook for 2024 and Prospects in 2025

The global economy demonstrated steady but moderate growth in 2024, with expansion averaging around 3 percent. While advanced economies benefited from resilient consumer demand and easing inflationary pressures, activity was tempered by high interest rates, trade frictions, and geopolitical uncertainty. Emerging markets, led by strong performance in Asia, continued to provide significant contributions to global growth. Looking ahead to 2025, the outlook points to a slight moderation, with forecasts ranging between 2.3 and 3.0 percent. Rising protectionism, policy uncertainty, and fiscal imbalances pose notable risks, though robust growth in key emerging economies is expected to provide some balance. Overall, the global economy is projected to navigate a cautious path, with growth remaining below pre-pandemic trends.

### Bangladesh Economy

The economy of Bangladesh continued to demonstrate resilience in 2024 despite global uncertainties and domestic challenges. Supported by strong remittance inflows, robust performance in the ready-made garments sector, and steady domestic consumption, GDP growth remained close to 6 percent. Inflationary pressures, driven by higher import costs and supply-side disruptions, remained a key concern, alongside challenges in foreign exchange reserves and external balances. Looking ahead to 2025, Bangladesh's economy is projected to maintain a growth trajectory in the range of 6 to 6.5 percent, supported by infrastructure development, export diversification efforts, and steady investment inflows. However, sustaining growth will require careful management of inflation, fiscal discipline, and structural reforms to enhance competitiveness and resilience in a more uncertain global environment.

### Banking Industry Outlook 2024

The banking sector in Bangladesh comprises four categories of scheduled banks - State-Owned Commercial Banks (SCBs), State-Owned Development Financial Institutions (DFIs), Private Commercial Banks (PCBs) and Foreign Commercial Banks (FCBs). In Bangladesh, 61 scheduled banks are performing their banking business including 10 full-fledged Islamic banks.

In 2024, the banking industry of Bangladesh operated under a challenging macroeconomic environment characterized by persistent inflationary pressures, foreign exchange volatility, and liquidity constraints. While the sector benefited from ongoing digital transformation, financial inclusion initiatives, and growing adoption of mobile financial services, structural challenges remained significant. The level of non-performing loans (NPLs) continued to be a major concern, impacting profitability and asset quality across the sector. At the same time, regulatory reforms and initiatives to strengthen corporate governance, improve risk management, and enhance transparency gained greater momentum. Despite these challenges, the banking industry demonstrated resilience, supported

by steady remittance inflows, a rebound in trade financing, and expansion in SME and retail banking activities. Looking ahead, banks will need to focus on strengthening capital adequacy, accelerating digital adoption, and improving asset quality to ensure sustainable growth in an evolving economic landscape. Some important initiatives taken by Bangladesh Bank in 2023 like rationalization of interest rate on deposit, collateral valuation firm/company enlistment policy, policy on off-balance sheet (OBS) exposure, master circular on schedule of charges, policy regarding establishment of banks' business centers and their rent/lease related issues etc.

### **The Challenges and Opportunities in Banking Sector in 2025**

Banking sector is called the heart of a country's economy. It is more accurately true for a developing country like Bangladesh of which economy is based on the banking sector mostly. Since independence, this sector has kept the wheel of the economy moving forward. So, it is obvious that any disruption in the banking sector will bring negative consequences for the economy.

The banking sector of Bangladesh in 2025 is expected to face a complex set of challenges while also encountering opportunities for transformation and growth. Key challenges include managing elevated non-performing loans (NPLs), ensuring adequate liquidity, and addressing pressure on foreign exchange reserves amid global trade uncertainties. Rising compliance requirements, governance reforms, and the need for stronger risk management frameworks will also demand greater focus and resources. In addition, global economic moderation and rising protectionism may affect trade finance and remittance inflows, exerting pressure on banks' balance sheets.

On the other hand, significant opportunities exist for the sector to enhance resilience and growth. Expanding digital banking and mobile financial services present avenues for greater financial inclusion and efficiency, while increasing demand for SME and retail financing offers potential for portfolio diversification. The government's emphasis on infrastructure development and export diversification will create opportunities for banks to support long-term financing. Moreover, adopting advanced technologies such as artificial intelligence, data analytics, and digital payment systems can improve operational efficiency, customer experience, and risk management.

Overall, 2025 will be a year of both adjustment and innovation for the banking sector in Bangladesh, requiring institutions to strike a balance between addressing structural weaknesses and capitalizing on emerging opportunities to strengthen financial stability and support sustainable economic growth.

#### **Risk Management Overview**

Risk management is the process of analyzing exposure to risk and determining how to best handle such exposure. The Bank is sanguine to identifying areas of risks in the business, whether it is financial, operational, ICT, reputational or credit. The Board of Directors and the management take measures to monitor and manage the risks of the Bank. In accordance with Bangladesh Bank Guidelines, the Bank has established the risk framework that consists of six core risk management policies namely (i) Investment Risk (ii) Asset and Liability/Balance Sheet Risk (iii) Foreign Exchange Risk (iv) Internal Control and Compliance Risk (v) Money Laundering Risk and (vi) Information and Communication Technology Risk. Besides, the Bank has adopted Environmental Risk Management Guidelines in accordance with Bangladesh Bank guidelines and emphasizes it as a core Risk.

In order to achieve the objectives of effective risk management programs, the Bank has:

- (i) Proactive Board of Directors and Senior Management's Supervision;
- (ii) Adequate Policies and Procedures;
- (iii) Proper Risk-Measurement, Monitoring and Management Information Systems; and
- (iv) Comprehensive Internal Control measures;

#### **Audit Risk Management Committee (ARMC)**

Risk in banking has been evolving over the past decade. The global financial crisis underlined the importance of sound and comprehensive risk governance. Managing high risk in banking operations, issue of effective internal control system, corporate governance, transparency and accountability have become major components to ensure smooth performance of the banking industry throughout the world. Internal control system ensures the effective control measures of the whole operations; the scope of internal control is not limited to audit work. It is an integral part of the daily activity of a bank, which on its own merit identifies the risks associated with the process and adopts a measure to mitigate the same. Besides, Internal Audit reinforces the control system through regular review.

With a view to establishing an independent Risk Management Unit, ICB Islamic Bank Limited formed a Committee with senior management team, called Audit Risk Management Committee (ARMC). This committee oversees reviews, assesses and recommends on the findings and lapses reported by Internal Control and Compliance Department (ICCD) to the Audit Committee of the Board.

The Board of Directors and Senior Management of the Bank endeavors to develop a high ethical and moral standard to ensure a strong compliance culture in the Bank. In this context, the Bank gives priority to the following issues:-

- (i) To encourage employees to comply with all the policies, procedures and regulations;
- (ii) To maintain continuous liaison with the regulators to obtain regular information on regulatory changes; and
- (iii) To establish an effective communication process to sensitize the officials of the concerned Divisions and Branches of the relevant regulations.

#### **Internal Control and Compliance**

Internal Control is a process effected by bank's Board of Directors and Management team to provide reasonable assurance regarding the achievement of effective and efficient operations, reliable financial reporting and compliance with applicable laws, regulations and internal policies. The Internal Control Process of the bank reviews and updates the operation procedure in line with laws and regulations imposed by bank company act, Bangladesh Bank and other regulatory bodies round the year.

Internal Control and Compliance ensures that the bank employees are performing their duties according to the laws, regulations and internal policies for achieving the goals of the bank. The Internal Control and Compliance Framework of the bank was designed to mitigate risks of the bank. It also provides reasonable assurance of effectiveness against material misstatement of management and financial information or against financial losses and fraud, and, compliance with the applicable laws and regulations.

ICB Islamic Bank Limited has a strong Internal Control and Compliance (ICC) Division comprising of three (3) departments; Audit and Inspection Department, ICC Compliance Unit and ICC Monitoring Unit as per ICC guidelines of Bangladesh Bank. The Audit and Inspection Department is responsible for periodic and special inspection of all branches and Head Office departments. The Compliance Unit ensures the corrective measures taken by the branches and Head Office department. The Monitoring Unit confirms that the branches and departments are following the instructions for avoiding repetition of the same mistakes.

#### **Information Technology**

Technology plays a critical role in the performance of core functions of the bank. The rapid progress in information technology is transforming the way by adapting state-of-art technology platform. For ICB Islamic Bank Limited (ICBIBL), the key to success in such a demanding market situation is to be equipped with a proven and versatile IT solution, which has the capability of defining new products and services, coupled with the ability to access and manage information on a continuous real time basis.

Bangladesh government also has taken IT as a thrust sector. Several initiatives have been taken during last couple of years to make a "Digital Bangladesh". Like other areas, Banking Sector in Bangladesh has also adopted IT as the key business enabler.

In line with the Core Banking Solution (CBS), ICBIBL has successfully introduced various services like Bangladesh Automated Cheque Processing System (BACPS) as well as Bangladesh Electronic Fund Transfer Network (BEFTN), ICBIBL system is also connected with central banks' National Payment System of Bangladesh (NPSB), Real Time Gross Settlement (RTGS), Anti Money laundering transactions online reporting module (GoAML), Bulk Data Upload of IMP/EXP data, Updated Online credit Information Bureau (CIB) reporting, Automation of Bangladesh Bank ISS (Integrated Supervision System) reporting, Automation of Bangladesh Bank's Risk Management Report module as per Bangladesh Bank (Central Bank) guide line. For betterment of customers' services, Bank has expressed and deployed different channels like ATM, POS, Debit Cards, Document Repository, easy Pay, and Transactions Alert through SMS etc. services. In order to secure financial transactions, customer data and prevent money laundering, ICBIBL has introduced Sanction Screening and a unique SMS and Mail notification system for SWIFT payment procedures which has reduced cyber-attack risk significantly. To make banking faster, easier, more efficient and even more effective to serve the customers on 24 hours a day, 365 days a year, Bank will soon provide the Internet and Mobile Banking facilities.

A dependable Management Information System (MIS) is essential for efficient management of data and providing the quick information to the management

on an 'as and when required' basis which is used by the Bank. Nowadays, in financial sector, especially in the banking sector security is the main concern, to protect against any kind of intrusion by both internal and external threats. In order to meet this objective, ICIBL has prepared an ICT Security Policy as per Bangladesh Bank guidelines which are used by the bank to accelerate in terms of information generation, utilization and applications.

### Anti Money Laundering Department

Money laundering refers to the process of taking illegally obtained money and making it appear to have come from a legitimate source. It involves putting the money through a series of commercial transactions in order to "clean" the money. Criminals are continuously inventing different ways to hide and move illicit money earned through illegal sources.

To safe guard the bank and the financial system of the country, ICIBL is following best practices to counter AML and Terrorist Financing. Bank is following meticulously with the Money Laundering Prevention (Amendment) Act, 2015, Antiterrorism (Amendment) Act, 2013 and related circulars of BFIU, Bangladesh Bank to prevent money laundering and combating terrorism financing.

Following to Bangladesh bank's latest guidelines and special stress on Trade Based Money Laundering, special trainings are conducted to make all staff aware of Trade Based Money Laundering. Anti-Money Laundering Department lead by CAMLCO and supported by DCAMLCO promptly reports all CTR and STR on a regular basis to BFIU and Bangladesh Bank.

While onboarding new relationships, KYC process is followed meticulously with Verification of NID by using the database of Election Commission, Automated Sanction screening process (U.N., EU, OFAC and Bangladesh Bank and BFIU sanction list) and thorough background check where Enhanced Due Diligence is required. The Cash Officers and Branch Operation Managers monitor all the transactions and reports to CAMLCO/DCAMLCO where a mismatch is found with customer's Transaction Profile immediately updated with due diligence by the branch.

### Anti Money Laundering Risk Management

ICIBL has taken preventive measures against money laundering and terrorist financing by following the guidelines of Money Laundering Prevention Act (Amendment) 2012, Anti- Terrorism Act (Amendment) 2012 and circulars issued by Bangladesh Financial Intelligence Unit to mitigate the risk. As per the rules and regulation of BFIU, ICIBL applies the sensitive Customer Due Diligence (CDD) measures. The activities of AML Department of ICIBL are mentioned below::

The annual financial budget and job objectives are discussed, reviewed and finalized by the Board at the start of the financial year. The business and financial targets are evaluated in each quarter with actual achievements by the Board. The non-financial achievements are also reviewed by the Board in each quarter. Moreover, a yearly assessment and evaluation of the achievements of pre agreed targets are made at the close of the year along with the deviations, and reasons of deviations.

### Delegation of power

The Board has delegated appropriate finance and business power to the Management as per guidelines of the Bangladesh Bank. In order to have proper functioning and quick disposal of credit proposal, the Board has delegated authority to the Executive Committee of the Board to approve proposal within certain limit. The delegation has supported the operation in positive manner.

### Committees of the Board

The Board has three (3) sub-committees; Executive Committee, Audit Committee and Risk Management Committee. These Committees are functioning within the clear Terms of Reference (TOR). The Company Secretary act as the Secretary to each Committee.

#### Executive Committee

As approved by Bangladesh Bank, the Board has Executive Committee (EXCO) and the numbers of members of the Committee are three including Managing Director and CEO. The establishment of the EXCO is provided for under clauses 72 and 73 of the Bank's Memorandum and Articles of Association. In compliance with the BRPD circular No. 02 dated 11 February 2024, the Board of Directors of ICB Islamic Bank Limited has reconstituted its Executive Committee with the following members:

SI No.	Name of Members	Positions in the EXCO
1.	Mr. Akil Bin Amir	Chairman (Interim)
2.	Ms. Lee Ooi Kim	Member
3.	Mr. Md. Mazibur Rahman	Managing Director

Since the current size of the Board of ICB Islamic Bank Limited (four members) is slim enough to hold meetings on a regular basis, there were not so many urgent issues for Executive Committee to deal with during 2024. Therefore, there was no Executive Committee meeting held during the period of 2024.

#### Audit Committee

In compliance with the directive of BRPD circular No. 02 dated 11 February 2024 of Bangladesh Bank and the Notification of Bangladesh Securities and Exchange Commission No. SEC/CMRRCD/2006-158/207/Admin/80 dated 03 June 2018 the Board constituted an Audit Committee. The Audit Committee examines the status of implementation of the Bank's policies, manuals and Bangladesh Bank's guidelines. The Internal Audit team of the Bank undertakes various special audits as per advice of the Audit Committee. The Audit Committee meets with the External Auditors to discuss audit plan, the risk management processes of the Bank. They also discuss the preparation of the financial statements of the Bank as per International Accounting Standards (IAS) and International Financial Reporting Standard (IFRS).

#### Audit Committee Meeting and Attendance 2024

- Managing Director and CEO is paid salaries and allowances as per approval of the Board and the Bangladesh Bank;

## Management

The Management team of ICB Islamic Bank Limited is headed by the Managing Director and CEO. Several management committees have been formed to handle the banking operation and identify and manage risk. The committees are MANCOM, ARMC, ALCO and Local Investment Committee. The Managing Director and CEO leads the Committees. As per Bangladesh Bank's instruction, 'Basel-III Implementation Committee' has been formed which is responsible for proper implementation of Basel-III capital adequacy guidelines in the Bank.

## Regulation and Supervision

ICB Islamic Bank Limited is governed by Bangladesh Bank's rules and regulation on various issues of banking operation. The Bank Company Act 1991 (amended till 2018) and various circulars issued by Bangladesh Bank forms the basis of supervision. Various requirements and controls are imposed covering inter-alia capital adequacy, depositors' protection, risk management, market and liquidity, anti-money laundering compliance, prudential guidelines on financing, reporting standard etc. They also undertake comprehensive and special audit of the Bank. Bangladesh Bank regularly meets with senior executives of the Bank, discusses issues regarding adherence to the standards and guidelines by the Bank.

## Audit by Bangladesh Bank

Bangladesh Bank also conducted comprehensive inspection on Head Office and branches of the Bank during 2023. They have also audited our Treasury Operation and IT Risk Management processes. The reports are reviewed by the Board and its Audit Committee. The Bank gives utmost importance to the inspection report and corrective actions are taken regarding the inadequacies or lapses mentioned in the report.

## IT Audit and Security

Information system is the means of support of any large business. Computer systems do not merely record business transactions, but actually drive the key business processes of the enterprise. In such a scenario, senior management and business managers do have concerns about information systems; primary concern is Information security. Information Security protects information from a wide range of threats in order to ensure business continuity, minimize business damage, and maximize return on investment. Information security system is built on the following needs:

- ⇒ **Accessibility** : The system should be able to provide accurate data and information on time and whenever required. The system should be protected against all type of losses and disasters;
- ⇒ **Confidentiality** : To maintain adequate control on the users and uses of the data to maintain secrecy;
- ⇒ **Reliability** : Information provided by the system should be always accurate, reliable and timely. There should be check and balances for stopping any unauthorized modification to the data or software.

Information Systems audit is a part of the overall audit process, which is one of the facilitators for good corporate governance. IT audit is basically the process of collecting and evaluating evidence to determine whether a computer system safeguards assets, maintains data integrity, achieves organizational goals effectively and consumes resources efficiently.

ICB Islamic Bank Limited is fully dependent on information technology for its smooth operation and to provide customer services. Information and information system controls in an IT driven environment suffer from significant inherent risks such as data loss, corruption of data, risk of unauthorized access to and modification to data in electronic form, risk of logical access to instruction sets, data loss and critical systems settings etc.

Internal IT Audit provides an objective means of reviewing the risks faced by the bank in relation to use of information technology and assess whether they are being controlled/mitigated in an effective and efficient manner; provide an assessment of the Bank's IT control against "Guideline on ICT for Scheduled Banks and Financial Institutions" of Bangladesh Bank.

## Internal Control and Compliance

Internal Control contains self-monitoring mechanisms, and actions are taken to correct deficiencies as they are identified. Effective internal control, no matter how well designed, has intrinsic precincts including the possibility of the circumvention or overriding of controls and therefore can provide only reasonable assurance with respect to financial statement preparation. Further, because of changes in conditions, internal control effectiveness may vary over the time.

Modern bank management and supervision mainly focus on risk factors in banking. ICB Islamic Bank Limited has taken all efforts to mitigate all sorts of risk as per guidelines issued by Bangladesh Bank. As a part of robust risk management process, the Bank has formulated a comprehensive Credit Risk Management Policy to address credit risk. To mitigate operational risk, money laundering and terrorist financing risk, circumvention or overriding the internal control procedure Internal Control and Compliance Departments are carrying out regular audit and inspection of the functions of the branches. Deficiencies/lapses/irregularities detected by these audit and inspection are rectified/regularized by the concerned branches at the earliest and compliance reports are being submitted to Head Office. The Bank prepared the Risk Assessment Matrix of various banking functions and incorporated the same in Departmental Control Function Checklist (DCFCL). The Branches and Divisions of Head Office are following the DCFCL attaching due importance to high risk and medium risk functions. The Bank also prepared Internal Control and Compliance Manual to strengthen internal control function.

## Corporate Social Responsibility

Corporate Social Responsibility (CSR) is a concept that reflects the ethical and social obligations of organizations to contribute positively to society beyond their economic interests. CSR involves commitment to contribute to the economic, environmental, and social sustainability of communities through the ongoing engagement of stakeholders, the active participation of communities impacted by organization activities and the public reporting of organization policies and performance in the Social, environmental and economic aspects. These three aspects provide the basis for the 3 Ps. These are:

- People
- Planet
- Profit

In today's competitive world CSR is very important for an organization. CSR can promote respect for an organization in the marketplace which can result in higher sales, enhance employee loyalty and attract better personnel to the organization ICB Islamic Bank Limited supports the concept of "Triple Bottom Line"

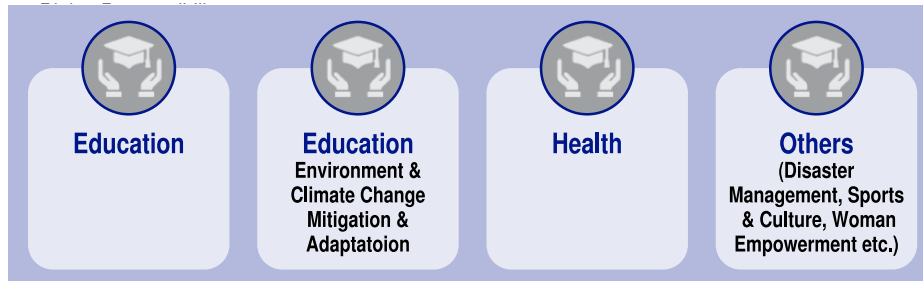

which focuses on:

- Better economic performance
- Superior social live out
- Excellent ecological practice

**CSR is generally categorized in four ways:**

- Environmental Responsibility
- Ethical/
- Philantl
- Econor

**Our Major CSR acti**

In respect of CSR, ICB Islamic Bank Limited has focused on following specific key areas of:

- Nation building
- Augmentation of market position
- Sponsorship of the work place
- Prop up to the community
- Fortification of environment

### **Nation Building**

CSR is a catalyst for nation-building as it addresses social, economic and environmental challenges and must be encouraged as it contributes immensely to the well-being of a nation and its citizens. ICBIBL constantly showed sturdy performance which has helped the control of the banking sector. The local and international recognition of the published accounts has helped to establish integrity of the country's financial system. ICBIBL will continue to play the key role in this regard. Retail and SME financing have become keys to economic growth of the country and without opening up of the financial sector to semi urban and rural areas, the projected growth of 7.6 percent will not be achievable. ICBIBL has given strong focus in these areas which are evident from the growth rate achieved during the year. Public service has still to achieve a desirable level and as such emphasis is also given on infrastructure development which includes financing for communication, telecommunication, bridge, road and highways etc. This will have positive impact on national growth.

### **Supplier payment policy**

ICBIBL always adheres to well set payment policies for all suppliers and explains them in details about the payment method and system and reviews process before providing work order. Bills are paid according to the payment terms and VAT and other withholding taxes are deducted from bills as per law. As of date there is no legal case led by the Bank or led against the Bank by any supplier.

### **Contribution to National Exchequer**

ICBIBL has contributed significantly to the government effort in collection of revenue. As per law, the Bank deducts at sources income taxes, VAT and excise duty from various payments and services and deposits the same to government exchequer. Besides, the Bank also pays income tax on its earnings.

### **Capacity Development in the Banking and Financial Sector**

ICBIBL believes that professional development of the people working in the banking and financial sector will greatly help to mitigate various risk elements involved in banking transactions. With that aim in view, the Bank took some exclusive initiatives which were appreciated by the participants.

During the year 2024, the Head Office of ICBIBL arranged discussion meetings and held formal and informal discussions on various Shariah issues. Members of Shariah Supervisory Committee, prominent thinkers on Islamic principles and customers participated in the discussion meeting.

ICBIBL encourages the participation of graduates in the business processes of the Bank through its internship program. This program of the Bank allows fresh and meritorious graduates from Business Schools and Universities to get practical experience about the different processes in banking. These experiences help them to plan their career path more successfully.

### **Sponsorship of Environment**

ICBIBL is always committed in discharging its due social obligation and is particularly concerned about the impact of Bank's financed projects on environment. A policy on Green Banking is formulated in accordance with guidelines issued by the Bangladesh Bank. ## Annual disclosure under Pillar-III of Basel-III as of December 31, 2024

### Scope and purpose

The purpose of disclosures in pursuance of the Market Discipline as required by the Revised Capital adequacy Framework under Basel III is to complement the minimum capital requirements and the supervisory review process. The aim of such disclosure is to establish more transparent and more disciplined financial market so that stakeholders can assess the position of the Bank regarding holding of assets and to identify the risks relating to the assets and capital adequacy to meet plausible loss of assets. For the said purpose, the Bank developed the set of disclosure containing the key pieces of information on the assets, risk exposures, risk assessment processes, and hence the capital adequacy to meet the risks.

The Bank is in a process of obtaining approval by the Board of Directors of a formal disclosure framework which will include the validation and frequency of such disclosure.

### Relations with accounting disclosures

- The disclosure framework does not conflict with requirements under accounting standards as set by Bangladesh Bank from time to time. Moreover, Bank's disclosures are consistent with how senior management and the Board of Directors make assessment and manage the risks of the Bank.
- Under Minimum Capital Requirement, Bank used specified approaches/ methodologies for measuring the various risks they face and the resulting capital requirements. It is believed that providing disclosures that are based on a common/ harmonized framework is an effective means of informing the stakeholders about the Bank's exposure to those risks and provides a consistent and comprehensive disclosure framework of risks and its management that enhances comparability.
- The disclosure has adequate validation and is consistent with the audited Financial Statements.

### Materiality of disclosure

The Bank disclosures all relevant and material Information individually or in aggregate whose omission or misstatement could change or influence the assessment or decision of an user relying on such information for the purpose of making economic decision.

### Frequency of disclosure

- The Bank provided all required disclosures in both qualitative and quantitative forms annually, as at end of March every year along with the annual financial statements. The Bank also submits a copy of the disclosures to the Department of Off-site Supervision of Bangladesh Bank. The Bank made the annual disclosures in the official website of the Bank: [www.icbislamic-bd.com](http://www.icbislamic-bd.com). Qualitative disclosures provide a general summary of the Bank's risk management objectives and policies, reporting system and definitions.
- The disclosure on the websites is made in a web page titled "Disclosures on Risk Based Capital (Basel III)" and the link to this page prominently provides on the home page of the bank's website. Each of these disclosures pertaining to a financial year is available on the websites until disclosure of the 4<sup>th</sup> subsequent annual (as on March 31) disclosure is made.

### Disclosure framework

According to the revised Risk Based Capital Adequacy Guidelines the Bank requires general qualitative disclosure for each separate risk area (e.g. Investment, market, operational, banking book interest rate risk, equity). The Bank must describe their risk management objectives and policies, including:

- Strategies and processes;
- The structure and organization of the relevant risk management function;
- The scope and nature of risk reporting and/or measurement systems;
- Policies for hedging and/or mitigating risk and strategies and processes for monitoring the continuing effectiveness of hedges/mitigations.

The following components set out in tabular form are the disclosure requirements:

- Scope of application
- Capital structure
- Capital adequacy
- Investment Risk
- Equities: disclosures for banking book positions
- Interest rate risk in the banking book (IRRBB)
- Market risk

(a)	Definition of Past Due and Impaired Investments: ICBIBL is following the Bangladesh Bank guidelines and definition of past due and impaired investments for accounting purposes as below:
(1)	Past Due/Over Due:
(i)	Any Continuous Investment if not repaid/renewed within the fixed expiry date for repayment bank will be treated as past due/overdue from the following day of the expiry date.
(ii)	Any Demand Investment if not repaid/rescheduled within the fixed expiry date for repayment will be treated as past due/overdue from the following day of the expiry date.
(iii)	In case of any installment(s) or part of installment(s) of a Fixed Term Investment is not repaid within the fixed expiry date, the amount of unpaid installment(s) will be treated as past due/overdue from the following day of the expiry date.
(iv)	The Short-term Agricultural and Micro-Credit if not repaid within the fixed expiry date for repayment will be considered past due/overdue after six months of the expiry date.
(2)	All unclassified Investment other than Special Mention Account (SMA) will be treated as Standard.
(3)	A Continuous Investment, Demand Investment or a Term Investment which will remain overdue for a period of 02 (two) months or more, will be put into the “Special Mention Account (SMA)”. This will help banks to look at accounts with potential problems in a focused manner and it will capture early warning signals for accounts showing first sign of weakness. Investments in the “Special Mention Account (SMA)” will have to be reported to the Credit Information Bureau (CIB) of Bangladesh Bank.
(4)	Investment except Short-term Agricultural & Micro-Credit in the “Special Mention Account” and “Sub-Standard” will not be treated as defaulted Investment for the purpose of section 27KaKa(3) [read with section 5(GaGa)] of the Banking Companies Act, 1991.
(5)	Any continuous Investment will be classified as: i. ‘Sub-standard’ if it is past due/overdue for 03 (three) months or beyond but less than 06 (six) months. ii. ‘Doubtful’ if it is past due/overdue for 09 (Nine) months or beyond but less than 12 (twelve) months iii. ‘Bad/Loss’ if it is past due/overdue for 12 (twelve) months or beyond.
(6)	In case of any installment(s) or part of installment(s) of a Fixed Term Investment is not repaid within the due date, the amount of unpaid installment(s) will be termed as “past due or overdue installment(s). In case of Fixed Term Investments: - i. If the amount of past due installment is equal to or more than the amount of installment(s) due within 09 (Nine) months, the entire Investment will be classified as “Sub-standard”. ii. If the amount of past due installment is equal to or more than the amount of installment(s) due within 15 (Fifteen) months, the entire Investment will be classified as “Doubtful”. iii. If the amount of ‘past due installment is equal to or more than the amount of installment(s) due within 18 (Eighteen) months, the entire Investment will be classified as “Bad Loss”. Explanation: If any Fixed Term Investment is repayable on monthly installment basis, the amount of installment(s) due within 06 (six) months to the sum of 06 monthly installments. Similarly, if the Investment is repayable on quarterly installment basis, the amount of installment(s) due within 06 (six) months will be equal to the sum of 2 quarterly installments.
(7)	The Short-term Agricultural and Micro-Credit will be considered irregular if not repaid within the due date as stipulated in the investment agreement. If the said irregular status continues, the credit will be classified as ‘Substandard ‘ after a period of 12 months, as ‘Doubtful’ after a period of 24 months and as ‘Bad/Loss’ after a period of 36 months from the stipulated due date as per the Investment agreement.

**Description of approaches followed for specific and general allowances and statistical methods:**

ICBIBL is following the general and specific provision requirement as prescribed by Bangladesh Bank time to time.

**Investment Risk Management Policies:**

The Bank has put in place a well-structured Investment Risk Management Policy known as Investment Policy Manual (IPM) approved by the Board in 2008 and subsequently reviewed in 2018 & 2021. The Policy document defines organization structure, role and responsibilities and, the processes whereby the Investment Risks carried by the Bank can be identified, quantified and managed within the framework that the Bank considers consistent with its mandate and risk tolerance.

Besides the IPM, ICBIBL also frames Product Program Guidelines (PPG) as and when necessary to address any regulatory issues or establish control points. Bank also has a system of identifying and monitoring problem accounts at the early stages of their delinquency through implementation of Sales Routine so that timely corrective measures are initiated.

The Bank manages its Investment risk through continuous measuring and monitoring of risks at each obligor (client) and portfolio level. The Bank is following the Bangladesh Bank prescribed Credit Risk Grading modules (CRGM) and has internally developed well-established Investment appraisal/approval processes. The CRGM capture quantitative and qualitative issues relating to management risk, business risk, industry risk, financial risk and project risk. Besides, such ratings consider transaction specific Investment features while assessing the overall rating of a client. ICBIBL is also considering credit ratings of the client assessed by ECAs while initiating any Investment decision. A well-structured Delegation and Sub-delegation of Investment Approval Authority is prevailing at ICBIBL for ensuring goods governance and better control in Investment approval and monitoring.

Table as per Disclosure Framework – 7	Market risk
Qualitative Disclosures	
<p>Market Risk is defined as the possibility of loss to a Bank caused by changes in the market variables such as interest rates, foreign currency exchange rates, equity prices and commodity prices. Bank's exposure to market risk arises from investments (interest related instruments and equities) in trading book [HFT categories] and the Foreign Exchange positions. The objective of the market risk management is to minimize the impact of losses on earnings and equity.</p> <p>The Bank has put in place Board approved Asset Liability Management Policy for effective management of Market Risk in the Bank. In order to assess impact on capital due to adverse movement in trading book, ICBIBL calculated Stress Testing in accordance with the requirements of the Bangladesh Bank Guidelines. The Bank already finalized comprehensive Investment policy. The policies set various risk limits for effective management of Market Risk and ensuring that the operations are in line with Bank's expectation of return to market risk through proper Asset Liability Management. The policies also deal with the reporting framework for effective monitoring of Market Risk.</p> <p>The ALM Policy specifically deals with liquidity risk management and interest rate risk management framework. As envisaged in the policy, Liquidity Risk is managed through GAP and Duration analysis, based on residual maturity/behavioral pattern of assets and liabilities, on a daily basis based on best available data coverage, as prescribed by the Bangladesh Bank. Liquidity profile of the Bank is evaluated through various liquidity ratios.</p> <p>The Asset Liability Management Committee (ALCO)/Board monitors adherence of prudential limits fixed by the Bank and determines the strategy in light of market conditions (current and expected) as articulated in the ALM policy. The Mid Office at the Treasury also monitors adherence of prudential limits on a continuous basis.</p>

Table as per Disclosure Framework – 9			Liquidity Risk
As per Bangladesh Bank BRPD circular No. 18 dated December 21, 2014, Bangladesh Bank has strengthened the liquidity framework by developing two minimum standards for funding liquidity; one is Liquidity Coverage Ratio (LCR) and another is Net Stable Funding Ratio (NSFR).			
Qualitative disclosure	a)	i) Views of BOD on system to reduce Liquidity Risk	Liquidity risk arises when the Bank cannot maintain or generate sufficient funds to meet its payment obligations as they fall due or can only do so at a material loss. This can arise when counterparties who provide funding to the Bank withdraw or do not roll over a line of funding or as a result of a general disruption in financial markets which lead to normal liquid assets becoming illiquid. The main sources of the Bank's funding are capital, core deposits from retail and commercial clients, wholesale deposits and access to borrowed funds from the interbank money market. ICB Islamic Bank manages liquidity risk in accordance with regulatory guidelines internal benchmarks. A Board approved Liquidity Policy to manage liquidity on a day-to-day basis and a Contingency Funding Plan to deal with crisis situations are in place.
		ii) Methods used to measure Liquidity risk.	<b>Measurement Methodology:</b> The equation: Liquidity Coverage Ratio (LCR):- $LCR = \frac{\text{Stock of high quality liquid assets}}{\text{Total net cash outflows over the next 30 calendar days}} \geq 100\%$ $LCR = \frac{0.93 \text{ Crore}}{58.15 \text{ Crore}}$ $LCR = 1.59\%$ <b>Net Stable Funding Ratio(NSFR):</b> The equation: $NSFR = \frac{\text{Available amount of stable funding}}{\text{Required amount of stable funding}} \geq 100\%$ $NSFR = \frac{851.35 \text{ Crore}}{909.35 \text{ Crore}}$ $NSFR = 93.62\%$
		iii) Liquidity Risk Management system.	Treasury Division manages the liquidity risk and ALCO monitors the activities of Treasury Division in managing such risk.

	iv) Policies and processes for mitigating liquidity risk.	To mitigate the several liquidity risks, the Bank formed Asset Liability Management Committee (ALCO) who monitors the Treasury Division's activities to minimize the liquidity risk. ALCO is primarily responsible for establishing the liquidity risk management and asset liability management of the Bank, procedures thereof, implementing core risk management framework issued by the regulator, best risk management practices followed by globally and ensuring that internal parameters, procedures, practices / polices and risk management prudential limits are adhere to.

Table as per Disclosure Framework – 10	Leverage Ratio
--	----------------

As per Bangladesh Bank BRPD circular No. 18 dated December 21, 2014, leverage ratio has been introduced.

Qualitative disclosure	a)	i) Views of BOD on system to reduce excessive leverage	In order to avoid building-up excessive on- and off-balance sheet leverage in the banking system, a simple, transparent, non-risk based leverage ratio has been introduced. The leverage ratio is calibrated to act as a credible supplementary measure to the risk based capital requirements. The leverage ratio is intended to achieve the following objectives: a) constrain the build-up of leverage in the banking sector which can damage the broader financial system and the economy; and b) introduce additional safeguards against model risk and measurement error by supplementing the risk based measure with a simple, transparent, independent measure of risk.
		ii) Policies and processes for mitigating market risk.	To mitigate excessive on and off-balance sheet leverage, the Bank formed Basel Unit who monitors the implementing status of Basel – III within the Bank as per the guidelines on risk based capital adequacy issued by Bangladesh Bank.
		iii) Approach for calculating leverage ratio.	A minimum Tier 1 leverage ratio of 3% is being prescribed both at solo and consolidated level. Leverage Ratio = $\frac{\text{Tier 1 Capital (after related deductions)}}{\text{Total Exposure (after related deductions)}}$ The banks will maintain leverage ratio on quarterly basis. The calculation at the end of each calendar quarter will be submitted to BB showing the average of the month end leverage ratios based on the following definition of capital and total exposure.

## Independent Auditor's Report To the Shareholders of ICB Islamic Bank limited

### Report on the Audit of the Financial Statements

#### Opinion

We have audited the financial statements of ICB Islamic Bank Limited (the "Bank"), which comprise the balance sheet as of 31 December 2024 and the profit and loss account, statement of changes in equity and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements of the Bank give a true and fair view of the financial position of the Bank as of 31 December 2024, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) as explained in note 03.

#### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Bank in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), Bangladesh Securities and Exchange Commission (BSEC) and Bangladesh Bank, and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code and the Institute of Chartered Accountants of Bangladesh (ICAB) Bye-Laws. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Material Uncertainty Related to Going Concern

We draw users' attention to Note 3.3 in the financial statements which shows, The Bank has an accumulated loss of Tk. 20,997.16 million as of 31 December 2024; Negative equity of Tk. 13,814.98 million as at 31 December 2024 and capital adequacy ratio of (171.95%) as against minimum of 12.50%; Profit paying deposits aggregates to BDT 7,137 million as against the profit earning investment of BDT 7,943 million as at 31 December 2024; Overall 90.68% of investment of the bank is classified. These events or conditions, along with other matters as set forth in Note 3.3, indicate that a material uncertainty exists that may cast significant doubt on the Bank's ability to continue as a going concern. Further, we draw users' attention to note # 4.3 to the financial statements where management has disclosed the maintained CRR and SLR against the required amount. **Our opinion is not modified in respect of this matter.**

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements, and in forming our opinion thereon, we do not provide a separate opinion on these matters.

Risk	Our response to the risk
<b>Measurement of provision for Investments</b>	
<p>The process for estimating the provision for customer investments associated with credit risk is significant and complex.</p> <p>For the individual analysis for large exposure, provisions calculation considers the estimates of future business performance and the market value of collateral provided for availing investment facilities.</p> <p>For the collective analysis of exposure on portfolio basis, provision calculation and reporting are manually processed that deals with voluminous databases, assumptions and estimates.</p> <p>At year end the Bank reported total gross investment of BDT 7,415.87 million (2023: BDT 7,909.73 million) and the Bank reported provision for investments of BDT 3,515.76 million (2023: BDT 3,572.16 million).</p>	<p>Our substantive procedures in relation to the provision for investment portfolio comprised the following:</p> <ul style="list-style-type: none"> <li>Reviewed the adequacy of the general and specific provisions in line with related Bangladesh Bank guidelines and.</li> <li>Assessed the methodologies on which the provision amounts are based, recalculated the provisions and tested the completeness and accuracy of the underlying information.</li> <li>Evaluated the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines.</li> <li>Finally, compared the amount of provision requirement as determined by Bangladesh Bank Department of Banking Inspection (DBI) team to the actual amount of provision maintained.</li> </ul>

Risk	Our response to the risk
<b>IT systems and controls</b>	
Our audit procedures have a focus on IT systems and controls due to the pervasive nature and complexity of the IT environment, the large volume of transactions processed in numerous locations daily and the reliance on automated and IT dependent manual controls.  Our areas of audit focus included user access management, developer access to the production environment and changes to the IT environment. These are key to ensuring IT dependent and application-based controls are operating effectively.	We tested the design and operating effectiveness of the Bank's IT access controls over the information systems that are critical to financial reporting.  We tested IT general controls (logical access, changes management and aspects of IT operational controls). This included testing that requests for access to systems were appropriately reviewed and authorized.  We tested the Bank's periodic review of access rights and reviewed requests of changes to systems for appropriate approval and authorization.  We considered the control environment relating to various interfaces, configuration and other application layer controls identified as key to our audit.

**Reporting on other information**

Management is responsible for the other information. The other information comprises all the information in the annual report other than the statements and our auditors' report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

**Responsibilities of Management and Those Charged with Governance for the Financial Statements and Internal Controls**

Management is responsible for the preparation and fair presentation of the financial statements of the Bank in accordance with IFRSs as explained in note 3, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. The Bank Company Act, 1991 and the Bangladesh Bank Regulations require the Management to ensure effective internal audit, internal control and risk management functions of the Bank. The Management is also required to make a self-assessment on the effectiveness of anti-fraud internal controls and report to Bangladesh Bank on instances of fraud and forgeries.

In preparing the financial statements, management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Bank's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken based on these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the bank to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

**SHAFIQ BASAK & CO.**  
CHARTERED ACCOUNTANTS

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on other Legal and Regulatory Requirements**

In accordance with the Companies Act, 1994, the Securities and Exchange Rules 2020, the Bank Company Act, 1991 and the rules and regulations issued by Bangladesh Bank, we also report that:

- (i) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof.
- (ii) to the extent noted during our audit work performed on the basis stated under the Auditor's Responsibility section in forming the above opinion on the financial statements and considering the reports of the Management to Bangladesh Bank on anti-fraud internal controls and instances of fraud and forgeries as stated under the Management's Responsibility for the financial statements and internal control:
  - (a) internal audit, internal control and risk management arrangements of the Bank as disclosed in the financial statements appeared to be materially adequate.
  - (b) nothing has come to our attention regarding material instances of forgery or irregularity or administrative error and exception or anything detrimental committed by employees of the Bank and its related entities (other than matters disclosed in these financial statements).
- (iii) in our opinion, proper books of account as required by law have been kept by the Bank so far as it appeared from our examination of those books.
- (iv) the records and statements submitted by the branches have been properly maintained and consolidated in the financial statements.
- (v) the balance sheet and profit and loss account together with the annexed notes dealt with by the report agree with the books of account and returns.
- (vi) the expenditures incurred were for the purpose of the Bank's business for the year.
- (vii) the financial statements have been drawn up in conformity with prevailing rules, regulations and accounting standards as well as related guidance issued by Bangladesh Bank.
- (viii) adequate provisions have been made for investments and other assets in accordance with the quick summary report issued by Bangladesh Bank which are in our opinion, doubtful of recovery.
- (ix) the information and explanations required by us have been received and found satisfactory.
- (x) we have reviewed over 80% of the risk weighted assets of the Bank and spent over 2800 person hours; and
- (xi) Capital to Risk-weighted Asset Ratio (CRAR) as required by Bangladesh Bank has not been maintained adequately during the year. Capital adequacy ratio was negative (171.95%) as against 12.5% (including 2.5% for capital conservation buffer). Besides, as per Oriental Bank Limited Reconstruction Scheme 2007, the paid-up capital should be raised to Taka 7,000 million whereas actual paid-up capital stood at Taka 6,647 million on 31 December 2024.

## ICB ISLAMIC BANK LIMITED

### Notes to financial statements

#### as at and for the year ended 31 December 2024

## 1. The Bank and its activities

### 1.1 Corporate information

ICB Islamic Bank Limited (the Bank) is the new legal name of former "The Oriental Bank Limited" which was incorporated on 30 April 1987 as a Public Limited Company titled "Al-Baraka Bank Bangladesh Limited" under the Companies Act, 1913. Certificate for commencement of business was issued to the Bank on 30 April 1987. Bangladesh Bank (country's central bank) authorized the Bank to carry on the banking business in Bangladesh with effect from 04 May 1987 and to undertake and carry out all kinds of banking, financial and business activities, transactions and operations in strict compliance with the principles of Islamic Law (Shariah) relating to business activities in particular avoiding usury in credit and sales transactions and any practice which accounts to usury and actual banking operations commenced on 20 May 1987. Registrar of Joint Stock Companies & Firms approved the revised name (The Oriental Bank Limited) on 31 December 2002 and Bangladesh Bank's approval was accorded on 13 April 2003.

Bangladesh Bank took control of the management of the Bank on 19th June 2006 and appointed Chairman and Managing Director to carry out the functions of day to day affairs of the Bank. Steps were taken by the Government of Bangladesh and Bangladesh Bank to protect the interest of depositors. Measures were taken to restructure and recapitalize the Bank to keep the Bank functioning so that interest of all stakeholders of the Bank could be protected. The Government imposed a moratorium on the business of the Bank and Bangladesh Bank issued "The Oriental Bank Limited (Reconstruction) Scheme 2007" (The "Scheme").

Switzerland-based ICB Financial Group Holdings AG has become the new majority owner of former Oriental Bank, a Bangladeshi Shariah-compliant bank as on 28 February 2008. Emphasis has been placed on improving the technology and infrastructure of the Bank, as well as retaining employees, with a view to provide an improved range of competitive products to customers.

### 1.2 Nature of business and principal activities

All kinds of commercial banking services are provided by the Bank to the customers following the principles of Islamic Shariah, the provisions of the Banking Companies Act 1991 and Bangladesh Bank's directives.

The Bank renders commercial banking services to all types of customers. The range of services offered by the Bank includes accepting deposits, making investments, discounting bills, conducting domestic and international money transfers, carrying out foreign exchange transactions in addition to international money transfers, and offering other customer services such as locker service, collections and issuing letters of credit, guarantees and acceptances. Core business of the Bank includes deposit mobilization and investing activities comprising short-term, long-term, import and export financing. Financing activities are extended to different sectors of the economy that could be grouped into several sectors including Rural and Agriculture, Garments and Textiles, Jute, Cement and Bricks, Tannery, Steel and Engineering, Food and Beverage, Chemical and Pharmaceuticals, Printing and Packaging, Glass and Ceramics and Miscellaneous.

At a glance, the principal activities of the Bank are to:

- a) facilitate and handle all kinds of commercial banking services to its customers authorized by Bangladesh Bank;
- b) handle the export and import trade; and
- c) take part in international banking, etc.

## 2. Internal audit, internal control and risk management

The Banking Companies Act, 1991 and the Bangladesh Bank Regulations require the Management to ensure effective internal audit, internal control and risk management functions of the Bank. The Management is also required to make a self-assessment on the effectiveness of anti-fraud internal controls and report to Bangladesh Bank on instances of fraud and forgeries.

Bangladesh Bank Department of Off-site Supervision (DOS) has issued Circular No.-02 dated 15 February 2012 on Risk Management Guidelines for Banks and instructed all scheduled banks operating in Bangladesh to follow this Guidelines for managing various risks which have been complied by the Bank.

Risk Management is the key element for sound corporate governance of the Bank. With a recent addition in regulatory mandates and increasingly active participation of shareholders, the Bank has become increasingly concerned to identify areas of risks in the business, whether it is financial, operational, ICT or reputation risk. The Bank identifies, measures, monitors and manages all risks of the Bank. Sophisticated risk management framework is going to be implemented to carry out efficient risk management exercises of the Bank including documenting and assessing risks, defining controls, managing assessments and audit, identifying issues, implementing recommendations and corrective plans. In accordance with Bangladesh Bank Guidance, the Bank has established a risk framework that consists of six core factors, i.e. (i) Credit/Investment Risk (ii) Asset and Liability/Balance Sheet Risk (iii) Foreign Exchange Risk (iv) Internal Control and Compliance Risk (v) Money Laundering Risk and (vi) Information and Communication Technology Risk.

In addition, the Bank is also following relevant Bangladesh Bank guidelines on risk based capital adequacy, stress testing and managing the banking risks in other core risk areas.

The Bank has established an independent Risk Management Unit (RMU). The RMU conducts stress testing for examining the Bank's capacity of handling future shocks, as well as deals with all potential risks that might occur in future.

The Bank has also identified the following four key infrastructure components for effective risk management programs:

- a) Proactive Board of Directors and Senior Management's Supervision;
- b) Adequate Policies and Procedures;
- c) Proper Risk-Measurement, Monitoring and Management Information Systems; and
- d) Comprehensive Internal Controls.

## 2.1 Investment/Credit risk

Investment/Credit risk is simply defined as the failure of a bank borrower or counterparty to meet its obligations in accordance with agreed terms. Financial institutions have been facing difficulties over the years for a multitude of reasons. The major causes of serious banking problems continue to be directly related to lax Investment/Credit standards for borrowers and counterparties, poor portfolio risk management, or a lack of attention to changes in economic or other circumstances that can lead to deterioration in the Investment standing of a bank's counterparties. The goal of Investment/Credit risk management is to maximize a bank's risk-adjusted rate of return by maintaining Investment/Credit risk exposure within acceptable levels. The effective management of Investment/Credit risk is a critical component of a comprehensive approach to risk management and essential to the long-term success of any banking organization. The Basel Committee is encouraging Banks to promote sound practices for managing Investment/Credit risk. The sound Investment/Credit risk management practices include the following areas:

- i. Establishing an appropriate Investment/Credit risk environment;
- ii. Operating under a sound Investment/Credit-granting process;
- iii. Maintaining an appropriate Investment administration, measurement and monitoring process; and
- iv. Ensuring adequate controls over Investment risk.

ICB Islamic Bank Limited is keenly aware of the need to identify, measure, monitor and control Investment/Credit risk as well as to hold adequate capital against these risks for adequate compensation of risks incurred since exposure to Investment/Credit risk continues to be the leading source of problems in Banks world-wide. In this line Bank is following the system as per Guidelines of Bangladesh Bank. Bank has also adopted a policy to review the whole system, from time to time to cope with the multifarious situations.

To comply with the Directive of Bangladesh Bank (DOBB), the Bank has also taken steps for strengthening the function of Investment/Credit Administration i.e. Disbursement, Custodial Duties, Compliance, Investment/credit Monitoring and Recovery to maintain Investment/Credit Risk at the minimum level. In order to achieve this goal, Investment Administration and Supervision Department (IASD) is exerting all out efforts for completion of Security Documentation before disbursement, ensuring adequate Insurance Coverage to cover unforeseen risks, monitoring and follow up after disbursement of Investment/Credit to maintain the investment standard.

Recovery and Monitoring Department is engaged in monitoring the total Investment/Credit Classification position of the Bank vigilantly, managing all Classified and Special Mention Accounts to regularize for maximization of recovery and ensuring appropriate investment loss provision timely.

## 2.2 Asset liability risk management

Asset Liability Management (ALM) is one of the key areas of risk management which mainly focuses on liquidity and profit rate risk of the bank. Decisions taken in the ALCO meetings were duly recorded and action plans were implemented by the branches/departments to optimize Bank's financial performances. As a part of regulatory requirement, the Board of Directors also reviewed the ALM manual and its components regularly.

## 2.3 Foreign exchange risk management

Foreign exchange risk is defined as the potential change in earnings due to unfavorable movement in exchange rates. Generally, the bank is less exposed to foreign exchange risk as all the transactions are carried out on behalf of the customers against L/C commitments and other remittance requirements. The bank has undertaken policy guidelines to minimize the foreign exchange risk for exposure in currency movement. Treasury department has separate front office. Its back office desks are responsible for currency transactions, deal verification and limit monitoring and settlement of transactions separately. The bank continuously revalued all foreign exchange positions at market rate as per the guidelines of Bangladesh Bank. All Nostro Accounts are timely reconciled and all outstanding entries are reviewed on a regular basis.

## 2.4 Anti-Money laundering risk management

The financial aspects of crime have become more complex due to rapid advancement in technology and the globalize character of the financial services industry. Money-Launderers often use their front companies which co-mingle the proceeds of illicit activity with legitimate funds in order to hide the ill-gotten gains. Therefore, prevention of laundering the proceeds of crime has become a major priority from all jurisdictions from which financial activities are carried out. The policy of the bank includes establishing adequate procedures of customer due diligence, reporting, record keeping, internal control, risk management and communication in order to forestall and prevent operations related to money laundering or financing of terrorism. Central Compliance Unit (CCU) of the Bank is performing supervisory and monitorial activities for the bank's internal procedures on anti-money laundering and anti-terrorism financing. It also ensures that bank complies with the anti-money laundering and anti-terrorism financing legislation, including the Know Your Customer rules.

## 2.5 Internal control and compliance risk management

Adequate Internal Controls contribute significantly to the improvement of the performance of the banks through enforcing efficient managerial guards. Such control culture is duly reflected in the Policy Guidelines and Structural Changes of the Bank. Now the bank is considering sophisticated organizational structure to exercise strong control culture within the organization by implementing policy guidelines of internal controls appropriately and strengthening internal controls system.

Internal Control and Compliance Division (ICCD) of the Bank comprises three units, namely (i) Compliance Unit, (ii) Monitoring Unit and (iii) Audit and Inspection Unit. The Division reviews and monitors Bank's Internal Control and Compliance Risk to help the Bank perform better through the use of its resources. The units of the Division are performing their functional activities in accordance with the Bank's own policies as well as guidance notes issued by Bangladesh Bank from time to time for mitigating the Internal Control and Compliance Risks of the Bank.

During the year 2024, Inspection teams of ICCD of the Bank and Bangladesh Bank carried out inspections on different Branches of the Bank and submitted reports thereof. Necessary remedial measures/corrective steps have been taken on the suggestions/observations made in the said reports. The summary of key points of the reports were also placed and discussed in the meeting of the Audit Committee of the Board of Directors. Appropriate actions have also been taken as per the decisions of the said Committee for protecting the Bank's assets.

Compliance: The bank has complied with the regulatory requirements including, the directives of Bangladesh Bank (primary regulator), National Board of Revenue, Securities and Exchange Commission, Registrar of Joint Stock Companies and Finance Ministry etc. having significant impact on the Bank's business.

Compliance is not a one-time event rather it is a continuous process. For this purpose, the bank's Internal Controls have been designed in such a manner so that the compliance with all the relevant regulatory requirements is carried out in each activity of the bank.

Now the Board of Directors and Senior Management of the bank has developed a high ethical and moral standard to ensure strong compliance culture in the bank. In this context, the bank gives priority on the following issues:-

- i. To encourage employees to comply with all the policies, procedures and regulations;
- ii. To maintain continuous liaison with the regulators at all level to obtain regular information on regulatory changes; and
- iii. To establish an effective communication process to distribute smoothly the relevant regulations among the officials of the concerned divisions and branches.

## **2.6 Information and communication technology risk management**

The bank has adequately addressed ICT Risk Management. It is an in-depth exercise and continual process. The ICT Risk Management exercise mainly includes minimizing financial loss to the institution in all events such as natural disaster, technological failure, human error etc.

In line with Central Bank directives, the Bank has redrawn its own Information and Communication Technology (ICT) Policies for operations and Services. Under these policy guidelines, a security policy must be worked out and implemented in the server system through Active Directory Services (ADS). It has also been trying to implement through Password Policy, Kerberos Policy, Audit Policy, Group Policy, User Rights, and Permission Policy etc. to abide by and adhere to what is laid down in the policy. It tries to centralize the administrative control to access the Network, Mailing System and access to Internet under this policy.

## **2.7 Internal audit**

Our internal auditors have conducted periodic audits to provide reasonable assurance that the established policies and procedures of the Bank are consistently followed. However, there are inherent limitations that should be recognised in weighing the assurances provided by any system of internal controls and accounting.

The Audit Committee of the Bank meets periodically with the internal audit team to review their audit plans, assess the manner in which these auditors are performing their responsibilities and to discuss their reports on, internal controls and financial reporting issues. To ensure complete independence, the internal auditors have full and free access to the members of the Audit Committee to discuss any matter of substance.

A robust Risk Based Internal Audit (RBIA) has been implemented. Risk assessment by Internal Control focuses on compliance with the Bank's policies together with regulatory requirements, social, ethical and environmental risks for risk minimization and to determine the future growth of the Bank.

Internal audit activities

- i. To review and approve "Internal Audit Charter";
- ii. To guide and approve "Internal Audit Plan";
- iii. To guide and review "Internal Audit Process and Procedure";
- iv. To guide bank management body for ensuring compliance on audit recommendation(s) and scope of development;
- v. To review compliance status of audit recommendation;
- vi. To review annual assessment of the performance of audit and inspection activity; and
- vii. To recommend audit findings to be placed to the Board of Directors.

## **2.8 Fraud and Forgeries**

Bank fraud is the use of potentially illegal means to obtain money, assets, or other property owned or held by a financial institution, or to obtain money from depositors by fraudulently posing as a bank or other financial institution.

To mitigate the fraud the Bank has taken following initiatives:

- a) To review the corrective measures taken by the management with regard to reports relating to fraud-forgery, deficiencies in internal control and external auditors and inspectors of the regulatory authority and inform the Board on a regular basis;
- b) Significantly improving the compliance culture and introducing stricter controls to eliminate fraud exposures; and
- c) To the best of our knowledge and belief, no transactions have been undertaken by the company during the year which are fraudulent, illegal or in violation of the company's code of conduct.

## **3.0 Summary of significant accounting policies and basis of preparation of financial statements**

### **3.1 Reporting framework and compliance thereof:**

The Bank is being operated in strict compliance with the rules of Islamic Shari'ah. The financial statements have been prepared in accordance with the guidelines of Islamic Banking issued by Bangladesh Bank through BRPD Circular No. 15 dated 09.11.2009. The Financial Reporting Act (FRA) was enacted in 2015. Under the FRA, the Financial Reporting Council (FRC) is formed and it is yet to issue financial reporting standards for public interest entities such as banks hence International Financial Reporting Standards (IFRS) as approved by the Institute of Chartered Accountants of Bangladesh (ICAB) are still applicable. Accordingly, the financial statements of the Bank continue to be prepared in accordance with International Financial Reporting Standards (IFRS) and the requirements of the Bank Company Act 1991, as amended, the rules and regulations issued by Bangladesh Bank (BB), the Companies Act 1994, the Securities and Exchange Rules 1987 and Standards issued by the accounting and auditing organization for Islamic Financial Institutions (AAOIFI). In case any requirement of the Banking Companies Act 1991, and provisions and circulars issued by Bangladesh Bank differ with those of IFRS, the requirements of the Banking Companies Act 1991, and provisions and circulars issued by Bangladesh Bank shall prevail. Material departures from the requirements of IFRS are as follows:

#### **i) Investment in shares and securities**

IFRS: As per requirements of IFRS 9, financial assets generally fall either under at amortized cost, or at fair value through profit and loss account, fair value through other comprehensive income where any change in the fair value at the year-end is taken to profit and loss account or other comprehensive income respectively.

Bangladesh Bank: As per BRPD Circular no. 14 dated 25 June 2003, investments in quoted and unquoted shares are revalued at the year end at market price and as per book value of last audited balance sheet respectively. Provision should be made for any loss arising from diminution in value of investment; otherwise investments are measured at cost.

**ii) Revaluation gains/ losses on Government securities**

“IFRS: As per requirement of IFRS 9, an entity shall classify financial assets as subsequently measured at amortized cost, fair value through other comprehensive income or fair value through profit or loss on the basis both of the following criteria:

- a) the entity's business model for managing the financial assets and
- b) the contractual cash flow characteristics of the financial asset.”

Bangladesh Bank: HFT securities are revalued on the basis of marked to market and at year end any gains on revaluation of securities which have not matured as at the balance sheet date are recognised in other reserves as a part of equity and any losses on revaluation of securities which have not matured as at the balance sheet date are charged in the profit and loss account. Interest on HFT securities including amortization of discount are recognised in the profit and loss account. HTM securities which have not matured as at the balance sheet date are amortized at the year end and gains or losses on amortization are recognised in other reserve as a part of equity.

**iii) Provision on investments**

IFRS: As per IFRS 9 an entity shall recognize a loss allowance for expected credit losses on a financial asset through amortized cost or fair value through other comprehensive income to which impairment requirements apply.

Bangladesh Bank: As per BRPD circular No.14 (23 September 2012), BRPD circular No. 19 (27 December 2012) and BRPD circular No. 05 (29 May 2013) a general provision @ 0.25% to 5% under different categories of unclassified investments (good and special mentioned accounts) has to be maintained regardless of objective evidence of impairment. Also provision for sub-standard loans, doubtful loans and bad losses has to be provided at 20%, 50% and 100% respectively for loans and advances depending on the duration of overdue. Again as per BRPD circular no. 10 dated 18 September 2007 and BRPD circular no. 14 dated 23 September 2012, a general provision at 1% is required to be provided for all off-balance sheet exposures except bills for collection and forward guarantees (BRPD circular no. 7 dated 21 June 2018). Such provision policies are not specifically in line with those prescribed by IFRS 9.

**iv) Recognition of profit in suspense**

Bangladesh Bank: As per BRPD circular no. 14 dated 23 September 2012, once an investment is classified, profit on such investments is not allowed to be recognised as income, rather the corresponding amount needs to be credited to an interest in suspense account, which is presented as liability in the balance sheet.

IFRS: There are no specific guidelines about profit in suspense in IAS/IFRS.

**v) Other comprehensive income**

IFRS: As per IAS 1 Other Comprehensive Income (OCI) is a component of financial statements or the elements of OCI are to be included in a single Other Comprehensive Income statement.

Bangladesh Bank: Bangladesh Bank has issued templates for financial statements through BRPD Circular no.14 dated 25 June 2003 which will strictly be followed by all banks. The templates of financial statements issued by Bangladesh Bank do not include Other Comprehensive Income nor are the elements of Other Comprehensive Income allowed to be included in a single Other Comprehensive Income (OCI) Statement. As such the Bank does not prepare the other comprehensive income statement. However, elements of OCI, if any, are shown in the statements of changes in equity.

**vi) Financial instruments – presentation and disclosure**

In several cases Bangladesh Bank guidelines categories, recognize, measure and present financial instruments differently from those prescribed in IFRS 9. As such full disclosure and presentation requirements of IFRS 7 cannot be made in the financial statements.

**vii) Financial guarantees**

“IFRS: Financial guarantees are contracts that require an entity to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payment when due in accordance with the terms of a debt instrument. Financial guarantee liabilities are recognised initially at their fair value minus the cost that are directly attributable to issue of the financial guarantee. After initial recognition, an issuer of such a guarantee shall subsequently measure it at higher of: “

- i. the amount of the loss allowance and
- ii. the amount initially recognised less, when appropriate, the cumulative amount of the income recognised.

Bangladesh Bank: As per BRPD 14, dated 23 September 2012 financial guarantees such as letter of credit, letter of guarantees will be treated as off-balance sheet items. No liability is recognised for the guarantees except the cash margin.

**viii) Cash and cash equivalent**

IFRS: Cash and cash equivalent items should be reported as cash item as per IAS 7.

Bangladesh Bank: Some cash and cash equivalent items such as ‘money at call and on short notice’, treasury bills, Bangladesh Bank bills and prize bonds are not shown as cash and cash equivalents. Money at call and on short notice presented on the face of the balance sheet, and treasury bills, prize bonds are shown in investments.

**ix) Non-banking asset**

IFRS: No indication of Non-banking asset is found in any IFRS.

Bangladesh Bank: As per BRPD 14, dated 25 June 2003 there must exist a face item named Non-banking asset.

**x) Cash flow statement**

Cash flow statement has been prepared in accordance with IAS-7, “Statement of Cash Flows” and under the guidelines of Bangladesh Bank BRPD Circular No.14 dated June 25, 2003. The cash flow statement shows the structure of changes in cash and cash equivalents during the financial year. It is segregated into operating activities, investing activities and financial activities.

**xi) Balance with Bangladesh Bank: (Cash Reserve Requirement)**

IFRS: Balance with Bangladesh Bank should be treated as other asset as it is not available for use in day to day operations as per IAS 7.  
 Bangladesh Bank: Balance with Bangladesh Bank is treated as cash and cash equivalents.

**xii) Presentation of intangible asset**

IFRS: An intangible asset must be identified and recognised, and the disclosure must be given as per IAS 38.  
 Bangladesh Bank: Intangible assets are included in Fixed Assets including premises, furniture's and fixtures according to BRPD 14/2003.

**xiii) Off-balance sheet items**

IFRS: There is no concept of off-balance sheet items in any IFRS; hence there is no requirement for disclosure of off-balance sheet items on the face of the balance sheet.  
 Bangladesh Bank: As per BRPD 14, off balance sheet items (e.g. Letter of credit, Letter of guarantee, etc.) must be disclosed separately on the face of the balance sheet.

**xiv) Investments net of provision**

IFRS: Investments should be presented net of provision.  
 Bangladesh Bank: As per BRPD 14, provision on investments is presented separately as a liability and can not be netted off against investments.

**xv) Leases**

The International Accounting Standards Board (IASB) issued IFRS 16, Leases, which replaces IAS 17 and sets out the principle for the recognition, measurement, presentation and disclosure of leases. The standard has become effective for all annual reporting periods beginning on or after 1 January, 2019. The Bank has adopted IFRS 16 from the year 2021.

**3.2 Consolidation**

Separate set of records for consolidation of the statement of affairs and income and expense statement of the branches was maintained at the Head Office of the bank based on which these financial statements have been prepared. All significant inter-branch transactions are eliminated on consolidation.

**3.3 Going concern assumption**

The Bank has an accumulated loss of Tk. 20,997 million for the year ended 31 December 2024; Negative equity of Tk. 13,814 million as at 31 December 2024 and capital adequacy ratio of (171.95%) as against minimum of 12.50%; Profit paying deposits aggregates to BDT 7,137 million as against the profit earning investment of BDT 7,943 million as at 31 December 2024; Overall 90.68% of investment of the bank is classified. Six legal cases have been initiated by the erstwhile promoters against Bangladesh Bank in connection with forfeiture of their shares, the present majority shareholders of ICIBL are awaiting the outcome of these cases which are still pending in the Appellate Division of the Supreme Court for hearing. The management is optimistic about the cases that the final ruling of the court will be in favor of Bangladesh Bank which will pave the path for injecting fresh capital.

The Bank had presented its financial statements for the year ended 31st December 2024 on a going concern basis.

The initiatives taken by the Bank are cost optimization, profit maximization through increasing loans and advances, launching new products, etc. The Bank is considering various options and plans to address the issue of working capital deficiency.

Bangladesh Bank had allowed us to pay the frozen deposits within 4th November 2021. We had applied to Bangladesh Bank on 1st November 2021 for next five years moratorium. We are waiting for the response of Bangladesh Bank for the moratorium of frozen deposits.

**3.4 Accruals and deferrals**

Deferrals and accruals have been made as per the guidance of IASB Framework: IAS 1: Presentation of Financial Statements. In order to meet their objectives, financial statements (except for Statement of Cash Flows and Rental Income) and related information are prepared on an accrual basis of accounting. Under this basis, the effects of transactions and other events are recognised when they occur (and not when cash or its equivalent is received or paid) and they are recorded in accounts and reported in the financial statements of the periods to which they relate.

**3.5 Revenue recognition**

The revenues during the year are recognised on an accrual basis, which comply with the conditions of revenue recognition as provided in IFRS 15 : Revenue from Contracts with Customer, except interest on classified loans which are recognized as interest income on realization basis as per Bangladesh Bank guidelines.

**3.5.1 Profit and expenses**

Profit income and expenses for all profit-bearing financial instruments except for those classified as held-for-trading or designated at fair value are recognised in the income statement using the effective Profit rates of the financial assets or financial liabilities to which they relate. The effective Profit rate is the rate that exactly discounts estimated future cash receipts or payments earned or paid on a financial asset or financial liability through its expected life or, where appropriate, a shorter period, to the net carrying amount of the financial asset or financial liability. When calculating the effective profit rate, the Group estimates cash flows considering all contractual terms of the financial instrument but not future credit losses. The calculation includes all amounts paid or received by the ICB Islamic Bank that are an integral part of the effective Profit rate, including transaction costs and all other premiums or discounts. Profit on impaired financial assets is calculated by applying the original effective Profit rate of the financial asset to the carrying amount as reduced by any allowance for impairment.

**3.5.2 Non-profit Income**

**3.5.2.1 Fees and commissions**

Fees and commissions are accounted for as follows:

- i. Income earned on the execution of an activity is recognised as revenue when the activity is completed;
- ii. Income earned from providing services over a period of time is recognised over the service period during which the related service is provided or credit risk is undertaken; and
- iii. Income which forms an integral part of the effective profit rate of a financial instrument is recognised and recorded as profit income.

### 3.5.2.2 Dividend income

Dividend income is recognised when the right to receive the payment is established.

### 3.5.2.3 Income from Investment in Bangladesh Government Islamic Investment Bond (BGIIIB)

Profit from Investment in Bangladesh Government Islamic Investment Bond (BGIIIB) is accounted for on an accrual basis.

### 3.5.2.4 Letters of credit, letters of guarantee and others

Commission charged to customers on letters of credit and letters of guarantee is credited to income at the time of effecting the transactions.

### 3.5.2.5 Profit paid and other expenses

In terms of the provision of IAS 1: Presentation of Financial Statements, profit paid and other expenses are recognised on an accrual basis.

## 3.6 Foreign currency translation

### 3.6.1 Foreign currency transactions (IAS 21)

- Transactions in foreign currencies are translated into Taka at the foreign exchange rates prevailing on the balance sheet date.
- Monetary assets and liabilities in foreign currencies are expressed in Taka at the rates of exchange prevailing on the balance sheet date.
- Forward foreign exchange contracts and foreign bills purchased are valued at forward rates applicable to their respective maturities.

The assets and liabilities in foreign currencies are translated to Taka at exchange rates prevailing at the balance sheet date. The results of foreign entities are translated at the average rate of TT clean and TT and OD for the year ended 31 December 2024.

Currency name	Exchange rate (Taka)
US Dollar	120.00
Euro	128.25
GBP	154.89

### 3.6.2 Commitments

Commitments for outstanding forward foreign exchange contracts disclosed in these financial statements are translated at contracted rates. Contingent liabilities / commitments for letters of credit and letters of guarantee denominated in foreign currencies are expressed in Taka terms at the rates of exchange ruling on the balance sheet date.

### 3.6.3 Translation gains and losses (IAS 21)

As per provision of IAS 21: The Effects of Changes in Foreign Exchange Rates, foreign currency transactions are translated into Taka at rates prevailing on the dates of such transactions and exchange gains or losses arising out of the said transactions are recognised as income or expense for the year in which the exchange account is dealt with.

## 3.7 Assets and their basis of valuation

### 3.7.1 Cash and cash equivalents

As per provision of IAS 7: Statement of Cash Flows, for the purpose of the Statement of Cash Flows of the Bank, cash and cash equivalents comprise balances with less than 90 days maturity from the date of acquisition including: cash and balances with central bank, treasury bills, and other eligible bills, amounts due from other banks and dealing securities other than those which are not available to finance the ICB- Islamic Bank's day to day operations.

### 3.7.2 Investments

Investments are stated at gross amount. Provision and Profit suspense against investments are shown separately as liability. Profit income is accounted for on an accrual basis until the investments are defined as classified accounts as per Bangladesh Bank guidelines.

As per BRPD circular no. 14 dated 23 September 2012, Profit on classified Investments (other than bad/loss investments) is required to be credited to profit suspense account instead of income account. Such profit kept in suspense account should be reversed to income account only when respective investment accounts become regular and / or realized in cash.

### 3.7.2.1 Provision for Investment

Provision against classified loans and advances is made on the basis of periodical review by the management and instruction contained in BCD Circular No. 12 dated 04 September 1995, BRPD circular No. 16 dated 06 December 1998, BRPD circular No. 09 dated 14 May 2001, BRPD circular No. 02 dated 15 February 2005, BRPD circular No. 05 dated 27 April 2005 and BRPD circular No. 32, dated 27 October 2010, BRPD Circular No 14 dated 23 September 2012, BRPD Circular No. 05 dated 29 May 2013 and BRPD Circular No. 03 dated 21 April 2019. The provisioning rates as per Bangladesh Bank circulars are as follows:

Business Unit		Unclassified		Classified		
		Standard	SMA	SS	DF	BL
Short term Agri. Credit		2.5%	-	5%	5%	100%
Consumer	Housing Finance	1%	1%	20%	50%	
	Loan for Professionals	2%	2%	20%	50%	100%
	Other than Housing Financing & Professionals	5%	5%	20%	50%	100%
Housing Finance		0.25%	0.25%	20%	50%	100%
Loan for Professionals		2%	2%	20%	50%	100%
Other than Housing Financing & Professionals		1%	1%	20%	50%	100%
Off balance sheet exposure - 1% (except for bills for collection)						

### 3.7.2.2 Security against Investments:

- i. Project investment-land and building, FDR and other movable assets have been taken as a security in the form of mortgage.
- ii. Working capital and trading investment-Goods are taken as security in the form of pledge and also goods are taken as security in the form of hypothecation along with land and building, FDR and other movable assets as a mortgage.
- iii. House building investment-Lands and buildings are taken as security in the form of mortgage

### 3.7.2.3 Bills purchased and discounted

Bills purchased and discounted do not include Government Treasury bills and have been classified into two sub-heads viz.

- i. Payable in Bangladesh and
- ii. Payable outside Bangladesh.

The bills purchased and discounted have been analyzed in the form/terms as per the maturity grouping.

### Investment in shares and securities

The Bank determines the classification of its investments at initial recognition and classifies its financial assets as follows:

#### 3.8.1 Financial assets at fair value through profit or loss

This category has two sub-categories: financial assets held for trading, and those designated at fair value through profit or loss at inception. A financial asset is classified in this category if acquired principally for the purpose of selling in the short term if so designated by management.

#### 3.8.2 Investment and receivables

Investment and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They arise when the Bank provides money, goods or services directly to a debtor with no intention of trading the receivables.

#### 3.8.3 Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets with fixed or determinable payments and fixed maturities that the Bank's management has the positive intention and ability to hold to maturity. If the Group sells other than an insignificant amount of held-to-maturity assets, the entire category would be tainted and reclassified as available-for-sale.

#### 3.8.4 Available-for-sale investment

Available-for-sale investments are those intended to be held for an indefinite period of time, which may be sold in response to needs for liquidity or changes in profit rates, exchange rates or equity prices.

Purchases and sales of financial assets at fair value through profit or loss, held-to-maturity and available-for-sale are recognized on trade-date (the date on which the ICB Islamic Bank commits to purchase or sell the asset). Investment is recognized when cash is advanced to the borrowers. Financial assets are initially recognized at fair value plus transaction costs for all financial assets not carried at fair value through profit or loss. Financial assets are derecognized when the rights to receive cash flows from the financial assets have expired or where the Group has transferred substantially all risks and rewards of ownership. Available-for-sale financial assets and financial assets at fair value through profit or loss are subsequently carried at fair value. Investment and receivables and held-to-maturity investments are carried at amortized cost using the effective Profit method. Gains and losses arising from changes in the fair value of the 'financial assets at fair value through profit or loss' category are included in the income statement in the period in which they arise.

Gains and losses arising from changes in the fair value of available-for-sale financial assets are recognized directly in equity, until the financial asset is derecognized or impaired at which time the cumulative gain or loss previously recognized in equity is recognized in profit or loss. However, Profit calculated using the effective Profit method is recognized in the income statement. Dividends from available-for sale equity instruments are recognized in the income statement when the entity's right to receive payment is established. The fair values of quoted investments in active markets are based on current bid prices. If the market for a financial asset is not active (and for unlisted securities), ICB Islamic Bank establishes fair value by using the book value of last audited balance sheet.

#### 3.8.5 Valuation Method

Investments have been shown under two broad categories viz Government Securities and Other Investments.

Investments have been considered as follows:

Particulars	Valuation Method
Government Securities:	
Government Treasury Bills	Market Value
Other Investments:	
Shares of CDBL	Cost Price
Bangladesh Commerce Bank Limited	Cost Price

#### 3.9 Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

#### 3.10 Acceptance receivables and payables

Acceptance receivables and payables are stated at the value of the Letter of Credit or realized value of the Letter of Credit accepted by accepting banks. The acceptance receivables are presented net of allowance for possible losses.

#### 3.11 Foreclosed properties

Foreclosed properties are recorded at the lower of its fair value (less costs to sell) and the carrying amount of the investment (net of impairment allowance) at the date of foreclosure. No depreciation is provided in respect of foreclosed properties. Any subsequent write down of foreclosed properties to fair value (less cost to sell) is recorded as a fair value change and included in the income statement. Any subsequent increase of the fair value (less cost to sell), to the extent this does not exceed the cumulative fair value change, is recognised in the income statement.

### 3.12 Software

Acquired computer software licenses are capitalized on the basis of the costs incurred to acquire and bring to use the specific software. These costs are amortized on straight-line basis over the expected useful lives of three to five years. Costs associated with developing or maintaining computer software programmers are recognised as an expense as incurred. Costs that are directly associated with the production of identifiable and unique software products controlled by the Bank and that will probably generate economic benefits exceeding costs beyond one year are recognised as Core Banking Software.

### 3.13 Property and equipment

All property and equipment are stated at historical cost/valuation less any impairment losses and depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or are recognised as a separate asset as appropriate, only when it is probable that future economic benefits associated with the items will flow to the Bank and the cost of the items can be measured reliably. All other repairs and maintenance are charged to the Profit and Loss Account during the financial period in which they are incurred.

Depreciation on fixed assets is calculated using the straight-line method to allocate their cost to their residual values over their estimated useful lives, as follows:

SL. No..	Name of the assets	Depreciation rate
i.	Furniture and fixtures	10%
ii.	ATM	20%
iii.	Software	20%
iv.	Office equipments	20%
v.	Vehicles	20%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date. Property and Equipment is subject to an impairment review if there are events or changes in circumstances which indicate that the carrying amount may not be recoverable. Up to 31 December 2007 bank charged depreciation on fixed assets using the reducing balance method which changed in 2008 and adjustment are incorporated with current year depreciation.

### 3.14. Non banking assets

This represents assets acquired by the Bank upon the agreement with the client and Honorable Court's order against investment. Bank has taken the ownership of the non-banking assets on the basis of power of attorney of Bishal Centre on 8 March 2005 and Kushal Centre on 13 June 2000 against settlement of Investments. Bank is now trying to transfer the ownership related document in its name by obtaining mutation. First acquisition amount against two properties i.e. Bishal Centre BDT 220,000,000; Kushol Centre BDT 75,000,000 and total amounting BDT 295,000,000. Subsequently M/s Huda Vasi Chowdhury & Co. revaluated the Properties on 31 December 2009 Bishal Centre at BDT 607,776,130 and Kushol Centre at BDT 142,500,000 total BDT. 750,276,130

### Taxation

Tax expenses represent the sum of the tax currently payable and deferred tax.

#### 3.15.1 Current tax

Income tax on the profit or loss for the year comprises current tax and deferred tax. Income tax is recognised in the income statement except to the extent that it relates to items recognized directly in shareholder's equity in which case it is recognized in shareholder's equity.

As per requirement of IAS 12: Income Taxes, the Bank has a policy to measure current tax liability at the amount expected to be paid to the taxation authorities, using the tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Tax rate is 37.5% as prescribed in Finance Act 2020 on taxable profits of the banks and financial institutions. The Bank was not required to provide income tax as it has previous assessed loss which will offset the taxable income. But as per requirement of Income Tax Ordinance 1984, minimum tax @ 0.60% of gross receipts has been provided for in the financial statements.

#### 3.15.2 Deferred Tax

As per provision of IAS 12: Income Taxes, deferred tax assets and deferred tax liabilities shall be measured and reflect the tax consequence of the entity at the balance sheet date.

Deferred tax is recognised, using the liability method on temporary differences between the carrying amount of assets and liabilities in the balance sheet and the amount attributed to such assets and liabilities for tax purposes. Deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent it is probable that future taxable profits will be available against which deductible temporary differences; unused tax loss and unused tax credit can be utilized. The tax rate 37.5 prevailing at the balance sheet date is used to determine deferred tax.

The Bank did not recognize any deferred tax during the year as there would have arisen deferred tax income if deferred tax was recognised due to huge loss of the Bank at balance sheet the date which is adjustable against future profits.

### Functional and presentation currency

The financial statements are presented in Bangladesh Taka (BDT). All values are rounded to the nearest Taka.

Critical accounting estimates and judgments in applying accounting policies

As per provision of IAS 1 : Presentation of Financial Statements, the preparation of financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

The Bank makes estimates and assumptions that affect the reported amounts of assets and liabilities within the next financial year. Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

### **3.17.1 Valuation of financial instruments**

The Bank's accounting policy for valuation of financial instruments is included in Note 3.1. As required by IAS 19: Employee Benefit, provident fund and gratuity benefits are given to eligible staff of the Bank in accordance with the locally registered rules and the entity shall disclose the amount recognized as an expense for defined contribution plan.

## **Liabilities and provision**

### **3.18.1 Retirement benefits of employees**

#### **3.18.1.1 Provident fund**

Provident fund benefits are given to the staff of the Bank in accordance with the registered Provident fund rules. The commissioner of Income Tax, Large Tax Payers Unit, Dhaka has approved the Provident Fund as a recognised fund within the meaning of section 2(52) read with the provisions of Part - B of the First Schedule of Income Tax Ordinance 1984. The fund is operated by a Board of Trustees consisting of 06 (six) members of the Bank. All confirmed employees of the Bank are contributing 10% of their basic salary as subscription of the fund. The Bank also contributes equal amount to the fund. Contributions made by the bank are charged as an expense. Profit earned from the investments is credited to the members' account on half yearly basis.

#### **3.18.1.2 Gratuity**

As per service rules of the Bank, every permanent employee is entitled to 50% of basic salary for 5 to 10 years, 75% of basic salary for 10 to 15 years and 100% of basic salary for more than 15 years for every completed year of services with the Bank. Sufficient provision has created for gratuity in the financial statements as at 31 December 2023.

### **3.18.2 Provisions and accrued expenses**

Provisions and accrued expenses are recognised in the financial statements when the bank has a legal or constructive obligation as a result of past event, it is probable that an outflow of economic benefit will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation."

### **3.19 Deposits and other accounts**

As per requirement of paragraph 39 of IFRS 7: Financial Instruments: Disclosures, deposits and other accounts including bills payable of the Bank have been analyzed in terms of the maturity grouping showing separately other deposits and inter-bank deposits

### **3.20 Contingent liabilities, commitments and other off-balance sheet items**

As required by BRPD 14/2003, contingent Liabilities, commitments and other off-balance sheet items are presented in details in the financial statements.

### **3.24 Earnings Per Share (EPS)**

Earnings per share has been calculated in accordance with IAS 33: Earnings Per Share (EPS) which has been shown on the face of profit and loss account and the computation of EPS has been stated in Note 40.

#### **3.24.1 Basic earnings**

This represents earnings for the year attributable to ordinary shareholders. As there was no preference dividend or extra ordinary items, the net profit after tax for the year has been considered as fully attributable to the ordinary shareholders.

#### **3.24.2 Weighted average number of ordinary shares outstanding during the year**

This represents the number of ordinary shares outstanding at the beginning of the year plus the number of shares issued during the year multiplied by a time-weighted factor. The time-weighted factor is the numbers of days the specific shares are outstanding as a proportion of the total number of days in the year.

#### 44.00 Contingent Liabilities

Four claims of BDT. 79.44 Crore against the Money Suits No 68/2003,46/2003,313/2006,2705/2013 were decreed in high court against the bank, however the bank has appealed to the supreme court.

Custom Authorities has a claim against BG of M/s One Entertainment BDT. 63.10 million. The accused are the former employees of ICBIBL who for financial gain have dishonestly, and fraudulently issued 15 Bank Guarantees of Tk 63.1 million. These Bank Guarantees were issued, without authorization or informing the Head Office or keeping any record. The Bank filed a Criminal Revision case No.34 of 2014 arising out of Cr case no-600 of 2012 where the Learned Court allowed the revision in favour of the Bank and sent the file to Anti-Corruption Commission (ACC) for investigation. Our latest follow-up with the assigned officer of ACC on 22 September 2021 reveals that he has not completed his investigation and will need some additional time to complete the investigation.

Bangladesh Bank did not reverse the profit amount BDT.8.72 crore from the Bangladesh Bank Islamic Investment Bonds Fund claim. However the Bank has applied to Bangladesh Bank to reverse the profit as per Oriental re-construction scheme 2007.

#### 45.00 Approval of the financial statements

The financial statements were approved by the Board of Directors on 28 April, 2025.

#### 46.00 Events after the Balance Sheet Date

As per IAS 10 - "Events after the Reporting Period", events after the reporting period are those events, favourable and unfavourable, that occur between the end of the reporting period and the date when the financial statements are authorized for issue. Two types of events can be identified:

- Adjusting events after the reporting period which provide evidence of conditions which existed at the end of the reporting period; and
- Non adjusting events after the reporting period, are those that are indicative of conditions that arose after the reporting period.

There are no events to report which had an influence on the balance sheet or the profit and loss account for the year ended 31 December 2024.
